Bob Kann, Caroline Hoffman

Cindy Bentley Bob Kann, Caroline Hoffman, 2013-10-25 Cindy Bentley: Spirit of a Champion celebrates the life of one of Wisconsin's most inspirational leaders and activists. Born with an intellectual disability as the result of fetal alcohol syndrome, Cindy Bentley spent much of her childhood at the Southern Wisconsin Center for the Developmentally Disabled. No one expected her to learn the skills necessary to live on her own. To everyone's surprise, including her own, she did that and much more. With the encouragement of a teacher at Southern Center, Cindy realized she had a deep passion for sports, and the discipline to train and compete. She began participating in Special Olympics, and gained confidence as she worked with teammates to earn medals in tennis, track and field, and even snowshoeing. Chosen as a Global Messenger for the Special Olympics International in 2000, Cindy has had dinner at the White House with two different American presidents, traveled around the world, and given speeches in front of thousands of people. In these pages, young readers will learn what gives Cindy her champion spirit, and why she gave away some of her gold medals. Today, Cindy is still competing in Special Olympics. She also continues to advocate for people with disabilities, and helped to start People First, a statewide organization that encourages those with disabilities to speak up for their rights.

To reach your potential, however, you must know the formula to succeed and to discover that formula, you need the right mindset. Bill Clark and Trent Patterson, both elite-level athletes and certified strength and conditioning coaches, share life experiences and lessons to help you capitalize on opportunities. Whether they are writing about the Olympic Training Center, the philosophy of the University of Alabama football program, weightlifting adventures in different countries, or battles on the one-yard line, the authors share lessons that will jumpstart success.

Bill Wennington's Tales From the Bulls Hardwood Bill Wennington, 2011-12-27 Chicago Bulls fans thought they had it so good. From 1991 through 1993 the Bulls won three consecutive NBA titles behind the talents of Michael Jordan and Scottie Pippen. When Jordan retired in the fall of 1993, those fans thought the good times were over. In the fall of 1995, however, Jordan was ready to make a full return to NBA action, Pippen was still the best number two man in basketball, and then bad-boy Dennis Rodman was

signed to join the franchise that had grown to hate him. Suddenly, the Bulls had the greatest team in NBA history. Bill Wennington's *Tales from the Bulls Hardwood* tells some of the inside stories from that team, the one that won three more NBA titles from 1996 through 1998. Seen from the eyes of three-time NBA champion center Bill Wennington, the Bulls come to life differently, from an insider's point of view. The 1995-96 Bulls won an NBA record 72 games and became the Beatles of professional sports. Followed everywhere and talked about endlessly, they captured a national and international audience and kept all eyes upon them for three seasons, even though everyone knew they were going to win. Fans will read about some of the most famous names in basketball history. Jordan, the demanding team leader; Pippen, the true teammate; Rodman, the reckless rebounder; Toni Kukoc, the outsider; Ron Harper, the former star turned role player; Luc Longley, the affable Aussie; Steve Kerr, the John Paxson sequel; all playing for Phil Jackson, the Zen master coach. These are stories fans have not heard before, but it's not their fault. They just weren't there the way Bill Wennington was. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

“Gone, but Not Forgotten” LaDon Vinnett-Thompson, 2016-08-19 This book pays tribute to my father, Alvin Charles Copeland, Sr. My father was a great man with a great heart for people. He loved life and winning in life. He was successful because he prioritized people and family over materialistic things. He was a winner that lived for a challenge. As the eldest son, I am proud and humbled to have the opportunity to continue his legacy and fulfill the tasks he left behind. I am honored to endorse this book as a motivational tool for anyone who may be facing a challenge, setback, or obstacle in this life. My father never gave up on life in spite of disappointments; he was relentless about making the best of any situation. During his battle with cancer, my father never gave up. He was a born leader, motivating father, and a man of influence. As you read the pages of this book, I know you will be encouraged to live your life to the fullest. I know that something in my father's life will help motivate you to face every circumstance, or setback with a winning attitude. Today I challenge you to take on the attitude of a champion. Champions are determined risk-takers that are often the center of attraction. Champions never die; they just live out their lives through others once they pass away. Thank you for helping me pay tribute to a true champion, Al Copeland, Sr.

Centre and Periphery Tim Champion, 2005-08-04 There has recently been much interest among geographers, historians and political theorists in concepts of centre and periphery. In this book a wide range of studies consider how such concepts can be used to clarify our understanding of pre-capitalist societies.

32 Ways to Be a Champion in Business Earvin "Magic" Johnson,2009-12-29 As a young man, Earvin “Magic” Johnson admired his father and other small-town entrepreneurs who created jobs and served as leaders in his Midwestern community. He worked for them, watched them, and his interest in building communities through economic development grew even while his basketball career flourished. His fame as an NBA star gave him access to some of the most successful business leaders in the country. It was Earvin’s own entrepreneurial spirit that inspired them to serve as his mentors. Earvin made the transition from great athlete to greater entrepreneur through hard work and by avidly pursuing opportunities. He recognized that densely populated urban communities were ripe for commercial and residential development. He partnered with major brands like Starbucks, 24 Hour Fitness, and T.G.I. Friday’s to lead a major economic push in these communities. The success of his businesses proved that ethnically diverse urban residents would welcome and support major brands if given the opportunity. Earvin continues to be a leader of urban economic development that provides jobs, goods, and a new spirit of community. 32 Ways to Be a Champion in Business will inspire and enlighten readers who wish to make a similar impact with their careers and business endeavors.

The Royale Marco Ramirez, 2015-03-13 'Ain't about bein' no Heavyweight Champion of the White World. It's about bein' Champion, period.' Jay 'The Sport' Jackson dreams of being the undisputed heavyweight champion of the world. But it's 1905 and, in the racially segregated world of boxing, his chances are as good as knocked out. When a boxing promoter hatches a plan for the 'Fight of the Century', The Sport might land a place in the ring with the reigning white heavyweight champion, but at what cost? It's not just a retired champ he's facing, it's 'The Great White Hope'. In daring to realise his dream, is Jay responsible for putting African American lives in the danger zone? Told in six rounds and set in a boxing ring, The Royale is inspired by the often overlooked story of Jack Johnson, a boxer who - at the height of the Jim Crow era - became the most famous and the most notorious black man on Earth.
