Catalan-english/ English-catalan Practical Dictionary A. Scott Britton, 2018-05-15 Catalan is a romance language named after the autonomous province Catalonia in Spain and spoken by well over 9 million people worldwide. It is also the national and only official language of Andorra. Most Catalan speakers, however, reside in Spain's Catalonia and Valencia provinces. Catalan is not a dialect of Spanish, but a language that developed independently from Vulgar Latin during the Middle Ages around the Pyrenees region. During the 19th century and the rise of a nationalist cultural movement in Catalonia, the language was revived as a literary language. Since the 1980s, Catalan has been the language used in state schools, and thus most residents of Catalonia are bilingual in Catalan and Spanish. Ideal for businesspeople, travelers, and students, this dictionary features over 16,000 word-to-word entries, including common words as well as technical, legal, business and locally-specific terms (key cities, foods, and cultural terms). It also includes an exhaustive pronunciation guide and a concise discussion of the basics of Catalan grammar.

Manual of Catalan Linguistics Joan A. Argenter,Jens Lüdtke,2020-04-06 This manual is intended to fill a gap in the area of Romance studies. There is no introduction available so far that broadly covers the field of Catalan linguistics, neither in Catalan nor in any other language. The work deals with the language spoken in Catalonia and Andorra, the Balearic Islands, the region of Valencia, Northern Catalonia and the town of l'Alguer in Sardinia. Besides introducing the ideologies of language and nation and the history of Catalan linguistics, the manual is divided into separate parts embracing the description - grammar, lexicon, variation and varieties - and the history of the language since the early medieval period to the present day. It also covers its current social and political situation in the new local and global contexts. The main emphasis is placed on modern Catalan. The manual is designed as a companion for students of Catalan, while also introducing specialists of other languages into this field, in particular scholars of Romance languages.

Catalan Vocabulary Book: A Topic Based Approach Pinhok Languages,2019-04-02 Catalan vocabulary book + Catalan dictionary This Catalan vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Catalan-English as well as English-Catalan dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Catalan learning resource is a combination of Catalan vocabulary book and a two-way basic Catalan dictionary: Part 1: Topic based Catalan vocabulary book This is the main part of the book and represents a list of chapters each containing Catalan vocabularies for a certain topic. The Catalan vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2: Basic English-Catalan dictionary The index in the second half of the book can be used as a basic Catalan dictionary to look up words you have learned but can't remember or learn new words you need. Part 3: Basic Catalan-English dictionary Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Catalan words and directly find the English translation How to use this Catalan vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Catalan dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Catalan translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Catalan dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Catalan and comes in particularly handy at times when there is no internet to look up words and phrases.
