Garage Sale Guide For Beginners Dale Blake,2015-04-25 The garage sale, the yard sale, the rummage sale...It makes just as much sense now to hold one; it's just as much fun as to attend one. Garage sales make sense because they can make you money. Rather than throw out your old cluttering mess, or allowing it to fester and take up space in your home, with a bit of hard work and planning, you can transform that mess into a nice little stack of bills.

Garage Sale Superstar Eric Michael,2013-04-27 Would you like to Double or Triple your Garage Sale or Yard Sale profits, without spending any money? Have you heard stories about people making over \$1000 at garage sales, and wished for similar success? Garage Sale Superstar provides solutions to these questions asked by almost every single garage sale or yard sale host. In Superstar, the second book in the Almost Free Money series, detailed instructions are provided for making excellent money by selling your used property at free venues like garage sales, yard sales, estate sales, and tag sales. As a veteran of visiting over 1,000 garage sales in the last ten years, I can provide specific examples of what works for garage sale hosts, and what does not.--Publisher's description.

Everything You Need to Know about Garage & Yard Sales Jon Fulghum,2007-02 Everything You Need to Know about Garage & Yard Sales: Be Better Organized, Have Fun, and Sell More provides you with the information you should consider when deciding to have a garage or yard sale, as well as easy step-by-step guidance on organization and management. The useful tips and strategies in Everything You Need to Know about Garage & Yard Sales is the only reference you need to get started and accomplish your desired level of success. Author Jon Fulghum provides ideas for advertising, promotion, and display to help attract potential shoppers. He also explains: - Reasons for having a garage or yard sale - Types of garage or yard sales - When to have a sale - Types of shoppers - What items shoppers look for - How to price items - Appropriate conduct during the sale - How to handle awkward situations Because most garage and yard-sale organizers are also buyers, Fulghum provides basic guidelines for fruitful negotiation. Whether you're a shopper or a seller, Everything You Need to Know about Garage & Yard Sales is an essential resource for your success.

Garage Sales for Profit and Fun William C. Stratas,1993

How to Yard Sale Enock Lynn Norrbom,2011-02-14 One of the main reasons people organize yard sales is so they can sell enough items to pay the bills. But at the end of many events, most sellers have not accomplished their goal. Before you even hold a yard sale, be sure to steer clear of violating any ordinances. Go to your town or city hall, and check if you need a license. This will be an operating expense just like advertising and promotional costs. But once you take care of it, the selling can begin! In this step-by-step guidebook, you will learn the sales techniques that will make people buy; the appropriate pricing to help your items sell; the importance of having stoppers that will generate a crowd; the strategies to beat your yard sale competitors and maximize profits. Written by Enock Lynn Norrbom, who has been generating revenue from yard sales for decades, this guide offers a better understanding of how selling at yard sales can be a serious home-based business that generates income. Move closer to your customers and achieve your objectives as you discover How to Yard Sale.

The Complete Guide to Buying at Garage, Yard, and Estate Sales and Selling Online for Fun and Profit Dan Blakely, 2017-06-09 For years garage sale trainer Dan Blakely has been helping people easily supplement their income by going to Garage sales! This is not a small book, it is complete and covers a very wide range of profit opportunities. With so much demand for his services he has finally agreed to write a book to expand his expertise to whomever wants to learn. If you have wondered how some people make a lot of money on eBay and Amazon then this is definitely the one you want, it is not a small quick how to book, rather, this is a very complete and detailed book but one written in a simple and to the point manner. You will learn just about EVERYTHING from A to Z to easily start and maintain a money-making business and/or hobby. Just look inside and check out the table of contents and you will agree, this IS the COMPLETE guide! There are a lot of books on the market about how to have a garage sale and yes some about making money buying at them but many of these books can be limited in their information. There is just SO MUCH opportunity out there; Antiques, vintage stuff from the 70's and 80's, CD's, Book's and the list goes on. However, to succeed at this, having the right systems, information and tools is critically important. This book provides valuable insights into successfully mastering the world of these sales. First, how to find and negotiate the best price for objects of value and, second, how to easily resell those same objects on eBay and Amazon for a nice profit. Beginning with a section titled How to Use This Book, the author instructs his readers on how to maximize their efforts, how to discern what is worth buying (and, as importantly, what isn't). He also discusses many other very valuable perks to attending garage, yard and estate sales like finding high end clothes or even just general household items for your own or use which translates into a huge savings of money. This is also a great opportunity to start your own collection of antiques and collectibles which is both fun and an unbelievably good investment. Once the buyer has secured his or her bargains, the author walks the reader through an easy step-by-step system to resell those items for a great profit without spending a whole lot of time. Dan Blakely also helps his readers find their own personal niche. Using individual knowledge, the reader already possesses, to dominate those sales. For instance, let's say you know quite a bit about clothing, designer and vintage for example, well there are literally oodles of clothing to be had for next to nothing. Another niche that anyone can easily learn is how to buy books for next to nothing and re-sell them on Amazon. This alone can be a great profit center to supplement your income. This guide brims with nuts-and-bolts advice. For example, there is a chapter on how to organize your self without taking up too much room in your home and the middle of the book is devoted to instructing the reader on finding value in common items, such as DVDs, CDs. Dive into this can't-miss program for a steady second income or a fun new money-making hobby! Whatever you choose, buying at garage sales is a great opportunity!
