Get Your Self Scam Free Robert C. Worstell, 2010-01-06 How do you quit being a victim to every slick telemarketer out there? Is there anyway to see a scam and get out of their way? I've been there and done that. There are reasons people have been trained into being dupes. And all these reasons can be un-trained as well - if you know how. I wrote this book based on the research I did to dig myself out of the hole I had been scammed into. I decided not to get mad or get even " just get my money back somehow, write up what I had encountered, and then move on. And writing this book is part of moving on. While I've put the bulk of this data into several blogs, ebooks, presentations, papers, and so on, I've decided to cobble it all together into a single book so that people can get this data without having to go through what I did. Our job here is not just getting our own lives free from scammers and rip off artists, but it's making this planet we live on a bit safer place for everyone else. Buy this book today and get more freedom!
