The Giggles Are Coming Christopher Eliopoulos,2021-07-06 A couple of friends can't keep from laughing during class on the first day of school, in this companion to The Yawns Are Coming from the illustrator of the Ordinary People Change the World series! Two best friends are so excited to go back to school. They're in the same class, their classroom is full of art supplies, and they've even made a new friend. But then it happens: Just as the teacher introduces herself, the GIGGLES show up! They're everywhere and impossible to escape. And as if that wasn't embarrassing enough, soon a GUFFAW shows up, and then the CHUCKLES! What will their teacher think if they can't avoid laughing in the middle of her first lesson?

The Lioness Chris Bohjalian,2023-05-02 NEW YORK TIMES BESTSELLER • A luxurious African safari turns deadly for a Hollywood starlet and her entourage in a riveting historical thriller the New York Times calls “Wildly entertaining.” • From the bestselling author of The Flight Attendant. The best possible combination of Hemingway and Agatha Christie...Impossible to put down.” –Jodi Picoult, #1 New York Times bestselling author of Wish You Were Here Tanzania, 1964. When Katie Barstow, A-list actress, and her new husband, David Hill, decide to bring their Hollywood friends to the Serengeti for their honeymoon, they envision giraffes gently eating leaves from the tall acacia trees, great swarms of wildebeests crossing the Mara River, and herds of zebras storming the sandy plains. Their glamorous guests—including Katie’s best friend, Carmen Tedesco, and Terrance Dutton, the celebrated Black actor who stars alongside Katie in the highly controversial film Tender Madness—will spend their days taking photos, and their evenings drinking chilled gin and tonics back at camp, as the local Tanzanian guides warm water for their baths. The wealthy Americans expect civilized adventure: fresh ice from the kerosene-powered ice maker, dinners of cooked gazelle meat, and plenty of stories to tell over lunch back on Rodeo Drive. What Katie and her glittering entourage do not expect is this: a kidnapping gone wrong, their guides bleeding out in the dirt, and a team of Russian mercenaries herding their hostages into Land Rovers, guns to their heads. As the powerful sun gives way to night, the gunmen shove them into abandoned huts and Katie Barstow, Hollywood royalty, prays for a simple thing: to see the sun rise one more time. A blistering story of fame, race, love, and death set in a world on the cusp of great change, The Lioness is a vibrant masterpiece from one of our finest storytellers.

The Money Tree Chris Guillebeau,2020-04-07 From bestselling author of The \$100 Startup and Side Hustle comes Chris Guillebeau's engaging story about the power you have to create your own financial destiny. Like financial classics The Latte Factor and The Richest Man in Babylon, The Money Tree uses a compelling story with captivating characters to share its core insight: you are never at the mercy of fortune as long as you have an appetite for hard work and a willingness to step outside your comfort zone. Jake Aarons is in trouble. He's being evicted from his apartment in less than 30 days, the bill for his \$50,000 in overdue student loans is almost due, and the digital marketing agency he works at just implemented a new military-style grading system that might cost him his job. To top it off, Jake's new relationship with Maya was going so well... but with everything else falling down around him, he might lose her, too. In search of answers, Jake reluctantly attends a weekly group meeting at the invitation of a coworker. Everyone in the group is trying to create a lucrative side hustle with one key requirement: they can only spend up to \$500 before earning a profit. Over the course of several weeks, Jake undertakes a series of challenges, first learning how to make \$1,000 in a single weekend, and ultimately how to discover the untapped skills he needs to take control of his finances--and his life.

Everyone Brave is Forgiven Chris Cleave,2016-05-03 The instant New York Times bestseller from Chris Cleave—the unforgettable novel about three lives entangled during World War II, told “with dazzling prose, sharp English wit, and compassion...a powerful portrait of war’s effects on those who fight and those left behind” (People, Book of the Week). London, 1939. The day war is declared, Mary North leaves finishing school unfinished, goes straight to the War Office, and signs up. Tom Shaw decides to ignore the war—until he learns his roommate Alistair Heath has unexpectedly enlisted. Then the conflict can no longer be avoided. Young, bright, and brave, Mary is certain she’d be a marvelous spy. When she is—bewilderingly—made a teacher, she finds herself defying prejudice to protect the children her country would rather forget. Tom, meanwhile, finds that he will do anything for Mary. And when Mary and Alistair meet, it is love, as well as war, that will test them in ways they could not have imagined, entangling three lives in violence and passion, friendship, and deception, inexorably shaping their hopes and dreams. The three are drawn into a tragic love triangle and—as war escalates and bombs begin falling—further into a grim world of survival and desperation. Set in London during the years of 1939–1942, when citizens had slim hope of survival, much less victory; and on the strategic island of Malta, which was daily devastated by the Axis barrage, Everyone Brave is Forgiven features little-known history and a perfect wartime love story inspired by the real-life love letters between Chris Cleave’s grandparents. This dazzling novel dares us to understand that, against the great theater of world events, it is the intimate losses, the small battles, the daily human triumphs that change us most.

The Appomattox Campaign Chris Calkins,1997-07-21 Previous accounts of the Civil War's last major campaign have often neglected the actual maneuvers and tactics of the units involved. This new addition to the Great Campaigns series features a tactical approach to the final drama of the Civil War. Innovative maps, sidebars and charts complement a dramatic narrative. The fall of Petersburg and Richmond, the last battles at Five Forks, Sailor's Creek, and Dinwiddie Court House, and the final surrender at Appomattox are all described by an author whose knowledge of the historical sources is equaled by his familiarity with the area over which the armies marched and fought.The author provides a day-to-day narrative of this fascinating campaign, with a series of specially commissioned maps that make clear the complex series of maneuvers that finally brought Lee's beleaguered army to bay. Special sidebars highlight many incidents and personalities of the campaign, including never-before-published information on African-Americans in Confederate service. Record-keeping, especially for the Confederates, was difficult in the last hectic days of the war, and readers will find here the most complete order of battle available for both sides.
