Hardman's Tax Rates and Tables, 1992

State Tax Handbook (2013) CCH, 2012-12 CCH's State Tax Handbook is the perfect quick-answer tool for tax practitioners and business professionals who work with multiple state tax

jurisdictions. This handy and affordable reference provides readers with an overview of the taxation scheme of each state and the District of Columbia, as well as multistate charts on income taxes (personal and corporate), sales and use taxes and tax administration. It is a time saving resource for tax professionals by providing a single source of key state tax information instead of having to consult multiple sources. This book brings together important tax information for each state tax system and adds value to the practice of multistate tax advisors and those advising multistate businesses. The book is set out in four parts, which together deliver an overall picture of the states' levies, bases and rates of each tax, principal payment and return dates, and other important information on major state taxes. The State Tax Handbook provides a comprehensive Taxes by State section, which helpfully summarizes in one place the tax rules for each state, including key information such as tax rates and filing/payment dates. It details the taxing authorities for each jurisdiction, including addresses, phone numbers, websites and taxes governed by each office. This helpful section also includes a discussion on collection of out-of-state taxes. The major features of each state's revenue system are outlined in uniform arrangement which makes reference from state to state easy. At-a-glance multistate charts detail important issues to assist state tax compliance and planning. More than 120 charts are provided, covering discrete topics such as income tax rates, state corporate and personal income tax reporting

requirements, filing extensions, state taxation of pass-through entities; allocation and app

Internal Revenue Code CCH Tax Law, 2017-11-15

This comprehensive and authoritative resource provides full, unabridged text of the complete Internal Revenue Code in two volumes. CCH offers this tax information in a timely and reliable manner that business and tax professionals have come to expect and appreciate. This Winter Edition of Internal Revenue Code reflects all new statutory tax changes enacted as of November 18, 2017. Reproduced is the complete Internal Revenue Code dealing with income, estate, gift, employment, and excise taxes, along with all the procedural and administrative provisions. Current text of the statutes are presented, and a history of each tax code section, or subsection if appropriate, is provided in the amendment notes. The amendment notes specifically identify the changes made by prior Acts and serve as a means of reconstructing the former text of a Code section or subsection if reference to prior law is required. The detailed Topical Index located at

the end of both volumes reflects all matters covered, so researchers can quickly pinpoint any information needed, and rate tables are also helpfully included.
