

Catch 24

Margaret M. Calderwood

Catch-22 Laura M. Nicosia, James F. Nicosia, 2021 Catch-22 was published in 1961, becoming a number-one bestseller in England before American audiences identified with its anti-war sentiments, earning it classic status and prompting a film version in 1970. Heller's dark, satirical novel became so ubiquitous that it initiated the eponymous phrase regarding paradoxical situations. Catch-22 is appreciated for its black humor, extensive use of flashbacks, contorted chronology, countercultural sensibilities, and bizarre language structures. With current trends and political climate considered, this volume revisits this classic text for a contemporary audience. --
