The Best Camera Is The One That's With You Chase Jarvis, 2009-09-18 A beacon of creativity with boundless energy, Chase Jarvis is well known as a visionary photographer, director, and social artist. In *The Best Camera Is The One That's With You*, Chase reimagines, examines, and redefines the intersection of art and popular culture through images shot with his iPhone. The pictures in the book, all taken with Chase's iPhone, make up a visual notebook—a photographic journal—from the past year of his life. The book is full of visually-rich iPhone photos and peppered with inspiring anecdotes. Two megapixels at a time, these images have been gathered and bound into a book that represents a stake in the ground. With it, Chase underscores the idea that an image can come from any camera, even a mobile phone. As Chase writes, "Inherently, we all know that an image isn't measured by its resolution, dynamic range, or anything technical. It's measured by the simple—sometimes profound, other times absurd or humorous or whimsical—effect that it can have upon us. If you can see it, it can move you." This book is geared to inspire everyone, regardless of their level of photography knowledge, that you can capture moments and share them with our friends, families, loved ones, or the world at the press of a button. Readers of *The Best Camera Is The One That's With You* will also enjoy the iPhone application Chase Jarvis created in conjunction with this book, appropriately named Best Camera. Best Camera has a unique set of filters and effects that can be applied at the touch of a button. Stack them. Mix them. Remix them. Best Camera also allows you to share directly to a host of social marketing sites via www.thebestcamera.com, a new online community that allows you to contribute to a living, breathing gallery of the best iPhone photography from around the globe. Together, the book, app, and website, represent a first-of-its-kind ecosystem dedicated to encouraging creativity through picture taking with the camera

that you already have. The Best Camera Is The One That's With You—shoot!

Emperor's World James William "Bill" Gibson, William "Bi James William "Bill" Gibson, 2009-10 Emperor's World is the story a stallion and a herd of mares that he rustled from ranches in Colorado. He leads his herd up into the rugged mountain valleys of western Colorado. The herd affects many people who come into contact with the horses. An old Indian eventually affects all the peoples' lives even more profoundly than the horses. Three young couples, and their parents' lives, are followed as the youngsters mature from teenagers to adulthood all affected by the horses in the hills. There are light and happy moments during their carefree years as well as more serious consequences. One girl miraculously recovers from a near death accident. Th e Angel that brought the miracle had also had

contact with the herd. A kidnapping and a murder are also caused by the herd of horses' presence. This crime leads to an investigation that has several unexpected turns. A dangerous high speed pursuit leads to the end of the criminal acts and a tragedy for two families. Emperor's World has two parallel paths. One tells about the horses and their lives up in the mountains. The second path is about all the people involved. The story merges the two paths into one. Emperor's World is an entertaining and easy read. The story orchestrates all the human emotions; love, hate, greed, happiness, with large choruses of humor, smiles, and tears.
