Questions To Ask A Cheater Rebekah Clarke, 2021-03-24 Talking to your partner after they've cheated is undeniably one of the toughest conversations you'll ever have with them. You'll be bubbling over with a ton of emotions - anger, upset and frustration. The cheating partner will also have their own emotions to deal with - dread, uncertainty and the shame of their actions. The aftermath of cheating always leads to The Conversation, where the hurt party asks their partner all of the questions about the affair they have bottled up. The cheater will be asked to answer difficult questions and confess some hurtful things to their partner, which is easier said than done. Does this situation sound similar to the one you've found yourself in? Although you may find yourself simmering with an abundance of questions for your partner, they don't always come out the way you want or need them to; your anger and hurt take over and what should be an open communication turns into an argument. I was in the same situation not too long ago, and my rage and hurt would always get in the way of an open and honest discussion with my partner about his infidelity. This stopped me from being able to get the closure I needed so badly. Couple this with my emotions clouding my ability to know what questions to ask and how to ask them, I was in a cycle of heartache and confusion. Through trial and error, I had the breakthrough with my partner and compiled my findings in this book. I've included four parts: Part One: Questions To Ask Your Partner To Understand Their Behaviour Part Two: Questions To Ask To Rebuild Trust With Your Partner Part Three: Questions To Ask A Cheating Partner Or Ex To Gain Closure Part Four: A Chapter For The Cheater: Understand Your Behaviour, Comprehend The Damage It's Caused & Nurture Forgiveness In Your Relationship This book is for you if you've been cheated on and need answers. It's also a way to find comfort in the knowledge that someone has been in the same position you're in and has been through the same heartache as you've endured. Straight to the point, no fluff or filler, this book will aid you in getting the answers you need, help you rebuild honest communication with your partner and inspire you to seek the respect you deserve.

Leave a Cheater, Gain a Life Tracy Schorn, 2016-05-10 Leave a Cheater, Gain a Life is a no-nonsense self-help guide for anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity—but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters—their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, Leave a Cheater, Gain a Life offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

Getting Over An Affair Rebekah Clarke, 2021-03-18 The pain of being cheated on is an emotional trauma that's incredibly difficult to endure, let alone heal from. The shattering realisation that your partner has strayed and given themselves to another is heartbreaking. You think your life is over, you doubt you'll ever be happy again and you just want things to go back to how they were before. Perhaps you wish you could go back in time and do

something - anything - to stop the affair ever taking place. Maybe you're praying that you'll wake up one day and this is all one big horrible nightmare. The dark, painful feelings that we have to endure after discovering we've been cheated on are some of the worst days we'll ever have to make it through. I know what you're going through because I've also suffered the heartbreak of infidelity - but I also know what it feels like to come out of the other side. From suffering a breakdown and neglecting myself and those around me to now thriving and able to trust again, I know you can bounce back from this traumatic time. This book won't offer judgement - I'm not here to tell you to leave the relationship nor am I an advocate for you to stay - but it will offer you the tools you need to heal. I'll offer you my thoughts and advice based on my experiences, and I'll give you a little glimpse of the pain I endured, too. Throughout this book, I'll cover the following: • Why did your spouse cheat? • The nasty effects a cheating spouse has on us. • Coping strategies after discovering the infidelity. • Building up your sense of worth. • A non-judgemental commentary about the should I leave the relationship or not question you may be pondering. • How to trust a new partner. This book began as a little project for a website I was writing for, but as time went on I decided it served best as a series of books. I read a ton of books when recovering from the heartache of being cheated on, and to offer that same kind of comfort and actionable advice to someone who's in the same position as I was is amazing to me. I hope this book series serves its purpose - to help you heal and to inspire you to know your worth.

The Deception and Betrayal Caused by a Cheating Spouse Stephenie Pompano, 2010-07 New relationships, marriages, and courtships are usually fun and exciting until something goes wrong. Being personally violated by a loved one is one of the deepest wounds to be cut with. You believe something like this will never happen to you until it does. Please learn that if you are the individual who has been violated, you did nothing wrong. When an affair develops those involved may use excuses and untruths to validate their actions. Also, if exposed or confronted some may not want to be held accountable for their behavior or pay any consequences. This is not in every case that is why I am saying only some. Violated relationships can either dissolve permanently or can mend over time. For those that mend it takes a lot of time, patience and understanding. Broken trust is the hardest aspect to earn again. A very important lesson I am hoping to teach my readers is if you are in a relationship with someone and are tempted to be with someone else, you end the relationship you are currently in and then move on. You have no right to cheat and hurt another human being.

Riding the Wave of the Sting of Infidelity in a Marriage Dr Anniekie Ravhudzulo, 2012-01-23 Marriage is under tremendous assault as never before. Will marriage survive? Can it survive? Infidelity is exploding, but why? In most cultures, infidelity has become a major part of entertainment. We all see it in popular television programs and movies. Infidelity to some is enjoyment and pleasure. Some men think if they are not slipping and cheating they are not being real men. Some individuals grew up in environments where cheating is a way of life. Some women think life is boring without the excitement of an outside affair. In spite of the reasons, God to His creation says No to infidelity. Become the good husband or wife you would like your spouse to be. Life has taught me that men and women get involved in an extramarital affair for many different reasons. Sometimes when you are unsatisfied with your relationship you start to think "What is available out there?" In a way it is an escape, people feel like they want to be out from the burden in their marriages. "Grass is greener on the other side" and so it seems. I have seen many starting to flirt with others, innocently at first. They start to THINK of "what ifs" situations such as "what if I'm married to this friend of mine?" Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis. Let me remind you that trust is like a balloon. One pricks it, is gone! The fear of broken promises, cheating or betrayal can reduce the quality of your marriage. Marriage is a challenging enterprise that requires hard work, determination and discipline. Creating a strong and satisfying marriage is possible, and it is definitely worth the effort! Recovery after infidelity is not an easy path, but if others could pull through, so can you!
