Christian Warlich Ole Wittmann, 2019-10-29 The original work of Christian Warlich, Europe's preeminent tattoo artist in the first half of the 20th century, is brought back to life in a stunning new volume. Christian Warlich was a world famous German tattooist and his flash book is one of the most coveted objects in the tattoo world. It is now available in this exquisite edition that includes over three hundred hand-drawn designs restored to their original vibrant state. It also includes photographs and other archival material, much of which has never been published before. This book brings Warlich's career into new focus, reflecting the latest research on how his early years at sea may have influenced his work. Intricate renderings of cowboys and indigenous Americans, Chinese dragons and Japanese geishas, daggers, snakes, and skulls reveal not only Warlich's influence in the iconography of tattoos, but also suggest the interplay of ideas with tattooists across Europe, North America, and Asia. The book also explores how the art of tattooing was reframed during the Nazi era and how Warlich's estate helped shape the state of tattoo art today. This elegant book is invaluable in understanding the importance of Warlich to the history of tattooing.

Flash Rachel Anne Ridge, 2015-04-24 The heartwarming tale of an irrepressible donkey who needed a home—and forever changed a family. Rachel Anne Ridge was at the end of her rope. The economy had crashed, taking her formerly thriving business along with it. She had been a successful artist, doing work she loved, but now she felt like a failure. How would her family pay their bills? What would the future hold? If only God would somehow let them know that everything was going to be all right . . . and then Flash the donkey showed up. If there is ever a good time to discover a wounded, frightened, bedraggled donkey standing in your driveway, this wasn't it. The local sheriff dismissed Flash as "worthless." But Rachel didn't believe that, and she couldn't turn him away. She brought Flash into her struggling family during their darkest hour—and he turned out to be the very thing they needed most. Flash is the true story of their adventures together in learning to love and trust; breaking down whatever fences stood in their way; and finding the strength, confidence, and faith to carry on. Prepare to fall in love with Flash: a quirky, unlikely hero with gigantic ears, a deafening bray, a personality as big as Texas, and a story you'll never forget.

In a Flash Thomas L. Duncan, 2022-08-01 In a Flash is a story of survival, of faith, and of God's grace in the face of harsh uncertainty. Tom Duncan reaches deep within to share about how he overcame molestation, resisted suicide, battled cancer, and survived the severe burn of nearly half his body. Through it all, God stayed by his side, giving him the strength to not only withstand the pain and suffering of these experiences, but also to share the beauty of life revealed to him repeatedly. In moments of triumph and sorrow, it was the author's relationship with God that allowed him to persevere and touch the

lives of so many. In this book, he reminds us that no matter how much pain or self-doubt one experiences, a Christ-centered life provides the resiliency and peace to heal. The author wants to inspire readers to let Christ into their lives, thank Him for the blessings provided, and willingly engage Him for the courage to endure life's hardships. Tom's hope is that by reading about his own uneven faith journey, readers will have hope where there was none, have faith where it did not exist, and open their hearts to the eternal love and compassion waiting for them in God.

Digital Disciple Adam Thomas, 2011-05-01 This time in our society is unlike any other. People communicate daily without ever having to speak face to face, news breaks around the world in a matter of seconds, and favorite TV shows can be viewed at our convenience. We are, simultaneously, a people of connection and isolation. As Christians, how do we view our faith and personal ministry in this culture? Adam Thomas invites you to explore this question using his unique, personal, and often humorous insight. Thomas notes, The Internet] has added a new dimension to our lives; we are physical, emotional, spiritual, and now virtual people. But I believe that God continues to move through every facet of our existence, and that makes us new kinds of followers. We are digital disciples. I gain renewed hope for the future by looking at a new generation of emerging Christian leaders like Adam Thomas. Brian McLaren, author of *A New Kind of Christianity* Digital Disciple is a new kind of pastor's sermon to a new kind of flock. Go ahead and tweet your friends: GOT 2 READ THIS. Jonathan Wilson-Hartgrove, author, speaker and new monastic Bright, innovative, perceptive, eloquent, and imaginative -- Adam Thomas is all that and more, as you will see in the pages of his dynamic book. Faith Matters Kerry Walters, 2019-06-17 In a day in which Christians too often reduce faith to mere sentimentality and atheists decry it as superstitious nonsense, Fr. Kerry Walters offers a series of reflections intended to show that, indeed, faith matters. Drawn from his popular weekly newspaper column "Faith Matters," these short meditations explore Christian faith from the perspectives of doctrine, spirituality, ethics, politics, art and science, the saints, and the

holy seasons that mark the Christian year and set the rhythm of Christian living.

Flash's Song Kay Pfaltz, 2015-09-15 Flash's Song is the true account of how one person discovered the secret of miracles. Freelance writer Kay Pfaltz was living a quiet, simple life with her three beloved dogs when suddenly her life turned upside down. Coming to terms with a failed relationship, she must now take her ailing dachshund, Flash, in for back surgery. But when the vet tells Kay that Flash's problem is not a disc but in fact a tumor growing on his spine and Flash has, at most, three weeks to live, Kay is devastated. Here begins a journey of self-discovery and recovery that will open Kay's heart to the greatest miracle of all. Flash's Song tells the story of amazing canine courage and remission against all odds. It is a ballad of love and redemption and a moving account of how Flash's three-week prognosis became five-and-a-half miraculous months of learning, loving, and finally accepting. Written in luminous prose, accompanied by poignant photos, and filled with keen insight into love, faith, and the power of forgiveness, Flash's Song is not only a heartwarming ode to a little dog, but also a tribute to life and an invitation to cherish every moment of it.

Biblical Greek in a Flash Anthony Horvath, 2013-12-16 This slim study of the Greek language is designed to lay a foundation for future learning while equipping the Bible student with the ability to handle reference tools such as a Greek lexicon, an interlinear, and exhaustive concordances. While this study will not make anybody a Bible translator, it will provide the basic knowledge necessary for making sense of reference tools and using them to delve deeper into the New Testament texts. Much of the material in this study has been used in junior high, high school and collegiate classes, and indeed was

designed and produced as an online course at the Athanatos Christian Ministries Online Academy of Apologetics (www.academyofapologetics.com). As such, students as young as 7th grade (especially homeschooled students) and as old as the hills will find that this course allows them to learn enough Greek to be dangerous... in all the ways that phrase can be understood.

Christian Register and Boston Observer... ,1902

Let God Change Your Life Greg Laurie,2011-06-01 Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering, Let God Change Your Life. Imagine what it would have been like to be a follower of Jesus; first-century Christians walked away from their old lives just to be where He was. What they learned, sitting at His feet, was discipleship. And when His work on earth was done, first-century Christians took His words and example and spread out, teaching the gospel to everyone. The good news is that we, too, can participate in this lifestyle. Laurie drills it down in three simple ideas: get to know Jesus, follow His plan for discipleship, and use it to tell others what we know. Laurie's tone is clear, direct, and biblical.
