Jared Salmond

Cat and Mouse Phyllis Root,2002 Mouse is fast, but Cat is faster!

Cat and Mouse Günter Grass,1991 The setting is Danzig during World War II. The narrator recalls a boyhood scene in which a black cat pounces on his friend Mahlke's mouse-his prominent Adam's apple. This incident sets off a wild series of events that ultimately leads to Mahlke's becoming a national hero. Translated by Ralph Manheim. A Helen and Kurt Wolff Book

Mouse Vs. Cat in Chinese Literature ,2019 Wilt Idema presents Chinese tales about cats and mice, situating them in the Chinese literary tradition as a whole, and within Chinese imaginative depictions of animals. In the literatures of the ancient and modern Near East, South Asia, and medieval Europe, animal fables exhibited a range of anthropomorphic views, but Chinese literature is notable for its relative paucity of extended animal tales and rarity of talking animals. From ancient Egypt to China, rodents have long been vilified as thieves of grain in agrarian society, in perennial war with felines. Through varied depictions of the cat-mouse relationship, this set of tales allows to reader to consider the metaphorical roles of these animals in the Chinese literary imagination and to ponder their unusually prominent--and verbal--role in these stories. Of central focus is the legal case of the mouse against the cat in the underworld court of King Yama, a popular topic in the traditional ballad literature of late-imperial China and of present-day Chinese folk literature. Idema traces the development and variations of this theme of mice and cats in classical literature; to other stories of mice and cats in traditional vernacular literature; and to stories about the wedding of the mouse to the cat and the war between mice and cats. An epilogue traces the treatment of enmity between rodents and felines worldwide, and a foreword by Haiyan Lee explores the relevance of these tales to posthumanist consideration of human-animal relations. This entertaining volume will appeal to readers interested in Chinese literature and society, comparative literature, and animal studies in the humanities --

CATS Vs. MICE Jared Salmond,2023-01-24 The cats have stolen all the cheese to bait and lure; to taunt and tease. But mice conspire, arrange, prepare, and gather tools to breach the lair. Sneak into the samurai cat lair to take back their cheese, how hard could that be for ninja mice? Luckily these little mice know that a little teamwork goes a long way, no matter how big and scary the task. Filled with tension, lyrical rhyming, and comic-style illustrations, CATS vs. MICE is the perfect gift for anime, manga, and graphic art lovers. Beloved by children of all ages, Salmond's books breach the gap between picture books and comic books to create a high-stakes adventure filled with excitement and fun.

Cat vs. Cat Pam Johnson-Bennett, 2004-07-06 From the author of *Catwise* and *Think Like a Cat*, the ultimate resource for managing a multi-pet household. Pam Johnson-Bennett, the award-winning author and feline behaviorist, shows how adding another cat to your home does not have to be the start of a kitty apocalypse. Although cats are often misunderstood as natural loners, Johnson-

Bennett shows how to plan, set up, and maintain a home environment that will help multiple cats—and their owners—live in peace. *Cat vs. Cat* will help readers understand the importance of territory, the specialized communication cats use to establish relationships and hierarchies, and how to interpret the so-called “bad behavior” that leads so many owners to needless frustration. Offering a wealth of information on how to diffuse tension, prevent squabbles and ambushes, blend two families, or help the elder kitty in your family, *Cat vs. Cat* is a welcome resource for both seasoned and prospective guardians of cat families large and small.

Mouse vs. Cat in Chinese Literature ,2019-03-18 In literatures worldwide, animal fables have been analyzed for their revealingly anthropomorphic views, but until now little attention has been given to the animal tales of China. The complex, competitive relationship between rodents (vilified as thieves of grain) and the felines with whom they are perennially at war is explored in this presentation of Chinese tales about cats and mice. Master translator Wilt Idema situates them in an overview of animal tales in world literature, in the Chinese literary tradition as a whole, and within Chinese imaginative depictions of animals. The tales demonstrate the animals’ symbolism and their unusually prominent—and verbal—role in the stories. These readings depict cats and mice in conflict, in marital bonds, and in litigation—most centrally in a legal case of a mouse against a cat in the underworld court of King Yama. Many of the stories adopt the perspective of the mice as animals merely trying to survive, while also recognizing that cats are natural hunters. This entertaining volume will appeal to readers interested in Chinese literature and society, comparative literature, and posthumanist consideration of human-animal relations.
