Games of the Heart Pamela Yaye,2009-08-01 Up-and-coming celeb manager Sage Collins is ready for the big time. About to land her first big client—a teenager who could be the next Michael

Jordan—Sage is determined to make her mark. The immovable object in her way? Marshall Grant, the athlete's father and manager—over six feet of sexy, take-charge ex-military male. No matter. Big-city chick Sage isn't leaving small-town Indiana without a contract—even if she has to seduce Marshall to get it. Sage is all wrong for Marshall. So why is the single father finding the Vegas glam girl so irresistible? Marshall never thought Sage would trade her stilettos for sweats and sneakers, or her thrill-a-minute life for the frigid temps of Indiana. (Maybe the romantic firelit dinner or midnight sleigh rides have something to do with it.) Is the ultimate city girl playing a game neither of them can win? Or are they about to become partners in a new game, where love calls the shots?

The Hunger Games Companion Lois H. Gresh, 2011-11-08 The ultimate companion guide to the blockbuster Hunger Games trilogy For all those who adore Katniss and Peeta, and can't get enough, this companion guide to the wildly popular Hunger Games series is a must-read and a terrific gift. Go deeper into the post-apocalyptic world created by Suzanne Collins than you ever thought possible—an alternative future where boys and girls are chosen from twelve districts to compete in The Hunger Games, a televised fight-to-the-death. When sixteen-year-old Katniss learns that her

little sister has been chosen, Kat steps up to fight in her place—and the games begin. This unauthorized guide takes the reader behind the stage. The Hunger Games Companion includes fascinating background facts about the action in all three books, a revealing biography of the author, and amazing insights into the series' main themes and features--from the nature of evil, to weaponry and rebellions, to surviving the end of the world. It's everything fans have been hungering for since the very first book! This book is not authorized by Suzanne Collins, Scholastic Press or anyone involved in the Hunger Games movie.

Spa Olivia De Grove, 2015-06-16 Seeking rejuvenation and rest, six very different people converge at a lush Caribbean spa on the island of St. Christoph and find more than they had bargained for: mystery, intrigue, and romance. Successful and single journalist Joyce Redmond, who is on assignment to root out the nitty gritty on the other guests, has been so busy working on her career that she has forgotten to work on her life. Cliff Eastman, the romantic over-the-hill movie star and heartthrob, is watching his career fade through the bottom of a bottle. Cathy Stewart, the overweight, frustrated housewife, who cringes each time her husband calls her his "big mama," is intent on finding a way to

shed that image. Maxine Kraft, married for twenty-five years needs only a little more courage to face the world as a single woman. Finally, there is Belle Taylor and her famous teen idol daughter, Regina, who both need to find a way to stop hating each other. Fortunately, the Spa at St. Christoph has something for everyone. Yet, behind the luxurious façade of this retreat awaits a mystery for which they had not bargained.

Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

The GC Gemma Collins, 2018-06-28 For fans of TOWIE, Celebrity Big Brother and Celebs Go Dating, learn how you too can become a diva by the one and only Gemma Collins - one of the

greatest gifts reality TV has ever given us. So girls, you alright darlings? By buying this book you will have taken the first steps into a world where everything is fabulous. Men will fall at your feet, riches will be bestowed on you, you will have the biggest, bounciest hair ever and you will get what you want, whatever that is. I'm a diva and I've earned my divaship through many years of hard work, hairdryers and broken hearts. In my book, I'll explore the main themes of the diva lifestyle: attitude, appearance, men and social media. You'll learn what it means to be a diva, how to look like one, how to act like one and how to live like one. At the end of it all, you will be a fabulous diva like me. You'll also learn some very juicy goss about me, my life, the men in my life, shock-induced urinary incontinence and some of the things I've done (including how I sustained an unsightly boob injury in front of Tom Daley while he was wearing a revealing pair of Speedos) (which could probably make a book on its own). So hold on to your extensions, because things are about to get interesting.

Etiquette For Idiots Elizabeth Imus-Zero,2013-08-01 If your name is Don Imus, then hi Dad! Sorry about the stuff I wrote about you. I know you asked me not to write about you but to instead write about me. I'd like to point out that this book is about me, you

just happen to be my father and since you stuck around...some of MY stories include you. Shitty luck, right? Anyway, get over it and toughen up. That's what you always tell me to do. Besides, most of this book is about idiots and morons and how I think they should behave. So don't worry, it's not like I accused you of having sex with the dog or beating the cat with a wire hanger...but if I'm left out of your will, I may write a second book. xo love, your wonderful daughter, Elizabeth If you're anyone else and you picked up this book because of its catchy title, then it's because you have terrible manners and you are acting like an idiot, or you know someone who is and you need to buy this book for them. Whatever the deal is, enjoy. xo ez
