**Beyond My Reach** M. E. Sapphire,2003 An endeavor of love, is the only way to aptly depict the motivation and deep love flowing from her heart into this poetry compilation from the outside to the inside. Beyond My Reach is unique in that it was written from the free world to an incarcerated lover. With much love, more than 200 poems were written to express the intense love thriving within this lonely sweetheart during the last four years, the length of their heated romance from a distance. Ms. Sapphire's amorous declarations of devotion were the only inspiration needed to profess her passion and write the first poem, I Close My Eyes. She never imagined then, the poetry would someday amass into a quantity great enough to fill a book. Written solely to verbalize new emotions of love, each poem in this book was inspired by one young man confined behind tall concrete walls and razor wire of the penal system... ----- BEYOND THE WALLS

Each day you face a dismal existence Wondering what's beyond that prison wall So many youthful years you've wasted What made you err, you barely recall Double locked doors quarantine your life In triple layered concrete cages Tall dual fences, loops of razor wire Stand sentinel over inmates of all ages Incarceration has taken a deadly toll on you Never trusting, dreading each new dawn Privacy embezzled by constant vigilance Leaves you silent, fearful and withdrawn The world is soon forgotten behind the walls As you obey endless, ever-changing rules Constantly watching your back, danger lurks Fearing brawls, protecting your family jewels Being an inmate with untainted record Double locked doors will surely open for you Living on the outside can soon resume You've learned your lesson,

freedom is overdue Your true love awaits you beyond those walls When you're thrust from that dismal womb Born again to embark on a new journey You'll emerge from your dungeon of doom. March 12, 2001 For more information, please go to the [www.mesapphire.com](http://www.mesapphire.com).

Heretic for a Loving God Marthe G. Walsh,2012-07-01 The illusion of certainty in faith may be the last un-named sin, the lack of it the stuff of poetry, the struggle to know, to feel, to believe, a wholly holy pursuit ... even by those brave enough to admit we do not know, only try.

*Hit Singles* ,2004 (Book). This entertaining book presents the U.S. and U.K. Top 20 charts side by side, month by month showing how rock and pop developed on each side of the Atlantic. Fully updated, it lists the hits from 1954 through 2003. Includes an alphabetical listing of song titles with artists, and an alphabetical listing of artists with song titles and chart-entry dates, enabling easy cross-referencing to help you track down any Top 20 record since 1954.

*A Course in Light* Toni Moltzan,2017-09-28 Throughout many disciplines of spiritual growth, light is mentioned as the source of all life. Those who have experienced enlightenment describe it as being aware of everything that surrounds them as energy and light. The light energy referred to within A Course in Light is not a symbolic term but the actual light energy of your own soul and body of light. Through the meditations and lessons, light magnifies and is directed throughout the physical system for transformation and change. The first level focuses on the physical body and your material surroundings and

acquaints you with the different egos and bodies that are aspects of yourself. Your personality ego and organic and cellular egos are individual and collective intelligence that have been impressed with your mental and emotional experiences. These egos are acknowledged during meditation to help bring unity within. When vibrations of all the bodies are in harmony, you experience a wonderful new wellness, strength, and clarity. What makes this different from any other course? The direct experience you feel, sense, and become aware of during meditation. Energy surges through your body, mind, and soul during your sessions. It is a path healing every aspect of your body and its egos. This course takes you step by step through your personal clearing. Based on the ancient teachings of Agni Yoga, this is a bridge between all spiritual paths.
