**You Mean That Isn't in the Bible?** David A Rich,2008-02-01 Author and professional speaker David Rich knows how to stimulate readers and get them to ask questions--such as You mean that isn't in the Bible? In this book, David turns his attention to ten popular notions commonly believed by Christians...but found nowhere in Scripture. Such beliefs, he indicates, are based in human-centered religion that waters God's Word down into pop culture. However, in every case, the Bible's true originals are vastly more liberating than sentiments like... God helps those who help themselves Believers are God's co-pilots Christians aren't perfect, just forgiven David's enthusiastic, energetic, easy-to-read style--which reflects his many years as a speaker--pulls his audience 100-percent into his arguments. Though readers may not agree with him right away, they will be challenged...and they will be motivated to check their Bibles and see why the unadulterated version of God's truth is always the best news.

From Times Square to Timbuktu Wesley Granberg-Michaelson,2013-08-18 In the last century, amazingly, world Christianity's center of gravity has effectively moved from Europe to a point near Timbuktu in Africa. Never in the history of Christianity has there been such a rapid and dramatic shift in where Christians are located in the world. Wesley Granberg-Michaelson explores the consequences of this shift for congregations in North America, specifically for the efforts to build Christian unity in the face of new and challenging divisions. Centers of religious power, money, and theological capital remain entrenched in the global, secularized North while the Christian majority thrives and rapidly grows in the global South. World Christianity's most decisive twenty-first-century challenge, Granberg-Michaelson argues, is to build meaningful bridges between faithful churches in the global North and the spiritually exuberant churches of the global South. Discover that Veritas transcends philosophy or religion and instead brings us to true life.

**Adventist Interchurch Relations** Stefan Hörschle,2022-09-05 This study presents the first comprehensive analysis of Seventhday Adventist interchurch relations – a 20-million member body whose ecumenical stance has so far been underresearched. For the sake of interpreting denominational involvement and reservations in Adventism as well as beyond, the study develops a new academic approach to ecumenism based on Relational Models Theory, a comprehensive social science paradigm of interpreting human relationships. The resulting typology of ecumenical interactions and the historical case study of Adventism suggest that such a relational interpretation of ecumenical interaction sheds light on many of the unresolved issues in ecumenics – such as divergent concepts of unity, difficulties in recognition processes, and the permanence of denominationalism.

Persecuted Christians Past and Present Larry Squyres,2022-01-25 We are persecuted for our belief in the Bible We are imprisoned for our belief in God. We are executed for our belief that Jesus is the Son of God. Inside this book are our stories of persecution, imprisonment, and death at the hands of those who believe in other gods. I have researched stories around the world in every country on today's map, detailing the persecution that Christians are subject to. Today, in North America, we see persecution in many different forms. Even in our country of the United States, we see different forms of persecution that were not seen before the COVID-19 pandemic. Soon, I believe we will see the same persecutions as we see today in other countries like India, China, and the Middle East. I invite you to read and see the persecution that Christians are subject to in 102 different countries.

*The Meeting of Opposites?* Andrew Wingate,2015-03-05 Can there be a spiritually rich engagement between Hindus and Christians? In India there is a long history of interaction between them. In this helpful book, Andrew Wingate shares something of that from his direct experience of living in Tamil Nadu. But the growing economic power of India and of the Indian diaspora throughout

the world, reveal how little written material is available about Hindus and Christians as they encounter each other outside India. *The Meeting of Opposites?* is founded upon experience and research, as well as recent meetings with Hindus, especially in the UK, the United States, and Sweden. The author gives many examples of dialogue and focuses on theological, spiritual, and missiological questions.

**The Cambridge History of Judaism: Volume 7, The Early Modern World, 1500-1815**

Jonathan Karp,Adam Sutcliffe,2017-11-30 This seventh volume of *The Cambridge History of Judaism* provides an authoritative and detailed overview of early modern Jewish history, from 1500 to 1815. The essays, written by an international team of scholars, situate the Jewish experience in relation to the multiple political, intellectual and cultural currents of the period. They also explore and problematize the 'modernization' of world Jewry over this period from a global perspective, covering Jews in the Islamic world and in the Americas, as well as in Europe, with many chapters straddling the conventional lines of division between Sephardic, Ashkenazic, and Mizrahi history. The most up-to-date, comprehensive, and authoritative work in this field currently available, this volume will serve as an essential reference tool and ideal point of entry for advanced students and scholars of early modern Jewish history.

**The Middle East Meltdown** Andy Woods,2016-07-23 The Lord seems to be setting the stage for His return as never before. One of these major stage-setting trends that we are currently seeing is the rise of a coalition of nations that harbors a hostile intent toward Israel. Dr. Andy Woods explains how this coalition of nations will someday fulfill the prophecies of Ezekiel 38-39.

**The 2009 Internet Directory** Vince Averello,Mikal E. **Evangelical Christianity and Democracy in Asia** David Halloran Lumsdaine,2009 Although a minority of the Asian population, Protestants in Asia are a fast growing group. In some cases, religion has effected positive changes for poor and marginalised people; but there are doubts that it has the cultural currency needed to generate political changes in governments such as that in China.

Stories with Intent Klyne R. Snodgrass,2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies, *Stories with Intent* offers pastors and students a comprehensive and accessible guide to Jesus' parables. Klyne Snodgrass explores in vivid detail the historical context in which these stories were told, the part they played in Jesus' overall message, and the ways in which they have been interpreted in the church and the academy. Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables—often neglected in the discussion—from the Old Testament, Jewish writings, and the Greco-Roman world. He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each, exploring both background and significance for today. This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book's original 2008 publication.

**Beside Still Waters** Harold Kasimow,Keenan P. John,Linda Klepinger Keenan,2016-05-10 A compelling question for people of faith today is how to remain committed to one's own religious tradition while being open to the beauty and truth of other religions. For example, some fear that

Buddhism is a threat to Western faith traditions and express grave doubts about interreligious and cross-cultural encounters. Yet, many who have actually broadened their experience profess to have developed a deeper understanding of and a deeper commitment to their tradition of origin. This is what makes *Beside Still Waters: Jews, Christians, and the Way of the Buddha* such a new and meaningful contribution. Rather than offering research or lectures, *Beside Still Waters* takes a deeply personal approach, allowing the reader to delve into the individual experiences of fourteen Jews and Christians whose encounters with Buddhism have truly impacted their sense of religious identity. As Jack Miles, author of *God: A Biography*, says in the book's foreword, The Buddhist presence in the religious world is far larger than a head-count of Buddhists can reveal. *Beside Still Waters* upholds this point by way of the diverse and eloquent authors who lend their perspective in its pages; these include Sylvia Boorstein, John B. Cobb, Norman Fischer, Ruben Habito, and other important members of the Jewish, Christian, Buddhist, and scholarly communities. Their collected anecdotes and interviews amount to an unprecedented and enduring work, sure to deepen our ability to understand each other, and therefore, ourselves.

Reforming the Christian Taliban - Rethinking Xtianity James Peter Jandu, 2017-02-24 You cannot read this book and not learn anything. This book is excellent for giving to your friends and family who are still Christians. So if you are an ex Christian, ex pastor, ex Pentecostal, ex fundamentalist, ex Pentecostal pastors or you just love to engage with others on an ex Christian forum, ex-christian.net, ex Pentecostal forums, or an ex Christian blog or two, and are one of the many with ex Christian stories then this book is great to give to your family and friends who are still Christian. It is tailored designed for them and they will never read the Bible the same again. Consider buying in bulk to give away. This timely book is one that every Christian should read if Christianity is to survive the onslaught of the information age. The media love to portray Christianity as a 'dying movement,' it is, in fact, growing at an alarming rate. A frank and close analysis of the Bible is in order, without beating around the bush. The proverbial 'sword' is being used to harm, instead of heal. To understand the Bible accurately involves digging deep, perhaps unearthing uncomfortable facts, and simultaneously uncovering ancient history, wisdom and principles. This book will challenge and educate you. Twelve exciting chapters including: \* Can We Trust The Bible? - The Bible in a nutshell - eye opening! \* The Truth about Sexuality and the Bible - Dealing with homosexuality \* John 14:6 Explained - A clear explanation \* Science and Religion - A look at Near Death Experiences and the Supernatural \* Defending Christianity - How Christian apologists operate \* Rebranding Christianity through Personal Evolution - Start with the man in the mirror. Sadly, the relentless tide of religious thought that has prevailed throughout the centuries will not permit many readers to accept the content of this book. To those who are ready, the words of this book will echo their thoughts and concerns. Are you fed up with artificial morality? Are you bored with ritual and routine? These niggling doubts could be the seeds of your future beliefs. What you don't know, could be what's holding you back. People have warned me not to write this and to let sleeping dogs lie. Some will preach from this writing; others will preach against it. This book is simple, with a simple message. Reading this may ruin you...are you ready to rethink? Pull up your chair, let's have a friendly chat.

*1-2 Peter and Jude: The Christian Standard Commentary* Thomas R. Schreiner, 2020-11 1-2 Peter and Jude is part of The Christian Standard Commentary (CSC) series. This commentary series focuses on the theological and exegetical concerns of each biblical book, while paying careful attention to balancing rigorous scholarship with practical application. This series helps the reader understand each biblical book's theology, its place in the broader narrative of Scripture, and its importance for the church today. Drawing on the wisdom and skills of dozens of evangelical authors, the CSC is a tool for enhancing and supporting the life of the church.

THE KUNDALINI YOGA CHRISTIAN MASTER IS Frank M. Conaway, Jr., 2014-07-17 THIS BOOK IS ABOUT THE KUNDALINI YOGA SCIENCE FROM A CHRISTIAN BIBLE PERSPECTIVE.

Mormonism in Dialogue with Contemporary Christian Theologies David Lamont Paulsen, Donald W. Musser, 2007 This volume brings together, for the first time, a broad range of scholars from Mormon and other Christian traditions. Replacing polemics and apologetics with dialogue, these exchanges

show how the full spectrum of contemporary theologies can be informed by uniquely Mormon ideas, and correlatively, how Mormon thought can be illuminated through the study of key ideas of the foremost theologians of the twentieth and twenty-first centuries.

*Let Mutual Love Continue* Larry Miller, 2021-06-10 The Global Christian Forum brings together the widest variety of global church families as an open space to foster mutual respect and address common challenges. Its Third Global Gathering of leaders took place in Bogota, Colombia in April 2018, at a time of increasing diversity and change in global Christianity. This book contains the papers, perspectives, and prayers from this significant event.
