The Cheat Code Brian Wong, 2016-09-06 Have you ever noticed that there are certain people who seem to get ahead just a bit faster than everyone else? You know, the types who always seem to be a bit ahead of the curve, to get noticed a bit more, and to achieve their goals a bit more quickly than the rest of the pack? And have you ever noticed how much this small edge can matter, and the outsized impact it can have on the trajectory of their careers? Twenty-four year old entrepreneur Brian Wong is one of these people, having graduated from college by age 18, having raised \$24 million in venture capital to start his own company before he turned 25, and having grown that company into a global mobile advertising giant in just 4 years. His secret? The Cheat Code. Wong believes that most people -- even creative people -- have a tendency to follow a script; to do things the way others do them simply because that way works. But therein lies the secret at the heart of the Cheat Code: anyone can

easily shortcut his or her way to success, simply by going slightly off script; by doing things just a little differently from everyone else. Here, Wong unlocks the power of the Cheat Code through 71 bite-sized and virtually effortless short-cuts to get a leg up on the competition, garner attention for ourselves and our ideas, and accelerate our success. For example: Cheat #7: Don't Ask – Announce Cheat #16: Know Your Superpower! Cheat #32: Make Boldness Your Genius Cheat #47: Know Who's the Boss Cheat #49: Get a Trademark Haircut Cheat #51: Use Exclamation Points Cheat #55: Focus on What Won't Change Cheat #71: Imagine, What If? No matter where you aspire to go in your life or career, THE CHEAT CODE will help get you there - faster.

It was supposed to be one night, but one night is all it

takes to make everything more complicated, and they only have nine short months to sort it all out.No, none of it mattered. Until it did.

THE HIGH AUCTION Misba,2021-09-26 In the near future, a machinist, a monk, and a mesmerizer are looking for the Source of the universe, but among the ancient scriptures, they only find the devil ... Few humans in the future find the secrets of what words and sounds can do, for the Apocalypse and war have led them to evolve in mind and physique. Two of them end World War III with just a four-minute speech. Some say they did mass hypnosis. Others say it was their voice and will. Fifty years later in South Asia, KUSHA, a twenty-three-year-old machine-geek with social awkwardness and amnesia, tries to get the Devil's Book with secrets of voice. But her idol of voice and everyone's beloved war heroes, YUAN and RUEM, are also after it for power. In a society that worships the evolved High Grades with voice, how you speak and which words you talk with is important. As someone who finds all solutions in books, Kusha thinks the secrets in the three-foot-long ancient book will teach her to speak mesmerizingly. She believes it will help her evolve. So, she decides to attend

the auction where the book will be sold. But there's a problem; powerful High Grades want the book too. They want to code fate, rewriting the material world. They are undead, immortal mesmerizers. And being a philosopher, Kusha admires their ethics while she must fight them—the fight that starts with the book. The fight creates a chain reaction leading her to an epic journey. The Cheat Sheet Sarah Adams, 2022-04-26 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to

Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan’s publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. Cheat(er) Code S.A. Foxe, 2020-09-22 An erotic graphic novel that pushes all the right buttons, Cheat(er) Code is a hilarious, sexy, and surprisingly tender story about navigating heartbreak and rediscovering your own confidence. Kennedy and his boyfriend Seth have been together six years, and honestly, it's pretty comfortable. That is, until the couple gets into a huge, potentially relationship-changing fight. Kennedy turns to his trusty video games to distract himself, but when a random power surge hits, he's transported inside his video game library. Dazed and incredulous about his digital

predicament, Ken finds himself seduced by a silver daddy, rutting with a couple of barbarians from an epic fantasy, and sorting through a lot of confusing feelings about his favorite anthropomorphic cheetah character. Kennedy will need to confront his biggest fears to get back to reality before the game glitches him out of existence, but sometimes, the unexpected (and unexpectedly sexy) is just what you need to hit the reset button. Hilarious and heartwarming, it's an absolute must for your favorite gaymer and an incredible read for anyone who's ever console-d themselves through a heartbreak.” —Tini Howard
