Check Me Out Becca Wilhite,2019 Greta loves her job as assistant librarian. She loves her best friend, Will, the high school civics teacher and debate coach. Then she meets Mac in the poetry section of the library, and she's smitten. Mac is heart-stoppingly gorgeous and showers her with affection and poetic text messages. But he seems different in texts than face-to-face. When the library is threatened with closure, Greta leaps into action. She arranges a battle of the bands book jam, hosts a book signing by a famous author, and stages a protest. Soon she realizes that it's Will, not Mac, she turns to for support and encouragement. Mac has the looks; Will has the heart. How can she choose?

The Girl in the Mirror Sheila Brooks,2014-10-27 Sheila did not have what many would consider an easy childhood, but through the love and care of her darling Granny Brooks, she learned perseverance and to have faith at a young age. In *The Girl in the Mirror*, Sheila invites you into her life journey from childhood to adulthood. She shares her experiences—good, bad, and somewhere in between—and how she thought of those occasions at the time, as a child, teenager, and adult. She also shares how she was able to change her perceptions of the bad experiences to help her to be a better person. Through it all, she remains adamant about not allowing unpleasant experiences to prevent her from being whole, healthy, and successful. Ultimately designed to prompt readers to look deeper into their own lives and experiences and look at them in a positive light, *The Girl in the Mirror* was created to inform, educate, and inspire all to become more conscious and to take a deeper look into their lives and the world they live in. Through Sheila's journeys, readers can draw insight and inspiration on how to take control of their lives and be the great people they were created to be. No matter what your challenges, the greatest victory is to rise above and claim your most satisfying life!
