The Chicken King Robbie Brown,2019-05-16 There was usually great peace at the top of Eagle Crest Mountain, that is until King Elijah eagle grew old and the wicked eagles took over! The wicked eagles heard the news that King Elijah eagle had a new eagle egg that was about to be hatched and would become the new king of eagles on Eagle Crest Mountain. The wicked eagles made war with the good eagles to try and find the egg to destroy it before it was hatched and made king. During the battle the eagle egg rolled down the mountain into a chicken coop. The eagle egg grew large and was hatched among the chickens. The wicked eagles thought they had gotten rid of the soon-coming king of eagles, but they were wrong! The eagle grew up among the chickens and had great love for them. He also thought he was just a big ugly chicken. He was in perfect training to become the new king of Eagle Crest Mountain and didn't know it. He fought off all the bullies in school who tried to mess with his chicken friends, until one day when one of the wicked eagles looked down and saw the chickens sporting. He realized that one of the chickens was actually an eagle. What happens next will amaze you!

Chicken A La King Heidi Jacobsen,2019-04-01 An Elvis Impersonator meets a farm girl from Iowa and takes on a fast food conglomerate in order to save the animals. Ali is a farm girl from Iowa who meets Scott, an Elvis impersonator from Las Vegas. They fall in love..... Sam Fullbein is known as the King Of Wings, a rich chicken mogul who will do everything to protect his secret recipe. His wife Mindy is a wealthy bored socialite, always in trouble with the paparazzi.... Mona Meredith is a sexy superstar devoted to saving chickens from the evil fast food conglomerate.... Scott and Ali take a trip across the country only to be followed by a private investigator as they battle against the evil fast food empire only to save a few chickens from their fate and discover each other. Ali strode past the lounge where an Elvis impersonator was crooning Suspicious Minds to a crowd of white haired ladies in bright leisure clothes. He had a head of thick black hair and was wearing a white jumpsuit with multi-colored rhinestones in the front, with a white cape flowing in back and white shoes. Scott Raymond was in his late thirties and had been impersonating Elvis all his life. It started back in the seventies when he would watch Elvis movies on TV and listen to The King's records. His dream was to become as rich and famous as the King. That dream was being fulfilled every day as he worked Vegas to crowds of seniors and die hard Elvis fans. Scott sang his heart out. We're caught in a trap, I can't walk out...Because I love you too much baby...Why can't you see, what you're doing to me...When you don't believe a word I say....We can't go on together, with suspicious minds....And we can't build our dreams...On suspicious minds.....

The Royal Chicken Patrick Mbu Arrey,2018-09-27 Meet Prince Tilily, the only illiterate prince in the universe. He eats chicken every day—one for breakfast, one for lunch, and another one for supper. But will he succeed to eat the royal chicken? Are you an advocate of animal rights? Can you support Princess Jenny in her campaign for the rights of chickens? Imagine a world without chicken. If the king is for you, who can be against you? So the chickens got their freedom due to the king's compassion for Princess Jenny. Incredible! This must be a dream—perhaps, a royal dream.

King Rooster and Little Chicken Les C. Newvine,2017-06-05 King Rooster and Little Chicken by Les C. Newvine King Rooster and Little Chicken uses an animal family to explore themes of perseverance, bullying, unconditional love, and forgiveness. Little Chicken experiences bullying and neglect from his father, King Rooster, and this children's book shows readers not to judge others by their appearance as it also teaches that just because you don't meet someone else's standards does not mean you can't be successful if you believe in yourself. The book touches on the isolation and loneliness that come from exclusion, just as it shows the courage it takes to stand up to people who have done us wrong.

The Homesick Texan Cookbook Lisa Fain,2011-11-29 When Lisa Fain, a seventh-generation Texan, moved to New York City, she missed the big sky, the bluebonnets in spring, Friday night football, and her family's farm. But most of all, she missed the foods she'd grown up with. After a fruitless search for tastes of Texas in New York City, Fain took matters into her own hands. She headed into the kitchen to cook for her friends the Tex-Mex, the chili, and the country comfort dishes that reminded her of home. From cheese enchiladas drowning in chili gravy to chicken-fried steak served with cream gravy on the side, from warm bowls of chile con queso to big pots of fiery chili made without beans, Fain re-created the wonderful tastes of Texas she'd always enjoyed at potlucks, church suppers, and backyard barbecues back home. In 2006, Fain started the blog Homesick Texan to share Texan food with fellow expatriates, and the site immediately connected with readers worldwide, Texan and non-Texan alike. Now, in her long-awaited first cookbook, Fain brings the comfort of Texan home cooking to you. Like Texas itself, the recipes in this book are varied and diverse, all filled with Fain's signature twists. There's Salpicón, a cool shredded beef salad found along the sunny border in El Paso; Soft Cheese Tacos, a creamy plate unique to Dallas; and Houston-Style Green Salsa, an avocado and tomatillo salsa that is smooth, refreshing, and bright. There are also nibbles, such as Chipotle Pimento Cheese and Tomatillo Jalapeno Jam; sweet endings, such as Coconut Tres Leches Cake and Mexican Chocolate Chewies; and fresh takes on Texan classics, such as Coffee-Chipotle Oven Brisket, Ancho Cream Corn, and Guajillo-Chile Fish Tacos. With more than 125 recipes, The Homesick Texan offers a true taste of the Lone Star State. So pull up a chair-everyone's welcome at the Texas table!

Albert Okura The Chicken Man AuthorHouse,2014-04-03 At a growth rate of baby chick to full adult in less than two months, chickens are one of the fastest growing food source known to man. It seems that chickens were put on earth to supply the world's population with eggs and meat. This book tells the story of Albert Okura's belief that his destiny in life is to sell more chickens than anyone else in the world. Although sounding preposterous at first glance, it needs to be noted that Colonel Sanders did not sell his first franchise until he was 60 years old. Albert was born in 1951 and grew up with the fledgling fast food industry. His first full time job was working at Burger King as a hamburger cook. Recognizing that mental toughness as well as the ability to train, develop, and motivate others was critical for long term success, Albert gravitated to those who inspired him. Lessons learned from life experiences helped him realize his destiny. In 1984, at the age of 32, Albert opened a rotisserie chicken restaurant with help from his uncle. Albert has become Southern California's foremost expert on mass producing, tender and moist rotisserie chickens. Juan Pollo is now poised to go into the bigtime. This is their story.

Squawk of the Were-Chicken Richard J. Kendrick,2017-06-22 Inspired by the wit and wisdom of Terry Pratchett, this clockpunk coming-of-age adventure is sure to delight anyone who loved The Amazing Maurice and His Educated Rodents, Equal Rites, or the Tiffany Aching series. Almost nothing interesting ever happens in Deidre's little village, outside of the occasional traveling merchant or troupe of players visiting the marketplace. So it's no wonder that she spends her every free moment designing and building outlandish contraptions, and then relying on her semi-autonomous tongue to get her out of trouble--or dig her in deeper--when the device inevitably slimes Momma with something. Then that self-proclaimed were-chicken hunter rode in. His tall tales of shape-shifting chicken-beasts cock-a-doodling at the moon were good for a laugh until it looked like they were true. Will Deidre be able to catch the monster before suspicions, accusations and eight feet of giant chicken tear her homeland apart? Survivor of the Immerse or Die challenge: Squawk of the Werechicken really was an easy book to fall for. It's very funny, with a trio of charming, precocious pre-teen protagonists, and a wry, thoroughly tongue-in-cheek tone. If you like humorous writing, buy Squawk of the Werechicken. If you like your kids, share it with them. -- Bryce Anderson, author of The Improbable Rise of Singularity Girl
