**Toxic Fame** Joey Berlin,1996 All the world loves a celebrity, but fame has its price. Toxic Fame offers irresistibly candid insight into the high cost of being famous, from the viewpoint of the famous themselves. In their own words, high-profile celebrities share intimate details about their star status--and the toll it takes on their lives. Photos.

**Hollywood, Interrupted** Andrew Breitbart,Mark Ebner,2005-03-10 Hollywood, Interrupted is a sometimes frightening, occasionally sad, and frequently hysterical odyssey into the darkest realms of showbiz pathology, the endless stream of meltdowns and flameouts, and the inexplicable behavior on the part of show business personalities. Charting celebrities from rehab to retox, to jails, cults, institutions, near-death experiences and the Democratic Party, Hollywood, Interrupted takes readers on a surreal field trip into the amoral belly of the entertainment industry. Each chapter – covering topics including warped Hollywood child-rearing, bad medicine, hypocritical political maneuvering and the complicit media – delivers a meticulously researched, interview-infused, attitude heavy dispatch which analyzes and deconstructs the myths created by the celebrities themselves. Celebrities somehow believe that it's their god-given right to inflict their pathology on the rest of us. Hollywood, Interrupted illustrates how these dysfunctional dilettantes are mad as hell... And we're not going to take it any more.

**The Man They Couldn't Hang** Michael Crowley,2010-09-01 A play in two Acts with an Introduction by the author. The story of John 'Babbacombe' Lee is one of the most bizarre in English criminal history. Lee is the only person to have been reprieved by a Home Secretary after standing on a gallows trap which failed to open. This happened at Exeter Prison in 1885 when the notoriously inept public hangman James Berry gave up after three abortive attempts. Lee spent 22 years in prison before being released. On retirement, Berry from Heckmondwike, Yorkshire, who carried out 134 executions, was the first executioner to write about his experiences in My Experiences As An Executioner. His resulting celebrity led to him taking to the boards, spinning gruesome tales of his former trade and showing audiences his dark souvenirs. Michael Crowley's imaginative play is set in a down-at-heel northern music hall where the proprietor is bent on reviving the venue's glory days by persuading the now released Lee to team up with Berry in a double act. Did John Lee commit the murder for which he was due to hang? Did poetic justice intervene on that fateful day in Exeter to prevent a miscarriage of justice? Will Lee stand on the scaffold once again with the noose around his neck, on stage and for the paying public? And will the truth

come out or not as Lee begins to confide in the woman designated as leading lady during rehearsals? 'The Man They Couldn't Hang' by prison writer in residence Michael Crowley is an ideal vehicle for raising issues of crime and punishment. It will be particularly useful for drama groups in and out of prison, and tutors or group leaders seeking innovative ways of involving those they work with in issues of criminal justice and crime and punishment. The play is also suitable for full-scale drama productions.

**Fame Us** ,2007-11-01 In this stunning book, photographer Brian Howell takes us into the world of celebrity impersonators—the faux famous people who make a living at pretending to be someone else. Taken at various impersonator conventions and stage shows throughout North America, the photographs are both startling and poignant—for all of the frivolity and double takes (Isn't that Paris Hilton?) there is also a sense of the real person beneath the makeup and the artifice. Accompanying the portraits are first-person narratives by many of the subjects, many of whom feel personally close to those they are impersonating, even if they have never met them. In addition, in two essays, cultural critic Norbert Ruebsaat looks at the history of celebrity culture, and Geist magazine editor Stephen Osborne delves into the nature of photographing impersonators. As such, the book investigates the nature of fame in this era of celebrity blogs, stalkerazzi, and reality television—and how our obsession with famous people says as much about us as it does about them. Subjects include impersonators of: Bono Mike Myers (as Austin Powers) George W. Bush Mike Myers (as Dr. Evil) Hilary Clinton Jack Nicholson Johnny Depp Ozzy Osbourne Paris Hilton Colin Powell Saddam Hussein Elvis Presley Angelina Jolie Anna Nicole Smith Marilyn Manson Donald Trump Liza Minnelli Oprah Winfrey

*The Diary Of A C-List Celeb* Paul Hendy,2010-09-30 From playing panto in Grimsby to hosting the highest rated light entertainment show in the history of British television, this is the story of one extraordinary year in the life of minor TV personality and serial bad dresser, Simon Peters... Simon languishes on the bottom rung of the showbiz celebrity ladder, mired in the tacky world of game shows, daytime TV and home shopping channels. His agent has trouble remembering his name and even his stalker is more famous than he is. He goes to all the wrong parties, sleeps with all the wrong people and to make matters worse, stardom beckons for his most-loathed enemy. And just when it seems things couldn't get any worse, the plug is pulled on his TV show... Like most celebrities, Simon's riddled with insecurities but he's nothing if not resilient, thick-skinned, utterly selfish and a total - if misguided believer - in his own talent. HE knows he's got what it takes to get to the middle, the very middle. It's just the getting there that's the problem.

**The Last Days of Dead Celebrities** Mitchell Fink,2007-05-02 Profiled on ABC's The View, Good Morning America, and dozens of other national outlets, *The Last Days of Dead Celebrities* captured our imagination with its intelligent, intimate reporting. John Lennon, Lucille Ball, Orson Welles, Ted Williams, John Denver -- these are just a few of the fifteen celebrities profiled here, each passing in a way that was as unique and distinctive as the life of the individual. Some slipped quietly into the night -- Welles died peacefully in bed with his typewriter still balanced on his stomach -- while others met a more shocking and violent end, as did Lennon and Tupac Shakur. Working with an extraordinary level of access, exclusive material, and the cooperation of the stars family and friends, Mitchell Fink sets the record straight on these very human, very vulnerable public figures.

**Gatecrasher** Ben Widdicombe,2021-07-13 A smart, gossipy, and very funny examination of celebrity culture from New York's premiere social columnist. Ben Widdicombe is the only writer to have worked for Page Six, TMZ, and The New York Times—an unusual Triple Crown that allowed him personal access to the full gamut of Hollywood and high society's rich and famous, from billionaires like Rupert Murdoch, Donald Trump, and the Koch brothers, to pop culture icons Kim Kardashian and Paris Hilton. Now, in *Gatecrasher*, New York's premiere gossip-turned-society writer spills the sensational stories that never made it to print. Widdicombe has appeared at nearly every gossip-worthy venue—from the Oscars and the Hamptons, to the Met Gala and Mar-a-Lago—and has rubbed elbows with a dizzying array of celebrities (and wannabes), and he whisks us past the clipboard and velvet rope to teach us the golden rules of gatecrashing, dishing on dozens of boldface names along the way. Widdicombe shares secrets for how to crash the parties, climb the ladder, avoid the paparazzi, or make small talk with Henry Kissinger and Anna Wintour. Endlessly fun and extremely telling,

Gatecrasher makes the unnerving argument that Paris Hilton conquering pop culture two decades ago lead to Donald Trump winning the White House. “As the gossip pages go, so goes the country,” he says.

*Zombiewood Weekly* ,2010-08-17 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

A Massive Swelling: Celebrity Re-Examined As a Grotesque, Crippling Disease and Other Cultural Revelations Cintra Wilson,2016-08-24 Whether you lust after it, loathe it, or feign apathy toward it, fame is in your face. Cintra Wilson gets to the heart of our humiliating fascination with celebrity and all its preposterous trappings in these hilarious, whip-smart, and subversive essays. Often radical and always a scream, Wilson takes on every sacred cow, toppling icons as diverse as Barbra Streisand, Ike Turner, Michael Jackson, and-for obvious reasons-Bruce Willis. She exposes events like the Oscars and even athletic jamborees as having grown a tumescent aura of Otherness. Wilson's scathing and irresistible dissections of Las Vegas as the Death Star of Entertainment, and Los Angeles as a giant peach of a dream crawling with centipedes pulse with her enlightened rejection of all things false and vain and egotistical. Written with her trademark zeal and intelligence, A Massive Swelling is the antidote for the fame virus that infects us all.

**Actors Anonymous** James Franco,2013 A darkly comic tale by the actor, artist and author of Pao Alto is told in the style of Alcoholics Anonymous 12-step testimonials, scripts, letters, diary entries and other forms that explore the nature and purpose of acting while sharing moving and satirical portraits of actors who did not achieve fame.

**A Short History of Celebrity** Fred Inglis,2010-07-01 A history of celebrity from Byron to Beckham Love it or hate it, celebrity is one of the dominant features of modern life—and one of the least understood. Fred Inglis sets out to correct this problem in this entertaining and enlightening social history of modern celebrity, from eighteenth-century London to today's Hollywood. Vividly written and brimming with fascinating stories of figures whose lives mark important moments in the history of celebrity, this book explains how fame has changed over the past two-and-a-half centuries. Starting with the first modern celebrities in mid-eighteenth-century London, including Samuel Johnson and the Prince Regent, the book traces the changing nature of celebrity and celebrities through the age of the Romantic hero, the European fin de siècle, and the Gilded Age in New York and Chicago. In the twentieth century, the book covers the Jazz Age, the rise of political celebrities such as Mussolini, Hitler, and Stalin, and the democratization of celebrity in the postwar decades, as actors, rock stars, and sports heroes became the leading celebrities. Arguing that celebrity is a mirror reflecting some of the worst

as well as some of the best aspects of modern history itself, Inglis considers how the lives of the rich and famous provide not only entertainment but also social cohesion and, like morality plays, examples of what—and what not—to do. This book will interest anyone who is curious about the history that lies behind one of the great preoccupations of our lives.
