**(Im)mobile Homes** Earvin Charles B. Cabalquinto,2022 The home is at the forefront of rapid transformation brought upon the expansion of globalising economies, transnational migration, and the widespread uptake of ubiquitous digital communication technologies. This book unravels how geographically dispersed family members use smartphones, social media, and mobile applications in forging and sustaining long-distance relationships. It foregrounds the diverse, personalised, intimate, and creative mobile practices of fragmented family members in the conduct of everyday household interactions, festivities, homeland connections, and crisis management. On the one hand, mobile device use facilitates transnational connectivity, paving the way for enabling intimate ties, care expressions and homeland linkages. Yet, communicative tensions also arise when digital routines are shaped by familial norms and expectations, uneven financial conditions, asymmetrical technological access and capacities, and migration policies and processes. It is by deploying various strategies that transnational family members cope with an often unstable, unsettling, and ambivalent networked environment. Ultimately, this book provides a nuanced perspective on examining the mobilisation of a home from afar in the age of smartphones and mobile applications--

Cravings Chrissy Teigen,Adeena Sussman,2016-02-23 Maybe she's on a photo shoot in Zanzibar. Maybe she's making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and fun as sin (that's the food, but that's Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy Teigen, cooking, eating, life, and love are one and the same.

**Phil** Alan Shipnuck,2022-05-24 LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 'Terrific fun' David Walsh, Sunday Times \* \* 'Thoroughly engaging' Washington Post A frank and revealing biography of legendary golf champion Phil Mickelson - who has led a big, controversial life - as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw and unauthorised biography, Shipnuck captures a singular life defined by thrilling victories, crushing defeats and countless controversies. Mickelson is a multi-faceted character, and all his warring impulses are on display in these pages: he is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumours; a high-stakes gambler

who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, yet as Tiger's career has been curtailed by scandal, addiction and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck delivers numerous revelations, from the true scale of Mickelson's massive gambling losses to the secretive backstory of the Saudi golf league that Mickelson championed. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years - full of heart, humour and unexpected turns.
