Extreme Cop: Chicago PD Jerry Ardolino,2006-12 EXTREME COP CHICAGO:PD has been QUOTED and SHOWN in the May 2007 PLAYBOY!! This is a RARE event for an Author's First Book!! From The Critics: There have been many Chicago cops who have committed violent acts. Some have wounded or killed criminals in questionable shootings. Some have been drug dealers and pimps and many were burglars. But, none of them ran even close to me in all-around violent acts, dangerous car chases on a regular basis (some at 130 in heavy traffic), maniacal behavior during arrests, the torturing of criminals, the rule violations--which nobody had the balls to commit--and unprecedented civil rights violations all on an almost daily basis.---Editorial Section, May 2007 PLAYBOY shamelessly literate book section--- Cover and Quote Quiz for readers --LAS VEGAS WEEKLY Not long ago, Chicago Mobsters made Vegas their home. Nowadays, that's pretty much over. There's a 'new gun' in town, livin' in Las Vegas though; he's known as the Extreme Cop and he's sharing his story in this book and it is a pretty wild one.--DAVE HALL, News Anchor, FOX 5 T.V. NEWS LIVE IN LAS VEGAS ...it is a lively, swashbuckling read...some shrewd observations about police policies and tactics. I found it a hard book to put down.---Jan Libourel, Editor, GUN WORLD MAGAZINE It's an amazing story...it is a tough book...some very interesting observations...an interesting kind of take on the mob and the police department. You really capture that era of your years as a policeman effectively and chillingly...there are some tough scenes...this book has generated a lot of interest from magazines...it would make

some movie...EXTREME COP: CHICAGO PD, The True Story of the Wildest, Most Violent Cop in the History of the Chicago Police. Jerry, it's a remarkable job! You're a good writer among other things...---RICK KOGAN, CHICAGO TRIBUNE Book Critic and Host of CHICAGO TRIBUNE SUNDAY PAPERS Show, WGN RADIO Mr. Extreme...Jerry Ardolino is one wild dude...articulate...intense. Extreme Cop blows The Shield [T. V. Series] apart.---LAS VEGAS WEEKLY, November 8, 2007 issue I enjoyed the writing style. [EXTREME COP: CHICAGO PD] It really spoke to me. As editor of Police-Writers.com, I see all kinds of cop books. Guys write their memoirs; they read like police reports. Few of them get to a literary area where I think you've gone with this. A lot of cop books--I can read the scenerios and I can see it happening, but with yours the imagination is very peaked...some pretty erotic passages.---Lt. Raymond Foster, LAPD Ret.--Editor, Police Writers; Host: THE WATERING HOLE INTERNET RADIO SHOW EXTREME COP:CHICAGO PD is the true story of JERRY ARDOLINO, the wildest, most violent cop in the history of the Chicago Police Department and that would mean: in the history of the world. Jerry Ardolino is the book's author and it is the first true, full-length on-going story about the Chicago Police written by an insider. It has never been done before. Jerry Ardolino was a star-carrying member of that horde of hard-edged cops; the largest and deadliest gang in Chicago or anyplace else. The gang in midnight-blue leather police jackets who had the tools and the talent that enabled them to become known throughout the world, as the most violent, corrupt, out-of-control and; toughest police force ever to stalk the streets. And Jerry was to become known in that department from patrol levels, all the way to the High Command as being:Extreme. There have been many Chicago cops who have committed violent acts. Some have wounded or killed criminals in

questionable shootings. Some have been drug dealers and pimps and ma

Stories of a Chicago Police Officer: Murphy, 2016-03-17 Sex or lunch, what would you do, six days in a row? If you don't find the baby soon, will she freeze to death? It appears to be a single gunshot wound directly under the chin; should we assume suicide or possibly foul play? It appears the grandfather had a heart attack and fell through the glass storm window. Do we remove the body before the young grandkids show up? It's against rules but we can't allow the children's last memory of grandpa to be crumpled and bleeding. Is that a gun in his hand or is that a cell phone? It's too dark, but the call was a man with a gun! If you're right you're a hero. If you're wrong you go to the morgue. These decisions are made on a daily basis if you are a Chicago Police Officer. Hopefully you're right. If you're wrong not only do you suffer but your family does as well. No police officer wants to make a split second decision but at times that's all you have.

Chicago PD A Personal Journey Edward McCloskey, 2018-05-18 The author completed a 31 year career working as a patrolman, detective and sergeant with the Chicago Police Department and now he would like to provide you, the reader, with graphic insight into many of his personal experiences from the streets that he worked. This book details his career and contains an eye witness account of happenings that have occurred during an interesting time in Chicago's history. Some of these happenings include stories working as a patrolman in Cabrini Green, during it's most violent period, his detective division investigations, including serial killer, John Wayne Gacy and his assignments as a sergeant, including working as a gang tactical team supervisor. There are also stories about the sergeant during his time at the FBI National Academy in Quantico. A lot of people wonder

what police work would be like for them and question how they would react under a given situation You will have the opportunity to read about his experiences and decide that for yourself.

The Wagon and Other Stories from the City Martin Preib, 2010-04-15 Martin Preib is an officer in the Chicago Police Department—a beat cop whose first assignment as a rookie policeman was working on the wagon that picks up the dead. Inspired by Preib’s daily life on the job, *The Wagon and Other Stories from the City* chronicles the outer and inner lives of both a Chicago cop and the city itself. The book follows Preib as he transports body bags, forges an unlikely connection with his female partner, trains a younger officer, and finds himself among people long forgotten—or rendered invisible—by the rest of society. Preib recounts how he navigates the tenuous labyrinths of race and class in the urban metropolis, such as a domestic disturbance call involving a gang member and his abused girlfriend or a run-in with a group of drunk yuppies. As he encounters the real and imagined geographies of Chicago, the city reveals itself to be not just a backdrop, but a central force in his narrative of life and death. Preib’s accounts, all told in his breathtaking prose, come alive in ways that readers will long remember.

Sarge! Cases of a Chicago Police Detective Sergeant in the 1960s, '70s, and '80s John A. DiMaggio, 2018-10-31 “SARGE!” is a fascinating memoir by the late Chicago Police Detective Sergeant John A. DiMaggio, one of the most decorated officers on the force during a career that spanned the years 1957 to 1991. Among his awards are two Superintendent’s Awards of Valor, Mayor Richard J. Daley’s Praiseworthy Acknowledgment Plaque for

Exceptional Act of Bravery Involving Risk of Life, a Presidential Citation of Appreciation, the Illinois Police Association Award of Valor, and many more. Upon his retirement in 1991, DiMaggio wrote a fascinating account of his work as a cop. The manuscript languished among his personal effects until after his death in 2008, after which his family decided to resurrect it, spruce it up, and submit it for publication. It turns out that he was an excellent word craftsman and storyteller; in fact, he was no stranger to writing—for many years he wrote the “Ask Sarge” column for the Mystery Writers of America Midwest Chapter newsletter. Told in a conversational, “regular guy” voice in episodic fashion, “SARGE!” reveals to the reader what it was really like to be a cop. The manuscript in many ways takes the form of a prose treatment of a weekly television police drama. A large selection of PHOTOS is included. DiMaggio takes the reader back to the decades such as the turbulent 1960s, when the police department was making a painful transition from “old school” to modernization. The author describes firsthand the legendary riots that occurred in Chicago after the assassination of Martin Luther King Jr. He illustrates the integration of minorities into the department and how that played out. He also goes into famous cases of corruption and the politics of navigating such a large department. One of the “set pieces” of the book is the story of how DiMaggio, as part of the “Three Musketeers”—a trio that included two detectives who were close friends—investigated a series terrifying slasher attacks on women that occurred in the city in the mid-70s. The case became one of the police department’s most memorable. Among the other cases detailed in the book include how DiMaggio found himself entering the home of a crazed young man holding hostages with a shotgun; the investigation of the discovery of a headless corpse; the takedown of the

Chicago “Mad Bomber”; how an anonymous audio tape provided clues to the identities of armed robbers; and the manhunt for a cop killer.

The Code Daniel V. Schrage, 2001-05-01 The Code is the story of a Chicago cop, Jake Harmon, who stumbles across an unidentified man carrying \$250,000. While struggling to adhere to the Cop Code of Behavior, he attempts to uncover the source of the money. Aided by his girlfriend and fellow officer, Aranda Gonzalez, he makes a shocking discovery that pushes him to the limits of the Code. Written by a real cop, this book delves into the everyday workings of a police department and explores how real police think and act, hemmed in by the code of behavior, when the rest of you aren't around.

Armed and Dangerous Gina Gallo, 2002-04-06 The true story of one female cop's 16-year odyssey, beginning with day one at the Police Academy and spanning assignments on Chicago's West Side, one of the most dangerous areas in the city.

Brotherhood of Corruption Juan Antonio Juarez, 2004-08-01 A former Chicago cop exposes shocking truths about the abuses of power within the city's police department in this memoir of violence, drugs, and men with badges. Juarez becomes a police officer because he wants to make a difference in gang-infested neighborhoods; but, as this book reveals, he ends up a corrupt member of the most powerful gang of all—the Chicago police force. Juarez shares the horrific indiscretions he witnessed during his seven years of service, from the sexually predatory officer, X, who routinely stops beautiful women for made-up traffic offenses and flirts with domestic violence victims, to sadistic Locallo, known on the streets as Locoman, who routinely stops gang members and beats them senseless. Working as a narcotics officer, Juarez begins to join his fellow officers in crossing the line

between cop and criminal, as he takes advantage of his position and also becomes a participant in a system of racial profiling legitimized by the war on drugs. Ultimately, as Juarez discusses, his conscience gets the better of him and he tries to reform, only to be brought down by his own excesses. From the perspective of an insider, he tells of widespread abuses of power, random acts of brutality, and the code of silence that keeps law enforcers untouchable.

Chicago's Finest Tim Baldy, 2012-12-01 Leonard Baldy was born in Chicago. He was a pioneer in law enforcement and traffic safety, and was celebrated for his work in radio and television. Forty years after his death, Chicago newspaper columnist, Neil Steinberg, declared if ever a Chicago police officer was a celebrity, it was Patrolman Leonard Baldy. His colleagues remembered him as the nicest man they ever met. He brought respect to the badge during a time of turmoil and scandal on the force. At the height of his popularity, Officer Baldy received nearly 3,000 pieces of fan mail every month. This book is more than a look at the life a Chicago police officer, but a story of a person who made a difference in the daily lives of everyone he met. This book offers a view of a great American as few knew him. It provides insight about the man many have labeled Chicago's Finest.

Chicago Police Thomas Joseph Jurkanin, Terry G. Hillard, 2006 The book also delves into

how the Chicago Police Department battles gangs, guns, drugs, and murder; how Hillard exhibited leadership in good times and in bad times; how Hillard dealt with politicians, the community, cops on the street and the media; how the department handled difficult crimes and their investigations; and how Hillard led, what he learned in the process, and what he accomplished. The book also discusses contemporary police issues including police corruption and brutality, use of force by police, police pursuits, police shootings and deaths, community policing, police accountability, and the use of emerging technologies in the fight against crime.--BOOK JACKET.
