Every summer he flies to the Caribbean, catching up with his wild and crazy friends, including, his 'on again and off again' girlfriend named sexy-D. This one particular summer, half way to the Bahamas, he discovers a stowaway aboard his plane. Afraid that someone is trying to shanghai his plane he retaliates, only to find a sixteen year old runaway aboard. Frustrated, with no desire of turning back, Captain decides to take the kid under his wing and teach him the ropes. The kid inherits the name Tex and the two develop a friendship. Willingly, Tex is thrust into the wild side of the crazy Caribbean, zany over the top characters and has a crash course living a pirate's life where he discovers an irresistible gumbo of fast boats, fast planes, bandits, pirates, Rock-n-Roll and hot girls. *Chasing the Moon* A. Lee Martinez,2011-05-25 Unspeakable horrors threaten the earth in this fantastic new comic fantasy from the author of Divine Misfortune. Diana's life was in a rut -- she hated her job, she was perpetually single, and she needed a place to live. But then the perfect apartment came along. It seemed too good to be true -- because it was. The apartment was already inhabited -- by monsters. Vom the Hungering was the first to greet Diana and to warn her that his sole purpose in life was to eat everything in his path. This poses a problem for Diana since she's in his path. . .and is forbidden from ever leaving the apartment. It turns out though that there are older and more ancient monstrous entities afoot -- ones who want to devour the moon and destroy the world as we know it. Can Diana, Vom, and the other horrors stop this from happening? Maybe if they can get Vom to stop eating everything. . .and everyone.
