Peter D. Looney

Cedar Rapids Mark Stoffer Hunter and Caitlin Treece for the History Center, 2014 Incorporated as a town in 1849 and then reincorporated as a city in 1856, Cedar Rapids has never stopped progressing. It earned its place as the second-largest city in Iowa through continuous attention to innovative growth and development of where people work and live. Images of Modern America: Cedar Rapids highlights modern-day Cedar Rapids, focusing on changes and events from around 1960 to the earliest years of the 21st century. This City of Five Seasons, now building anew with respect for its history, continues to move forward with increasing business, cultural, and recreational opportunities for the entire community.

Lost Cedar Rapids Peter D. Looney, 2020 Cedar Rapids is the only city in America to house its government offices on an island. But tons of other iconic structures that defined the city are no longer around. The Little Gallery on First Avenue was created to showcase local artists. Yager's moved up to bring prices down. The area was home to thirty-nine theaters, including two from 1928 that are still in

operation. From the hotels to the factories, the ethnic districts to the depots, the dance halls to the amusement parks, these are the places that made a difference in the City of Five Seasons. Local author Pete Looney traces the history of the structures.

**Cedar Rapids** George T. Henry, Mark W. Hunter, 2005 The City of Five Seasons, formerly known as the Parlor City, is shown in this book as it developed from a small but thriving community into the metropolis that it is today. The railroads, roads, and waterways leading into and out of Cedar Rapids

allowed the city to grow and prosper. The pioneers and early leaders, with great vision and foresight, planned and developed the area, including its wide downtown streets that allowed for easy access into the city. Photographs taken in the past are compared with photographs taken today from the same location, allowing us to see what and where changes have been made.

#### **Cedar Rapids ,2004**

Cedar Rapids, Iowa George T. Henry,2001 One hundred years ago, Cedar Rapids was nicknamed The Parlor City and Queen City, and was known for its massive grain processing plants. Today, Cedar Rapids is known not only for its agricultural products, but also for its communications industries ranging from radio to avionics manufacturing to telecommunications. Cedar Rapids, Iowa focuses on the uniquely progressive heritage of the city, since its founding in 1842. The major institutions that made Cedar Rapids what it is today are included here in over 200 historic images from the collection of the History Center. Union Station, featured on the cover, was completed in 1897 and

instantly became an impressive and fashionable gateway to the city. Other photographs look at the city's growth during the 1920s and '30s, when such structures as the Federal Building and Post Office, the Paramount Theatre, and the Art Center opened. This book focuses on Cedar Rapids from its early days as a Parlor City to its development of a modern city skyline in the late 1960s.

Glimpses of Cedar Rapids... Charles B. Armstrong, 2013-12 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**Murder at the Roosevelt Hotel in Cedar Rapids** Diane Fannon-Langton,2016-08-01 “Fantastic . . . Sheds new light on the case . . . No stone is left unturned . . . Provides a remarkable snapshot of life in Cedar Rapids in the late 1940s” (The Gazette). Byron C. Hattman sealed his fate when he checked into the Roosevelt Hotel on December 13, 1948. A maid found his body in a blood-spattered room two days later. An investigation linked him to the young wife of St. Louis pediatrician Robert C. Rutledge, who confessed to the brutal attack after trying to poison himself. The scandal made national headlines and seemed like an easy case for the Linn County court. That is, until new evidence changed the story completely. Reporter and author Diane Fannon-Langton uncovers the truth and compiles the complete details of the Hattman slaying for the first time. Includes photos!
