The Chicago Police Department Charles River Editors,2020-01-06 \*Includes pictures \*Includes a bibliography for further reading Today, as one of the biggest cities in the country, Chicago means a lot of different things to different people, but the Windy City, as culturally rich as it is, has long been known for controversial political corruption and its gangster past. While those kinds of crimes are less prominent today, one recent documentary, Chiraq, provided a new chilling, sobering, and wildly unfortunate sobriquet for the city, and for far too many of the city's youth, the places they call home are just a few steps removed from an actual war zone. According to a 2019 report by CBS News, roughly 1,099 of every 100,000 Chicagoans are likely to experience a violent crime. Records released by the FBI revealed that a staggering 653 people in Chicago were murdered in 2016, surpassing Los Angeles and New York City combined. The obvious dissimilarities between Chicago and a traditional battlefield aside, many experts can relate to the sentiment. BBC correspondent Ian Pannell, for one, described what he saw as striking resemblances: People live with a threat or elements of danger, and although the degree is completely different, that's similar for civilian populations in both environments...What always amazes me - you see

this in Chicago and you see this in places like Syria - is people, they'll be out on the street, they'll be doing the shopping, but they know the rules. As soon as trouble starts to happen...suddenly, everybody disappears... Pannell further added, I've never seen so many weapons in civilian hands outside of a...war zone as I did in parts of Chicago...Kids have become desensitized to violence. Someone's been shot, and kids are playing up and down the streets on their bikes, because they're used to seeing it, and that's also what you see in a war zone. More disturbing yet, veteran gangsters and juvenile street thugs may not be the only ones to blame for this senseless bloodshed. Not only is Chicago consistently nominated each year as one of the deadliest cities in America, the Windy City is infamous for its egregiously problematic police department, whose reputation has been marred by corruption, abuse, and systemic racism, among other kinds of misconduct. A 2019 Fortune report, citing a study conducted by the University of Illinois, found that Chicago's finest were responsible for 82% of the corruption convictions in the entire state. The discriminatory tendencies entrenched in Chicago's police department have undoubtedly become one of the most contentious hot-button issues to divide the city in recent years. Chicagoans and allies from cities near and far demand answers and justice for the number of unarmed black men who have died, such as 17-year-old Laquan McDonald, who, while carrying a folded 3-inch blade, was walking away from Officer Jason Van Dyke when he was shot at 16 times. It hasn't

escaped people's notice that 67% of those booked in the Cook County Department of Corrections on a daily basis are black. Of course, the city can be plenty dangerous for the cops as well. Dozens of Chicago police officers have fallen in the line of duty, such as Officers Eduardo Marmolejo and Conrad Gary, who were struck and killed by a train while in pursuit of a suspected gunman. Officers like those two knowingly risk their lives each and every day, both on and off the clock, willing to thrust themselves into danger without a second's hesitation. In late November 2018, Officer Samuel Jimenez was on what would have been an uneventful assignment - mail delivery - when he was apprised of an active shooter at Mercy Hospital. Jimenez hastened to the premises at once in a noble effort to assist the squad dispatched to the scene, and he was shot and killed in the process. On a lighter note, one would be remiss not to acknowledge the endeavors of Officer Jennifer Maddox, one of 10 crowned Heroes of the Year by CNN New York in 2017.

The book also discusses contemporary police issues including police corruption and brutality, use of force by police, police pursuits, police shootings and deaths, community policing, police accountability, and the use of emerging technologies in the fight against crime.--BOOK JACKET.

Stories of a Chicago Police Officer Murphy,2016-03-17 Sex or lunch, what would you do, six days in a row? If you don't find the baby soon, will she freeze to death? It appears to be a single gunshot wound directly under the chin; should we assume suicide or possibly foul play? It appears the grandfather had a heart attack and fell through the glass storm window. Do we remove the body before the young grandkids show up? It's

against rules but we can't allow the children's last memory of grandpa to be crumpled and bleeding. Is that a gun in his hand or is that a cell phone? It's too dark, but the call was a man with a gun! If you're right you're a hero. If you're wrong you go to the morgue. These decisions are made on a daily basis if you are a Chicago Police Officer. Hopefully you're right. If you're wrong not only do you suffer but your family does as well. No police officer wants to make a split second decision but at times that's all you have.

COMMANDINGEARLY DAYS OF POLICE LIFE IN THE NORD SEITE--THE OLD NORTH MARKET HALL AND HURON STREET STATIONS--MAX KIPLEY ANDMARTIN QUINN--LIEUTENANT BADS AND THE BAVARIAN HEAVENLIEUTENANT LLOYD AT WEBSTER AVENUE --THE CAREERS OF A BATALLION OF GOOD MEN-SPLENDID RECORDS. This precinct includes the Chicago avenue, Larrabee street and Webster avenue stations, with headquarters at Chicago avenue. Chicago Avenue Station was built in 1873. Before the great fire of 1871, the station was located on Huron street, between Dearborn avenue and Clark street, and was known as the Huron street station. Here mauy of the ablest officers of

the force at the present time received their police education, and here Wells Sherman was sergeant and afterward captain, followed by Gund and others whose names are indelibly connected with the early history of the Chicago police department. The force on duty at this station now patrols the district bounded, north by Division street, south by the Chicago River, east by Lake Michigan, and west by the north branch of the Chicago River to its intersection with the north branch canal, thence along said north branch canal to Division street. The district contains an area of one and one-fourth square miles, with a population estimated, in 1887, at 50,000. The force at this station, all told, numbers 75 men. MICHAEL JOHN SCHAACK, captain commanding the fifth precinct, was born at Saptfontaines, Luxemburg, Germany, April 23, 1843; in 1853 came with his family to America; came to Chicago and remained a short time, locating later on a farm near Port Washington, Wisconsin; at the age of fifteen went to Cairo, Ill., and found employment in a brewery, where he...

**On the Street Doing Life** Anne Keegan, 2007-01-17  
What Readers Say: 'On the Street Doing Life,' captures the gritty reality that cops face working dope on the west side of Chicago. No cop did it better than Mike Cronin and I'm proud to say I had the opportunity to work with him. Philip Cline, Superintendent Chicago Police Department "Mike Cronin ... He got injured in Vietnam in the '60s. Came back. He couldn't get on the Police Department. He only had one leg. And my dad put

him on... Was my dad right? Yeah, my dad was right. This guy is the best policeman. He was a commander. We're bringing him back as a civilian, he's so good." Richard M. Daley, Mayor City of Chicago (Quoted in Chicago Sun-Times, Feb. 19, 2007) In 'On the Streets Doing Life,' Anne Keegan gives readers a rare and fascinating tour of how life plays out on the West Side through the eyes of Mike Cronin, a legendary Chicago cop who knows those streets better than anyone. Keegan pulls no punches, but neither did Mike Cronin. Dick Devine Cook County State's Attorney This unique and intimate account of a legendary Chicago gang crimes cop is raw, moving, funny and sad – unlike any other book you've ever read. In the honest, poetic and profane language of the street, Keegan reveals a real cop striving to walk the fine line between toughness and fairness, the ability to enforce the law without being brutal, to not take things personally and to play by the rules when the criminals don't have to, or don't want to. Mike Cronin eventually rose to head the Chicago Police Department's two most elite units – gangs and narcotics. This is the story of the humanity he brought to and found on his city's most troubled streets.

### **The Insane Chicago Way John M.**

Hagedorn, 2015-08-19 "His account of relationships between street gangs of this period and Chicago's Outfit, the legacy of Al Capone and others, is especially important." –James F. Short, author of Poverty, Ethnicity, and Violent Crime In The Insane Chicago Way, John M. Hagedorn's lively stories of extensive cross-neighborhood gang

organization, tales of police/gang corruption, and discovery of covert gang connections to Chicago's Mafia challenge conventional wisdom and offer lessons for the control of violence today. The book centers on the secret history of Spanish Growth & Development (SGD)—an organization of Latino gangs founded in 1989 and modeled on the Mafia's nationwide Commission. It also tells a story within a story of the criminal exploits of the C-Note\$, the "minor league" team of the Chicago's Mafia (called the "Outfit"), which influenced the direction of SGD. Hagedorn's tale is based on three years of interviews with an Outfit soldier as well as access to SGD's constitution and other secret documents, which he supplements with interviews of key SGD leaders, court records, and newspaper accounts. The result is a stunning, heretofore unknown history of the grand ambitions of Chicago gang leaders that ultimately led to SGD's shocking collapse in a pool of blood on the steps of a gang-organized peace conference. *The Insane Chicago Way* is a compelling history of the lives and deaths of Chicago gang leaders. At the same time it is a sociological tour de force that warns of the dangers of organized crime while arguing that today's relative disorganization of gangs presents opportunities for intervention and reductions in violence. "An intricate tale of violence, mafia influence, and police corruption." —Chicago Reader
