American Royals Katharine McGee, 2020-05-05 NEW YORK TIMES BESTSELLING SERIES • What if America had a royal family? If you can't get enough of Harry and Meghan or Kate and William, meet American princesses Beatrice and Samantha. Crazy Rich Asians meets The Crown. Perfect for fans of Red, White, and Royal Blue and The Royal We! Two princesses vying for the ultimate crown. Two girls vying for the prince's heart. This is the story of the American royals. When America won the Revolutionary War, its people offered General George Washington a crown. Two and a half centuries later, the House of Washington still sits on the throne. Like most royal families, the Washingtons have an heir and a spare. A future monarch and a backup battery. Each child knows exactly what is expected of them. But these aren't just any royals. They're American. As Princess Beatrice gets closer to becoming America's first queen regnant, the duty she has embraced her entire life suddenly feels stifling. Nobody cares about the spare except when she's breaking the rules, so Princess Samantha doesn't care much about anything, either . . . except the one boy who is distinctly off-limits to her. And then there's Samantha's twin, Prince Jefferson. If he'd been born a generation earlier, he would have stood first in line for the throne, but the new laws of succession make him third. Most of America adores their devastatingly handsome prince . . . but two very different girls are vying to capture his heart. The duty. The intrigue. The Crown. New York Times bestselling author Katharine McGee imagines an alternate version of the modern world, one where the glittering age of monarchies has not yet faded--and where love is still powerful enough to change the course of history. The lives of the American royal family will hook you in the very first pages and never let go. Relatable, believable, fantastical, aspirational, and completely addictive. --Sara Shepard, #1 New York Times bestselling author of the *Pretty Little Liars* and *Perfectionists* series
Strategy and Strategists James Cunningham, Brian

Harney,2012-03-29 Importantly, this stimulating text:

It's Complicated Danah Boyd,2014-02-25 Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

Taiwan in Dynamic Transition Ryan Dunch,Ashley Esarey,2020-02-28 Following a remarkable transition from authoritarian rule to robust democracy, Taiwan has grown into a

prosperous but widely unrecognized nation-state for which no uncontested sovereign space exists. Increasingly vigorous assertions of Taiwanese identity expose the fragility of relationships between the United States and other great powers that assume Taiwan will eventually unite with China. Perhaps because of their precarious international position, the Taiwanese have embraced cosmopolitan culture and democratic institutions. The 2014 Sunflower Movement thrust Taiwan's politics into the global media spotlight, as did the resounding electoral victory of the once-illegal Democratic Progressive Party in 2016. Taiwan in Dynamic Transition provides an up-to-date assessment of contemporary Taiwan, highlighting Taiwan's emergent nationhood and its significance for world politics. Taiwan's path has important implications for broader themes and preoccupations in contemporary thought, such as consideration of why political transitions in the aftermath of the Arab Spring have sputtered or failed while Taiwan has evolved into a stable and prosperous democratic society. Taiwan serves as a test case for nation and state building, the formation of national identity, and the emergence of democratic norms in real time.

Second First Impressions Sally Thorne,2021-04-13 "Second First Impressions is the warmest, coziest, sweetest book of the year, an absolutely perfect blend of humor and heart. I want to live inside Sally Thorne's brain." —Emily Henry, New York Times bestselling of Beach Read From the USA Today bestselling author of The Hating Game, soon to be a movie starring Lucy Hale and Austin Stowell, and 99 Percent Mine comes the clever, funny, and unforgettable story of a muscular, tattooed man hired as an assistant to two old women—under the watchful eye of a beautiful retirement home manager. Dazzle (n): Brightness that blinds someone temporarily. Position Vacant: Two ancient old women residing at Providence Retirement Villa seek male assistant for

casual exploitation and good-natured humiliation. Duties include boutique shopping, fast-food fetching, and sincerely rendered flattery. Good looks a bonus—but we aren't picky. An advertisement has been placed (again!) by the wealthy and eccentric Parlioni Sisters. The salary is generous and the employers are 90 years old, so how hard could the job be? Well, none have lasted longer than a week. Most boys leave in tears. Ruthie Midona will work in Providence's front office, and be at the Parlioni's beck and call, forever. That's sort of her life plan. If Ruthie can run the place in her almost-retired bosses' absence, with no hijinks/hiccups, she has a shot at becoming the new manager. She might also be able to defend her safe little world from Prescott Development, the new buyer of the prime site. Maybe after all that, she can find a cute guy to date. All she needs to do is stay serious—and that's what she does best. Until, one day, someone dazzling blows into town. Teddy Prescott devotes his life to sleeping, tattooing, and avoiding seriousness. When Teddy needs a place to crash, he makes a deal with his developer dad. Teddy can stay in one of Providence's on-site maintenance cottages—right next door to an unimpressed Ruthie—but only if he works there and starts to grow up. Ruthie knows how this sweetly selfish rich boy can earn his keep—and be out of her hair in under a week. After all, there is a position vacant...

This Here Flesh Cole Arthur Riley, 2023-01-31 NEW YORK TIMES BESTSELLER • In her stunning debut, the creator of *Black Liturgies* weaves stories from three generations of her family alongside contemplative reflections to discover the “necessary rituals” that connect us with our belonging, dignity, and liberation. “This is the kind of book that makes you different when you're done.”—Ashley C. Ford, New York Times bestselling author of *Somebody's Daughter* “Reaches deep beneath the surface of words unspoken, wounds unhealed, and secrets untempered to break them open in order for fresh light to break through.”—Morgan Jerkins, New York Times bestselling author of

This Will Be My Undoing and Caul Baby ONE OF THE BEST BOOKS OF THE YEAR: The Root, Library Journal “From the womb, we must repeat with regularity that to love ourselves is to survive. I believe that is what my father wanted for me and knew I would so desperately need: a tool for survival, the truth of my dignity named like a mercy new each morning.” So writes Cole Arthur Riley in her unforgettable book of stories and reflections on discovering the sacred in her skin. In these deeply transporting pages, Arthur Riley reflects on the stories of her grandmother and father, and how they revealed to her an embodied, dignity-affirming spirituality, not only in what they believed but in the act of living itself. Writing memorably of her own childhood and coming to self, Arthur Riley boldly explores some of the most urgent questions of life and faith: How can spirituality not silence the body, but instead allow it to come alive? How do we honor, lament, and heal from the stories we inherit? How can we find peace in a world overtaken with dislocation, noise, and unrest? In this indelible work of contemplative storytelling, Arthur Riley invites us to descend into our own stories, examine our capacity to rest, wonder, joy, rage, and repair, and find that our humanity is not an enemy to faith but evidence of it. At once a compelling spiritual meditation, a powerful intergenerational account, and a tender coming-of-age narrative, This Here Flesh speaks potently to anyone who suspects that our stories might have something to say to us.

Sweet Revenge Tom Bower, 2012-04-24 For this definitive biography, acclaimed journalist and bestselling author Tom Bower was granted unprecedented access to Simon Cowell and those around him—and the result is a fascinating multilayered portrait of one of the world's most intriguing television personalities ever to dominate the music industry. Simon Cowell has made an international name for himself as the no-holds-barred judge on the television phenomenon American Idol. He's been called mean, arrogant, brash, and unapologetic, but his stinging barbs and smug personality have also earned him cheers from fans, as well as millions of dollars, a string of exotic beauties, and industry clout to develop his own projects. But Cowell's true reward is revenge. *Sweet Revenge* is the ultimate insider's account of Simon Cowell's rise to fame—even as others plotted his downfall—from his cheeky exploits as a British school lad to his failures as a frustrated young music exec in London to his explosive rivalry with Simon Fuller over the genesis of the Idol franchise to the PR disaster that nearly sunk his wildly successful show *The X Factor*. Conducting more than 150 interviews with industry power players, Cowell's inner circle, and Cowell himself on a private jet, chartered yacht, at his L.A. home, and on the studio lot, Tom Bower pulls back the curtain on a man who is at once insecure, ambitious, easily bored, vain, needy, and driven, a man who will go to any limit to secure his success. Cowell is also revealed as a loyal friend and loving son. His father, to whom Cowell was particularly close, became his most trusted adviser and mentor. Packed with juicy details,

exclusive interviews, and never-before-revealed facts, Sweet Revenge presents a complete picture of Simon Cowell that few have ever seen.

Introducing Intercultural Communication Shuang Liu, Zala Volcic, Cindy Gallois, 2010-11-09 Books on intercultural communication are rarely written with an intercultural readership in mind. In contrast, this multinational team of authors has put together an introduction to communicating across cultures that uses examples and case studies from around the world. The book further covers essential new topics, including international conflict, social networking, migration, and the effects technology and mass media play in the globalization of communication. Written to be accessible for international students too, this text situates communication theory in a truly global perspective. Each chapter brings to life the links between theory and practice and between the global and the local, introducing key theories and their practical applications. Along the way, you will be supported with first-rate learning resources, including: • theory corners with concise, boxed-out digests of key theoretical concepts • case illustrations putting the main points of each chapter into context • learning objectives, discussion questions, key terms and further reading framing each chapter and stimulating further discussion • a companion website containing resources for instructors, including multiple choice questions, presentation slides, exercises and activities, and teaching notes. This book will not merely guide you to success in your studies, but will teach you to become a more critical consumer of information and understand the influence of your own culture on how you view yourself and others.

Decoding **Cheryl Cole Sms S**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable

thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
