**The State of Affairs** Esther Perel, 2017-10-10 A fresh look at infidelity, broadening the focus from the havoc it wreaks within a committed relationship to consider also why people do it, what it means to them, and why breaking up is the expected response to duplicity — but not necessarily the wisest one." — LA Review of Books From iconic couples' therapist and bestselling author of *Mating in Captivity* comes a provocative and controversial look at infidelity with practical, honest, and empathetic advice for how to move beyond it. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us

up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel observes, “Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart.”

**Getting Over An Affair** Rebekah Clarke, 2021-03-18 The pain of being cheated on is an emotional trauma that's incredibly difficult to endure, let alone heal from. The shattering realisation that your partner has strayed and given themselves to another is heartbreaking. You think your life is over, you doubt you'll ever be happy again and you just want things to go back to how they were before. Perhaps you wish you could go back in time and do something - anything - to stop the affair ever taking place. Maybe you're praying that you'll wake up one day and this is all one big horrible nightmare. The dark, painful feelings that we have to endure after discovering we've been cheated on are some of the worst days we'll ever have to make it through. I know what you're going through because I've also suffered the heartbreak of infidelity - but I also know what it feels like to come out of the other side. From suffering a breakdown and neglecting myself and those around me to now thriving and able to trust again, I know you can bounce back from this traumatic time. This book won't offer judgement - I'm not here to tell you to leave the relationship nor am I an advocate for you to stay - but it will offer you the tools you need to heal. I'll offer you my thoughts and advice based on my experiences, and I'll give you a little glimpse of the pain I endured, too. Throughout this book, I'll cover the following: • Why did your spouse cheat? • The nasty effects a cheating spouse has on us. • Coping strategies after discovering the infidelity. • Building up your sense of worth. • A non-judgemental commentary about the should I leave the relationship or not question you may be pondering. • How to trust a new partner. This book began as a little project for a website I was writing for, but as time went on I decided it served best as a series of books. I read a ton of books when recovering from the heartache of being cheated on, and to offer that same kind of comfort and actionable advice to someone who's in the same position as I was is amazing to me. I hope this book series serves its purpose - to help you heal and to inspire you to know your worth.

**The Script** Elizabeth Landers, Vicky Mainzer, 2005-04-27 You've heard it before: Your friend's

husband is acting distant, and she blames herself. Rumor starts to spread that he's running around with his secretary, and still your friend doesn't see. Then he drops the Bomb, moves out-and is soon happily remarried to his mistress. How could your friend have been so blind? That could never happen to you. Statistics show that 35% of husbands cheat on their wives. In *The Script*, Elizabeth Landers and Vicky Mainzer take readers through the standard lines that have been used by hundreds of unfaithful husbands. **Leave a Cheater, Gain a Life** Tracy Schorn, 2016-05-10 *Leave a Cheater, Gain a Life* is a no-nonsense self-help guide for anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity—but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters—their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, *Leave a Cheater, Gain a Life* offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh\*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

**Questions To Ask A Cheater** Rebekah Clarke, 2021-03-24 Talking to your partner after they've cheated is undeniably one of the toughest conversations you'll ever have with them. You'll be bubbling over with a ton of emotions - anger, upset and frustration. The cheating partner will also have their own emotions to deal with - dread, uncertainty and the shame of their actions. The aftermath of cheating always leads to The Conversation, where the hurt party asks their partner all of the questions about the affair they have bottled up. The cheater will be asked to answer difficult questions and confess some hurtful things to their partner, which is easier said than done. Does this situation sound similar to the one you've found yourself in? Although you may find yourself simmering with an abundance of questions for your partner, they don't always come out the way you want or need them to; your anger and hurt take over and what should be an open communication turns into an argument. I was in the same situation not too long ago, and my rage and hurt would always get in the way of an open and honest discussion with my partner about his infidelity. This stopped me from being able to get the closure I needed so badly. Couple this with my emotions clouding my ability to know what questions to ask and how to ask them, I was in a cycle of heartache and confusion. Through trial and error, I had the breakthrough with my partner and compiled my findings in this book. I've included four parts: Part One: Questions To Ask Your Partner To Understand Their Behaviour Part Two: Questions To Ask To Rebuild Trust With Your Partner Part Three: Questions To Ask A Cheating Partner Or Ex To Gain Closure Part Four: A Chapter For The Cheater: Understand Your Behaviour, Comprehend The Damage It's Caused & Nurture Forgiveness In Your Relationship This book is for you if you've been cheated on and need answers. It's also a way to find comfort in the knowledge that someone has been in the same position you're in and has been through the same heartache as you've endured. Straight to the point, no fluff or filler, this book will aid you in getting the answers you need, help you rebuild honest communication with your partner

and inspire you to seek the respect you deserve.
