Recently graduated from college, she's thrilled when she gets a job as a public school math instructor. What's more, Brenda's students are disrespectful and uninterested in learning and in spite of Brenda's phone calls, their parents don't care. The administration is determined that students must improve their test scores no matter the cost. Brenda quickly finds herself under the watchful eye of assistant principal, Mrs. Harrison, who instead of offering her support seeks to get rid of Brenda, documenting her performance in the classroom and threatening to place her on a professional disciplinary plan Brenda's only friend, Mr. Fisher, is also under evaluation. They are both thwarted at every turn, harassed via weekly interrogations and classroom reviews. Brenda's dream of being a teacher is vanishing before her eyes, and she must decide: are students worth fighting for, or will she give in to administrative pressure and quit before stress destroys her body and mind?
