Louisiana, Yesterday and Today John Wilds,Charles L. Dufour,Walter G. Cowan,1996-07-01 In Louisiana, Yesterday and Today, three veteran newspapermen examine the history and character of one of America's most remarkable states. This comprehensive, entertaining work will inform natives of their rich heritage and familiarize others with the many sources of Louisiana's special charm. In concise, thematic chapters, the authors discuss practically every aspect of Louisiana's history. They explore in depth many specific events and eras, including the Louisiana Purchase, the Battle of New Orleans, the Civil War and Reconstruction, and the rise of Huey P. Long. Illuminating Louisiana's wonderfully polyglot character, they trace the cultural milieu from earliest Indian days through the French and Spanish regimes into statehood. They tell of the pirate Jean Lafitte and the voodoo queen Marie Laveau, of the state's unique Cajun and Creole heritages, of the legendary red-light district of Storyville, and of the excitement and debauchery of Mardi Gras. As a bonus, the book provides an incisive look at the state's 64 parishes as it portrays Louisiana's history, population, economy, culture, and outstanding tourist attractions, evincing the diversity -- most notably between north and south -- that characterizes the state. An excellent guide for visitors who wish to learn about Louisiana's past as well as its present attractions, Louisiana, Yesterday and Today will also beckon natives to rediscover their heritage and the cultural wonderland that exists in their own backyard.

Louisiana Richard Bizier,1998-02-28 Louisiana presents an overview of the culture in the New World and Louisiana, including related literature, such as Longfellow's Evangeline. For the visitor, the state is divided into geographic regions such as New Orleans, the plantations, and Lafayette. For each area, tours, historic sites, and restaurants are described. The section on New Orleans celebrates the French Quarter and the local food and music. Outside of New Orleans are majestic plantations and beautiful bayous filled with cypress trees and hanging Spanish moss. Side trips from New Orleans allow visitors to sample some of the various musical tastes of the Bayou State. Zydeco music may be found in Lafayette, while Cajun music may be heard throughout the southern part of the state. Special features include information on consulates, tourist offices, banks and currency exchanges, and maps which, among other things, show distances between cities. With Louisiana , anyone can pass a good time and learn how to let the good times roll, or, as the Cajuns say rouler.

Business Travel Atlas American Map Corporation,2002 United States, Canada, Mexico. All new digitized maps. Detailed city _vicinity maps. Detailed downtown city street maps.
