Joseph Jacobs

Celtic Fairy Tales Joseph Jacobs, 2024-01-03 This Book,
Originally published in 1892, this beautifully written collection of Celtic fairy tales is bound to enrapture. Filled to the brim with, as Joseph Jacob says, both the best, and the best known folk-tales of the Celts, this is the first of his two collections of Celtic folklore. Included in this charming collection are tales of romance, tales that will make you laugh, and tales with sadness intertwined. The twenty-six story medley includes: - Guleesh - Conal Yellowclaw - The Shepherd of Myddvai - The Story of Deirdre - The Wooing of Olwen - The Sea-Maiden - Jack and his Master - Beth Gellert - The Battle of the Birds - The Lad with the Goat-Skin And many more! The magic of these stories is brought to life with fantastical sketches by John D. Batten that are interspersed throughout the pages, including eight full-page illustrations. The wonder, witchcraft, and magic found in Celtic tales are sure to enrapture all readers, young and old alike.

biography included Illustrated Celtic Folk and Fairy Tales by Joseph Jacobs Celtic Folk and Fairy Tales is written by the Australian born folklorist Joseph Jacobs. This is a solid book of Celtic fairy tales by Joseph Jacobs. Some of the stories are related to bronze-age epics, which means they have more parts in verse, and more named characters than typical fairy tales. Some stories are legends, such as the story of Deidre or that of Powel and Rhiannon, and some are cumulative tales, like Munachar and Manachar, and some are just fairy lore like Brewery of Eggshells or Elidore. Though you will find variants, such as Fair, Brown, and Trembling, where, even though Trembling is persecuted by her own sisters and goes to church, not the ball, and her story continues even after she has a baby, she is still a Cinderella variant. Or Gold-Tree and Silver-Tree which is a Snow White tale even if the queen questions a salmon, not a mirror, and instead of a huntsman letting her go in the woods, her father marries her off secretly to a foreign prince, who, indeed, is not the one who rescues her from her sleep.

MORE CELTIC FAIRY TALES Various, 2009-11 In this volume Joseph Jacobs has proceeded on much the same lines as those

which he laid down in compiling Celtic Fairy Tales. In making his selection he attempted to select the tales common both to Erin and Alba. He included, as specimen of the Irish medi- eval hero tales, one of the three sorrowful tales of Erin: The Tale of the Children of Lir. For the drolls, or comic relief, of the volume, he drew upon the inexhaustible Kennedy and the great J. F. Campbell, who still stands out as the most prominent figure in the history of the Celtic Fairy Tale. Jacobs attempted to do what the brothers Grimm did for Germany, so far as that was possible. In Jacob's own words The Celtic materials are so rich that it would tax the resources of a whole clan of Grimms to exhaust the field. In this volume you will find 20 Celtic tales of Jack the Cunning Thief, Paddy o'Kelly and the Weasel, the Dream of Owen O'Mulready, The Farmer of Liddesdale, The Greek Princess and the Young Gardener, Elidore, the Ridere of Riddles and more. In Jacobs' own words, The Celts went forth to battle, but they always fell. Yet the captive Celt has enslaved his captor in the realm of imagination. In an attempt to give a library of the Celts' wealthy imagination to his readers, Jacobs has attempted to begin the readers' captivity with the earliest recordings of these tales. And captivate he does-More Celtic Fairy Tales not only preserves a cultural history, but is also

richly entertaining. We invite you to curl up with this unique sliver of Celtic folklore not seen in print for over a century; immerse yourself in the tales and fables not heard in homes for many a year. A percentage of the profit from the sale of this book will be donated to the Prince's Trust for their work with youth across the United Kingdom.

Celtic Fairy Tales - Illustrated by John D. Batten Joseph

Jacobs,2013-04-16 'Celtic Fairy Tales' is a collection of twenty-six

classic stories from British isles, collected by Joseph Jacobs, and accompanied by the masterful black-and-white illustrations of John D. Batten. It includes such tales as 'Connla and the Fairy Maiden', 'Guleesh', 'The Field of Boliauns', 'The Horned Women', 'Conal Yellowclaw', 'The Sprightly Tailor', and many more. Heavily influenced by the Brothers Grimm and the romantic nationalism ubiquitous in his contemporary folklorists, Jacobs was responsible for introducing English fairy tales to English children, who had previously chiefly enjoyed those derived from French and German folklore. Beautifully illustrated by John D. Batten, these timeless fairy tales make for ideal bedtime reading and are not to be missed by collectors. John Dickson Batten (1860 – 1932), was a British figure painter, as well as a book illustrator and printmaker. He illustrated almost all of Jacob's works, including, *English Fairy Tales* (1890), *Celtic Fairy Tales* (1892), and *European Folk and Fairy Tales* (1916). In addition, Batten is also celebrated for his delicately rendered imaginings of *Arabian Nights* and *Dante's Inferno*. Presented alongside the text, his illustrations further refine and elucidate Joseph Jacob's enchanting narratives.. Presented alongside the text of 'Celtic Fairy Tales', his illustrations further refine and elucidate Joseph Jacob's enchanting narratives. Pook

Celtic Fairy Tales Joseph Jacobs, 1990

Celtic Fairy Tales Joseph Jacobs, 2014-06-22 Celtic Fairy Tales Selected and Edited By Joseph Jacobs. 26 Classic Celtic Fairy Tales. Last year, in giving the young ones a volume of English Fairy Tales, my difficulty was one of collection. This time, in offering them specimens of the rich folk-fancy of the Celts of these islands, my trouble has rather been one of selection. Ireland

began to collect her folk-tales almost as early as any country in Europe, and Croker has found a whole school of successors in Carleton, Griffin, Kennedy, Curtin, and Douglas Hyde. Scotland had the great name of Campbell, and has still efficient followers in MacDougall, MacInnes, Carmichael, Macleod, and Campbell of Tiree. Gallant little Wales has no name to rank alongside these; in this department the Cymru have shown less vigour than the Gaedhel. Perhaps the Eisteddfod, by offering prizes for the collection of Welsh folk-tales, may remove this inferiority. Meanwhile Wales must be content to be somewhat scantily represented among the Fairy Tales of the Celts, while the extinct Cornish tongue has only contributed one tale. In making my selection I have chiefly tried to make the stories characteristic. It would have been easy, especially from Kennedy, to have made up a volume entirely filled with Grimm's Goblins à la Celtique. But one can have too much even of that very good thing, and I have therefore avoided as far as possible the more familiar formulae of folk-tale literature. To do this I had to withdraw from the English-speaking Pale both in Scotland and Ireland, and I laid down the rule to include only tales that have been taken down from Celtic peasants ignorant of English.
