Guinness World Records

English Loans in Contemporary Russian Yuliya Baldwin,2020-11-17 English Loans in Contemporary Russian presents over 2,000 English borrowings in the Russian lexicon, providing a unique account of changes in the language and culture. The entries in this practical Russian-English dictionary cover a wide range of well-established loanwords to more recent neologisms. They address an increasingly relevant part of the contemporary Russian lexicon, particularly in the language of business, politics, mass media, computer, medicine, and other professional areas. The dictionary reflects how the language is responding to new patterns of life and will be of interest to Russian language learners and linguists.

Socio-economic Systems: Paradigms for the Future Elena G. Popkova,Victoria N. Ostrovskaya,Aleksei V. Bogoviz,2021-03-05 This book is reflective of a science-based vision of the future development paradigm of economic and social systems. It deals with the digitization as the technological basis for the future development of economic and social systems and presents a review of groundbreaking technologies and prospects for their application. The specific character of the industry and prospects for the application of digital technologies in business are analyzed. A rationale is provided for future prospects for the sustainable development of economic and social systems in a digital economy. The authors determine the process of the formation and development of the information-oriented society, social and educational aspects of the digitization, as well as the institutional framework of the digital future of social and economic systems. The book combines the best works following the results of the 12th International Research-to-Practice Conference "Artificial Intelligence: Anthropogenic Nature vs. Social Origin" that was held by the Institute of Scientific Communications (ISC) in cooperation with the Siberian Federal University and the Krasnoyarsk Regional Fund of support of scientific and scientific-technical activities on 5-7 December 2019, in Krasnoyarsk, Russia, as well as following the results of the 3rd International Research-to-Practice Conference "Economic and Social Systems: Paradigms for the Future" that was held by the ISC in cooperation with the Pyatigorsk State University on 5-6 February 2020. The target audience of the book consists of representatives of the academic community concerned with the future prospects for the development of economic and social systems, as well as economic agents engaged in the digitization of business processes, and representatives of public agencies regulating the development of business systems for their progressivity, sustainability and competitiveness.

Cold War Olympics Harry Blutstein,2021-12-03 The political tension of the Cold War bled into the Olympic Games when each side engaged in psychological warfare, exploiting sport for political ends. In Helsinki, the Soviet Union nearly overtook the United States in the medal count. Caught off guard, the U.S. hastened to respond, certain that the Soviets would use a victory at the next Olympics to broadcast their superiority over the Western world. Following the 1956 suppression of the Hungarian uprising, a Soviet athlete struck a Hungarian opponent in the Melbourne water polo semifinals, turning the pool red. The United States covertly encouraged Eastern Bloc athletes to defect, communist Chinese agents nearly succeeded in goading the Taiwanese government into withdrawing from the games, and a forbidden romance between an American and Czech athlete resulted in a politically complex marriage. This history describes those stories and more that resulted from the complicated relationship between Cold War politics and the Olympics.

The Fastest Game in the World Bruce Berglund,2020-12-01 Played on frozen ponds in cold northern lands, hockey seemed an especially unlikely game to gain a global following. But from its beginnings in the nineteenth century, the sport has drawn from different cultures and crossed boundaries--between Canada and the United States, across the Atlantic, and among different regions of Europe. It has been a political flashpoint within countries and internationally. And it has given rise to far-reaching cultural changes and firmly held traditions. The Fastest Game in the World is a global history of a global sport, drawing upon research conducted around the world in a variety of languages. From Canadian prairies to Swiss mountain resorts, Soviet housing blocks to American suburbs, Bruce Berglund takes readers on an international tour, seamlessly weaving in hockey's local, national, and international trends. Written in a lively style with wide-ranging breadth and attention to telling detail, The Fastest Game in the World will thrill both the lifelong fan and anyone who is curious about how games intertwine with politics, economics, and culture.

Adopting New Technologies in Sports Marketing Hyun-Woo Lee,Natasha T. Brison,Heetae Cho,Do Young Pyun,Vanessa Ratten,2021-12-30

More Than Sport: Soft Power and Potemkinism in the 2018 Men's Football World Cup in Russia Sven Daniel Wolfe,2021-01-07 This book explores the 2018 Men's Football World Cup in Russia through a comparison of the host cities of Ekaterinburg and Volgograd - two major but peripheral cities little discussed outside of Russia. It unpacks the World Cup at multiple scales of analysis, from global political economic processes, Russian national state spatial strategies, uneven municipal developments, the creation and distribution of soft power narratives to the domestic audience, and varieties of adoption or refusal of those narratives among host city residents. In so doing, the book offers a light and revisable framework for understanding mega-events regardless of national context. Sven Daniel Wolfe is junior lecturer at the University of Lausanne. He studies mega-events, urban development, and the cultures of protest and resistance.

Russia and the 2018 FIFA World Cup Richard Arnold,2021-03-08 Despite many negative expectations of the 2018 FIFA World Cup, Russia delivered one of the best World Cups in living memory. This book brings together leading scholars working in Russian studies, sociology and political science to analyse the 2018 World Cup and assess its significance for sport, Russia and the world. The book explores the connections between sport, soft power, populism, protest, and international politics, and investigates topics including security, surveillance, social media and patriotic mobilization, shining new light on key contemporary themes in the social sciences. It reflects upon the importance of sporting mega-events for public diplomacy, and considers what the 2018 World Cup can tell us about the current condition of Russian society and the Russian state. This is fascinating reading for anybody with an interest in soccer, sport and society, Russia, international politics, events, or post-Soviet societies.

Internet Science Svetlana S. Bodrunova,2018-10-17 This book constitutes the proceedings of the 5th International Conference on Internet Science held in St. Petersburg, Russia, in October 2018. The 23 papers presented were carefully reviewed and selected for inclusion in this volume. They were organized in topical sections named: risks on the Internet: detecting harmful content and discussing regulation; methodologies for studies of online audiences; and online media and public issues.

Remedies against the Pandemic Nadine Thielemann,Daniel Weiss,2023-07-15 The present volume offers a fresh perspective on political top-down crisis communication across several countries during the first two years of the COVID-19 pandemic. This includes how leaders address the growing awareness of the dangerous impact of social restrictions, along with the controversies surrounding the first vaccination campaigns. Not limited to the Western world, it also offers insights from six East European countries, Uganda, India, and Palestine. Topics discussed range from inconsistent communication patterns to populist xenophobic accents, propagandistic campaigns on vaccines, the impact of authoritarian systems on crisis communication, the contrast between scientific and African folk medicine, and the use of war metaphors. By adopting a comparative perspective, this volume contributes to the growing body of literature on crisis communication during the pandemic, while highlighting important issues and perspectives that have yet to be extensively explored. Moreover, it aims to bridge the gap between linguistic and communication research on leadership communication during times of crisis, stimulating an interdisciplinary dialogue.

Guinness World Records 2016 Guinness World Records,2015-09-01 The world's best-selling annual is back and bursting with thousands of amazing new records, never-before-seen images and mind-boggling trivia. So, get ready for your yearly dose of mind-blowing feats and wonders in Guinness World Records 2016 - the global authority on record-breaking.

The Geopolitical Economy of Sport Simon Chadwick,Paul Widdop,Michael M. Goldman,2023-06-06 This is the first book to define and explore the geopolitical economy of sport - the intersection of power, politics, money, and state interests that both exploit and shape elite sport around the world. Russia's invasion of Ukraine, the global response, and the consequent ramifications for sport have put the geopolitical economy of sport front and centre in both public debate and academic thinking. Similarly, the Winter Olympics in Beijing and the FIFA World Cup in Qatar illustrate the political, economic, and geographic imperatives that shape modern sport. This book brings together studies from around the world to describe this

new geopolitical economy of sport, from the way in which countries use natural resource revenues, accusations of sport washing, and the deployment of sport for soft power purposes, to the way in which sport has become a focus for industrial development. This book looks at the geopolitical economy of sport across the globe, from the Gulf States' interests in European soccer to Israel seeking to build a national competitive advantage by positioning itself as a global sports tech start-up hub, and the United States continuing to extend its economic and cultural influence through geopolitical sport activities in Africa, Latin America, and the Indian subcontinent. This book captures a pivotal moment in the history of sport and sport business. This is essential reading for any student, researcher, practitioner, or policymaker with an interest in sport business, the politics of sport, geopolitics, soft power, diplomacy, international relations, or international political economy.

Оценка стоимости футбольных клубов и больших спортивных арен. Монография Солнцев И.В., 2016-02-24 В этой работе рассмотрено три блока вопросов, связанных с оценкой бизнеса, активов и экономического эффекта для проектов, реализуемых в сфере спорта. Учитывая тот факт, что футбол был и пока все же остается самым популярным видом спорта в России, объектом исследования будут выступать футбольные клубы и стадионы, а в рамках оценки экономического эффекта – проведение в России чемпионата мира по футболу – 2018. Работа структурирована следующим образом: вначале футбольный клуб рассмотрен как субъект экономической деятельности, проанализированы источники его дохода и структура затрат. Далее последовательно рассмотрены три подхода к оценке футбольного клуба – доходный, сравнительный и затратный. Среди прочего представлены особенности расчета ставки дисконтирования в оценке футбольного клуба. Затем будут проанализированы особенности футбольного стадиона как объекта оценки, рассмотрены ключевые факторы, формирующие его стоимость, требования к футбольным аренам, и, наконец, по аналогии с футбольными клубами – подробно рассмотрено применение трех подходов к оценке футбольного стадиона. Отдельно представлены подходы к оценке инвестиционных проектов в футболе. Наконец, в части оценки экономического эффекта будут идентифицированы факторы, определяющие эффективность организации и проведения крупных спортивных соревнований; рассмотрены существующие методики и подходы к оценке эффективности организации и проведения крупных спортивных событий, в том числе макроэкономический анализ, анализ ex-ante и ex-post, концепция «готовности платить» (willingness to pay); все рассмотренные подходы апробированы на примере чемпионата мира по футболу – 2018. Все теоретические аспекты, затрагиваемые в этой работе, проиллюстрированы современными примерами из западной и российской практики, а там, где это было возможно, – соответствующими расчетами. Работа может представлять интерес как для футбольных менеджеров, управляющих клубами и/или стадионами, так и для студентов, изучающих спортивный менеджмент и стремящихся реализовать свои навыки и амбиции в современном футболе.

Финансы в футболе. 2-е издание. Учебник Солнцев И.В., 2019-05-13 В данном учебнике рассмотрены наиболее важные аспекты финансовой работы футбольных клубов: бухгалтерская отчетность футбольного клуба, ее специфические статьи и порядок отражения операций в учете; структура доходов и расходов; инструменты финансирования, используемые в футболе (кредиты, облигации, выход на IPO); налоговые вопросы; анализ финансовых отчетов футбольных клубов, перечень показателей, характеризующих эффективность их деятельности; бюджетирование в футболе; ценообразование: подходы к формированию стоимости трансферных контрактов игроков и билетных программ; показатели, используемые для анализа инвестиционных проектов в футболе; подходы к оценке стоимости футбольного клуба; экономика футбольных стадионов и оценка их стоимости. Несмотря на то, что учебник посвящен футболу, многие рассмотренные вопросы могут быть актуальны и для других командных видов спорта. Книга пригодится студентам, изучающим спортивный менеджмент, специалистам спортивных клубов, лиг и федераций. Учебник предназначен для подготовки бакалавров (направление 380302) и магистров (направление 380402) по направлению «Менеджмент в спорте» в рамках дисциплин «Финансы спортивных организаций», «Инвестиционная деятельность в спорте», «Оценка стоимости спортивных клубов».

Nicht standardisierte Orthographie im russischen Internet Jochen Podelo, 2018-09-12

ГОЛ! Большая энциклопедия российского футбола, 2017-08-17 Олимпийское золото Мельбурна-1956 и Сеула-1988, кубок чемпионата Европы 1960 года, серебро двух континентальных первенств и бронза-2008, «Золотой мяч» Льва Яшина и победы над «Барселоной», «Баварией», сборной Нидерландов. От Георгия Дюперрона и легендарных братьев Старостиных до технаря Аршавина и «монстра во плоти» Халка, от рождения «Спартака» и «Динамо» до чемпионата мира – все значимые эпизоды нашей футбольной истории нашли отражение в энциклопедии, которую вы держите в руках.

Философия Понуждаев Э. А., Иванов В. Н., Мирошниченко Л. Н., 2019-06-01 Как известно, термин «философия» имеет древнегреческое происхождение и означает буквально «любовь к мудрости» (φιλεῖν — любить, σοφία — мудрость). Философия — это форма общественного сознания и познания мира, нацеленная на систематизацию знаний о первоосновах и фундаментальных принципах человеческого бытия, о наиболее общих сущностных характеристиках человеческого отношения к природе, социуму и духовности. Вместе с тем, философское мировоззрение как специфическое знание и познание не является вотчиной только избранных — «яйцеголовых» — индивидов, кабинетных учёных. Сегодня образованный человек, а в первую очередь управленец, обязан быть философом, пусть и в ранге любителя. Постижение сущности мироздания, закономерностей исторического процесса, диалектики прошлого и настоящего на основе сопоставления идейного наследия плеяды выдающихся мыслителей от Гераклита, Платона и Аристотеля до Карла Ясперса, Эриха Фромма и Александра Солженицына, — таков магистральный путь самосовершенствования личности и гармоничного развития общества. Для студентов бакалаврита, обучающихся по направлениям подготовки 38.03.01 «Экономика» и 38.03.02 «Менеджмент». Текст приводится в авторской редакции.

Цитатник мудреца Адиль-Ер Токтар, 2022-05-15 Типичный отличник Али находит старую книгу, автор которой неизвестен, и начинает ее читать, чтобы произвести впечатление на свою возлюбленную. Однако любовь к спорту и обет, данный своему дедушке, открывают в юном Али совсем новые способности, которые помогут ему выбрать свой собственный жизненный маршрут. Стали бы вы читать книгу неизвестного автора? А если этим автором являетесь сами вы из будущего?

«Спартак». Хроники возрождения». Книга третья. 1978 год. Возвращение Олег Медведев, 2021-05-30 Третья книга четырехтомника «Спартак». Хроники возрождения», посвященного самому, вероятно, драматичному и романтическому периоду в истории московского «Спартака» – с 1976 по 1979 год. Этот короткий отрезок времени вмести в себя падение и возрождение популярной футбольной команды, про которую с болью говорили, что она умирает на наших глазах, и которую скоро назовут «глотком свежего воздуха» в атмосфере футбола тех лет. Книга третья – «Возвращение» – рассказывает о трудном становлении и утверждении команды, вернувшейся в 1978 году в число сильнейших клубов страны. Долгое время казалось, что «Спартаку» уготовано новое падение в первую лигу, но молодая, азартная, амбициозная команда выстояла, заставила с собой считаться и одолела новую ступень в своем восхождении к вершине. Книга включает в себя тысячи свидетельств очевидцев и участников тех событий, уникальные архивные и фотоматериалы.

Championat Com Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public

domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Championat Com free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Championat Com free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Championat Com free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Championat Com. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Championat Com any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Championat Com Books

What is a Championat Com PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Championat Com PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Championat Com PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Championat Com PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe

Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Championat Com PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
