The Toilet Book: What Goes In Matters Charles Austin, 2015-06-15 The Toilet Book attempts to shed light on a topic that most people are too embarrassed to discuss, bowel movements and urination. The book bridges the gap between going to the restroom and good health. It describes all the different colors, smells, looks, and shapes they may see after using the restroom. The book also describes exactly what each color, smell, shape, look, etc. means as it relates to human health. The Toilet Book gives readers information what type of behavior causes unhealthy urinary and digestive systems. It also provides easy steps to take towards improving both systems. Since the topic of discussion can be a bit intimidating or embarrassing to some, the book attempts as much humor as possible. The chapter titles are creative and there is just the right mix of playfulness mixed in with a topic that is more serious than some tend to realize. Overall, after a reader has finished this book they should have an understanding of how things we eat and drink get from plates and cups all the way to the toilet. We should also understand that what shows up in the toilet after using the restroom can tell all lot about one's health. Lastly, they will also understand how the toilet and using the rest room is related to weight loss, cancer, and high cholesterol. The Toilet Book's sole purpose is to remove the embarrassment behind discussing words like bowel movement, defecation, feces, poop, pee, urination, #1 and #2 while educating in a fun way at the same time. I hope readers will gain insight on their current health behavior and make changes if needed to improve their overall health Keywords: Health, Nutrition, Wellness, Fitness, Bowel Movement, Urination, Toilet, Weight Loss, Food

A Bathroom Book for People Not Pooping or Peeing but Using the Bathroom as an Escape Joe Pera, 2021-11-16 A USA TODAY BESTSELLER! The cozy comedy of Joe Pera meets the darkly playful illustrations of Joe Bennett in *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape*, a funny, warm, and sincere guide to regaining calm and confidence when you're hiding in the bathroom. "Nothing says 'class' to your dinner guests more than a Joe Pera book next to the can." —Seth Meyers Joe Pera goes to the bathroom a lot. And his friend, Joe Bennett, does too. They both have small

bladders but more often it's just to get a moment of quiet, a break from work, or because it's the only way they know how to politely end conversations. So they created a functional meditative guide to help people who suffer from social anxiety and deal with it in this very particular way. Although, it's a comedic book, the goal is to help these readers: 1. Relax 2. Recharge 3. Rejoin the world outside of the bathroom It's also fun entertainment for people simply hiding in the bathroom to avoid doing work. A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape will be waiting in the bathroom like a beacon for anxious readers looking to feel calm, confident, and less alone. "Nothing says 'class' to your dinner guests more than a Joe Pera book next to the can." —Seth Meyers "A beautiful and funny book about something I have done all my life. Thank you, Mr. Joseph Pera." —Aidy Bryant At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
