Anna Granger discusses buying and selling real estate in the South Charlotte area, a large, popular area with lots of shopping and a wide variety of residential neighborhoods. **Mobile Home Tycoon** RJ Salerno, 2018-04-21 **MAKE A FORTUNE INVESTING IN MOBILE HOMES** This is an A to Z; beginners guide into the world of mobile home real estate investing and untapped opportunities unknown to the seasoned real estate investor. There are many valuable tips and examples to put you on your way to begin amassing your own real estate empire. I will walk you through on how to find your very 1st mobile home deal and on how to begin cash flowing immediately on your new investment. Some years ago, I was introduced to the world of real estate investing. Like most that are in the investment world, there are many aspects of real estate investing I had to learn. Most investors that I knew stayed away from mobile homes. Mostly what I was told was of the pitfalls and investment failures when investing in mobile homes. Since then what I have found are a very small margin of real estate investors in this world of mobile home investing and they are making a fortune. What this means to you is a huge opportunity to capitalize on a wide-open market. Most of what I have learned has been by trial and error since there are very few books or courses on the matter. Mobile home parks might not be viewed as such an attractive investment to add to your portfolio at first glance, but when you look into the consistency of tenancies and the income you can generate, they can potentially be an attractive real estate investment.

**Mobile Home Wealth** Zalman Velvel, 2013-05-02 For years, mobile homes have been the butt of jokes—and definitely under the radar of most real estate investors. The author begins by presenting the basic principles and practices of real estate investing. He then applies these principles to mobile homes, covering every step of the investment process from choosing a home to financing the purchase, negotiating the price, improving the property, and selling or renting for maximum gains. Whether you are looking for a smart addition to your portfolio or searching for a new and different business, this book will forever change the way you view mobile homes.

**Florida's Snowbirds** Godefroy Desrosiers-Lauzon,2011 Every year when the temperature drops below freezing, countless people do as the thermometers do - head south. Since the end of the Second World War, Florida has been one of the most desired vacation and retirement destinations for generations of snowbirds.Florida's Snowbirdsexamines the effects of the seasonal migration, not only for travellers but also for local Floridians. Developing numerous themes, including leisure, state-promoted tourism, citizenship, and business investment, Godefroy Desrosiers-Lauzon considers advertisements, movies, policymakers, and the behaviour of snowbirds in Florida to provide the most thorough study of the vacation state to date. He also looks at the temporary communities of Canadians, Québécois, New Englanders, and Mid- Westerners that develop, showing how they blur the lines that usually divide national and regional identities, and youth and age. An insightful work full of amusing details,Florida's Snowbirdspieces together a complete cultural atlas of Florida Snowbirds that goes far beyond the familiar postcards they send home
