Graffiti's Wall Expanded Edition Ram V,2020-04-07 When an aspiring street artist Graffiti sees the illegal tenements outside his home destroyed, he finds in the debris, a lone, standing wall--one that'll go on to become a summer-long canvas for the lives of four friends getting by and growing up in the constantly changing and challenging environment that is the city of Mumbai. As Graffiti's mural on the wall grows, it chronicles the lives of his friends--Jay, a young man with dreams of being a rapper lured into the dangerous path of a gangster. Chasma, a bright but awkward boy who chronicles his struggles as an outsider trying to belong in this city, by writing letters to strangers, to the city itself. And Saira, who comes to Mumbai with Bollywood dreams but must first survive the reality in this place of gangsters, con-men, friends and lovers. As the long Mumbai summer comes to a close, hearts are broken and leaps of faith, taken. This coming-of-age tale set in Mumbai's loving, unforgiving and chaotic embrace, is a unique exploration of that entirely universal experience--the falling, soaring, the grave permanence and fleeting transience of our adolescent years. From rising comic book stars Anand R. K. and Ram V (Paradiso, These Savage Shores, Batman Secret Files). Listed as the #3 best graphic novel of 2018 by Paste Magazine, enjoy this expanded edition featuring extra content!

29 MURDERS James Campbell,2013-08 29 MURDERS is based on a factual murder investigation of 29 murders of the famous Missing and Murdered Children case in Atlanta that took place from 1979 to 1981. Convicted and sentenced to life in a Georgia State prison was Wayne Williams for only two of the twenty-nine murders, a conviction that left many people around the country asking; if he only killed 2, who then killed the other 27? However, along came an anonymous letter that was written to Police Chief, Barry Mason describing its writer as being the real killer after thirty years of complete silence. This letter sparked a new investigation into a thirty year old case for fear the real killer had re-emerged. In charge of the investigation was Lieutenant Seville Patterson, who later convinced her retired police husband, John Sinclair to work with her on the case, because she feared that she could not trust anyone in the department. John on the other hand agreed to work with her because he believed that this was a very dangerous case, and it could get her killed if he did not work with her. And even with him on the case, both their lives were in danger. As a team, they set out to solve a case that was believed to be an impossible case to solve. And that belief was justified, because the two cops found themselves in a direct line of fire of a conspiracy that was reaching all the way to Washington, DC as well in the headquarters of the CIA. And they also found trouble in their own back yard, when they discovered that nine of the ten original police investigators on the case thirty years ago had all mysteriously met their demise, except one.

A chance encounter with Fiasco, one of the hottest rappers around, gives Eric entre into the world of the Dirty Jersey crew, where he's introduced to everyone and everything. Suddenly, Eric is cool and has access to anything he's ever wanted. Never mind that Fiasco isn't exactly a good guy— so what? But so what has a price. And Fiasco has just named it: Kenya.

You can see the stars at night Which make you feel all bright. My heart yearns for this place more and more, But it's blocked by a closed door. Starlight star bright first star I see tonight. I wish I may I wish I might grant the wish I wish tonight. Open the closed door and I shall enter straight through the center To the place that I know which someday I shall go. The other world, the one just for me seems to be only a dream.

A Perfect Blindness W. Lance Hunt,2017-04-25 It is 1988, and Chicago is a center of electro-industrial music. For best friends Jonathan and Scott, the city holds everything they need to finally succeed with a band: plenty of venues and a music-hungry audience. When a friend offers them an entire floor of an abandoned factory to live and rehearse in, the musicians see a way to break free from years of failure. To secure the opportunity, they must move immediately, leaving everything and everyone behind in Ohio, including Jonathan's lover Amy--the woman who saved him from self-destruction. With few belongings and little money, they arrive in Chicago. While creating their newest band, Jonathan attempts to come to terms with abandoning Amy while Scott battles haunting memories of a friend killed years earlier. As they struggle to keep it together, a new woman enters Jonathan's life and their band reaches new heights in the music scene. But nothing is as it appears, everyone is harboring secrets, and self-deceit is a treacherous illusion that hangs over them like a dark shadow. A Perfect Blindness lays bare a tale of perseverance, passion, and regret as two musicians embark on the arduous journey to find success and confront truths that have always eluded them--until now.

Dawn Of the Dominant Vipin Suren,2015-04-30 This magical fantasy adventure, is a fast paced story that takes the reader through a roller coaster ride of mystical powers, motives of vengeance, moves and counter-moves, violent battles, camaraderie and at times simple adolescent fun as narrated by the key characters in the story from their respective perspectives. The protagonists here are the incredible siblings, each blessed with unique powers that have been paternally obtained and their relentless quest to fulfill their destiny. On learning that the Dark King, their evil grandfather from a distant planet, has malicious designs to subjugate planet earth under his control and is also the one responsible for their father’s demise, they embark on a journey to not just seek revenge but to also save the earth from eventual anarchy and destruction.
