The Chat Room Troy Edward Veenstra,2008-05 It was then that he heard it. A high-pitched squealing voice echoing through the front door to his apartment, TIMMY... TIMMY... TIMMY, he heard. He had a very good feeling that this would be his new beginning and that this woman would save him from the man he had become. He had bet his life on it. John knew that he was trapped in an abusive marriage with his wife Heather, but he never expected what Heather would do to him or his kids for a chat room lover. When her lover ends the relationship, Heather inadvertently starts John's life in a direction he never would have fathomed. If only John had the gumption to do something about their problems sooner, his life might have turned out in a way he could be proud of instead of the misery that it had turned into. In an effort to do for others what he could never do for himself, John takes action and distributes his own brand of justice, but his chosen path constantly torments him. After a series of disturbing yet fulfilling events, John readies himself to end this chapter of his life. He begins searching for the one person that will finally extinguish his rage and free him from the man he has become. Chat Room Wind-Ups Stuart McLean,2009-04-23 At any point in time there are six million people watching football, eight million having sex, 87 million watching TV and a staggering 112 million talking via online chat rooms. And what are all these people chatting about? Mainly football, TV and sex. In chat rooms you will find a wonderful mix of people from around the world - some are disgustingly rich whilst others are unimaginably poor, some can be irritatingly intelligent but most are so intellectually challenged that they dribble over their keyboards. This creates a fantastic arena for some amusing wind-ups - simply enter a chat room, make a few ridiculous comments and see who takes the bait. This hilarious book is the result of hours upon hours spent in chat rooms taking the mick out of the more gullible chatties (people who frequent chat rooms and other interactive sites) - those who believe everything they come across on the internet, no matter how bizarre. e;Chatroom Wind-Upse; is split into two parts. The first deals with chat rooms whilst the second deals with that other internet phenomenon - sites where you can pose a question and anyone who wants to can submit an answer. Another great opportunity for some fun!
