The Case for Heaven Lee Strobel,2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

The Case for Christ Lee Strobel,2010-11 The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, Can the Biographies of Jesus Be Trusted?), scientific evidence, (Does Archaeology Confirm or Contradict Jesus' Biographies?), and psychiatric evidence (Was Jesus Crazy When He Claimed to Be the Son of God?). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

The Case for Miracles Lee Strobel,2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, The Case for Miracles shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: The Case for Miracles Spanish edition, kids' edition, and student edition.

The Pursuit of a Christian Witness Lee,2001-05-01 While unbelievers may pursue a myriad of diversions and pleasures, a Christian's unique goal should be God Himself. God created us for Himself, and He wants to be the unrivaled object of our pursuit: Seek the LORD and his strength, seek his face continually (1 Chron. 16:11). In contrast to this intention, however, many Christians do not have a consistent pursuit. In The Pursuit of a Christian Witness Lee guides believers back to the center of the Christian life. Using practical illustrations, he presents the normal life of a believer. A Christian should possess and enjoy four indispensable items: Christ, the Bible, the church, and spiritual companions who pursue after Christ. He also should have four distinguishing characteristics: he should be peculiar to unbelievers because his manner of life is sanctified; he should be inwardly aware that the Lord's leading often is in contradiction to his personal desires; his living should originate from his innermost part rather than from his natural considerations; and he should seek the will of God and be led by God in everything he does.

My Romance with God Peter Christian Lee,2013-05-20 Our relationship with God tends to be complicated because He knows us only too well while we are limited in our knowledge and to our ignorance of God. As a result, our bond with Him strains as it weaves in and out of an ambivalent and whimsical love-hate relationship. This book is for Christians who are confused, lost and entangled in this intricate web with God. Having our faith constantly challenged, we find ourselves tired and mired in a relationship that seems to be running out of steam. The daily battles we fight to survive are more than we can handle, let alone having to deal with an unpredictable and unfathomable God. My Romance with God chronicles an episode in my life that reveals a glimpse of God. It captures pieces of an intangible portrait that paints an enigmatic yet vibrant relationship that can prove overwhelming, and yet quenching the thirst and satisfying the hunger of our spirit. Knowing the Word is good. Understanding it is even better. But living it is best, because it is only by living the Word that one can truly believe. I know that God spoke to me through these pages. I know that He will also speak to those who read it. "but those who hope in the Lord will renew their strength. They will soar on wings like Eagles; they will run and not grow weary, they will walk and not be faint." (Isaiah 40:31)

The Quotidian Revolution Christian Lee Novetzke,2016-10-18 In thirteenth-century Maharashtra, a new vernacular literature emerged to challenge the hegemony of Sanskrit, a language largely restricted to men of high caste. In a vivid and accessible idiom, this new Marathi literature inaugurated a public debate over the ethics of social difference grounded in the idiom of everyday life. The arguments of vernacular intellectuals pushed the question of social inclusion into ever-wider social realms, spearheading the development of a nascent premodern public sphere that valorized the quotidian world in sociopolitical terms. The Quotidian Revolution examines this pivotal moment of vernacularization in Indian literature, religion, and public life by investigating courtly donative Marathi inscriptions alongside the first extant texts of Marathi literature: the Lilacaritra (1278) and the Jñanesvari (1290). Novetzke revisits the influence of Chakradhar (c. 1194), the founder of the Mahanubhav religion, and Jnandev (c. 1271), who became a major figure of the Varkari religion, to observe how these avant-garde and worldly elites pursued a radical intervention into the social questions and ethics of the age. Drawing on political anthropology and contemporary theories of social justice, religion, and the public sphere, The Quotidian Revolution explores the specific circumstances of this new discourse oriented around everyday life and its lasting legacy: widening the space of public debate in a way that presages key aspects of Indian modernity and democracy.

The Case for Faith Lee Strobel,2021-12-14 This timeless, compelling, and thought-provoking book on the Christian faith, now updated, includes two all-new chapters, a current list of recommended resources for further study, and a new discussion guide. In The Case for Faith, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God--the eight heart barriers to faith: Since evil and suffering exist, a loving God cannot Since miracles contradict science, they cannot be true Evolution explains life, so God isn't needed God isn't worthy of worship if he kills innocent children It's offensive to claim Jesus is the only way to God A loving God would never torture people in hell Church history is littered with oppression and violence I still have doubts, so I can't be a Christian This bestselling book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: The Case for Faith Spanish edition, kids' edition, and student edition. Torn Justin Lee,2012-11-13 An evangelical Christian examines the impact of sexuality, the LGBTQ+ movement, and the future of the church in this thoughtful, deeply researched guide to navigating and mending the social and political division in our families and churches. As a teenager and young man, Justin Lee felt deeply torn. Nicknamed God Boy by his peers, he knew that he was called to a life in the evangelical Christian ministry. But Lee harbored a secret: He also knew that he was gay. In this groundbreaking book, Lee recalls the events--his coming out to his parents, his experiences with the ex-gay movement, and his in-depth study

of the Bible--that led him, eventually, to self-acceptance. But more than just a memoir, TORN provides insightful, practical guidance for all committed Christians who wonder how to relate to gay friends or family members--or who struggle with their own sexuality. Convinced that in a culture that sees gays and Christians as enemies, gay Christians are in a unique position to bring peace, Lee demonstrates that people of faith on both sides of the debate can respect, learn from, and love one another.

Religion and Public Memory Christian Lee Novetzke,2008-07-01 Namdev is a central figure in the cultural history of India, especially within the field of bhakti, a devotional practice that has created publics of memory for over eight centuries. Born in the Marathi-speaking region of the Deccan in the late thirteenth century, Namdev is remembered as a simple, low-caste Hindu tailor whose innovative performances of devotional songs spread his fame widely. He is central to many religious traditions within Hinduism, as well as to Sikhism, and he is a key early literary figure in Maharashtra, northern India, and Punjab. In the modern period, Namdev appears throughout the public spheres of Marathi and Hindi and in India at large, where his identity fluctuates between regional associations and a quiet, pan-Indian, nationalist-secularist profile that champions the poor, oppressed, marginalized, and low caste. Christian Lee Novetzke considers the way social memory coheres around the figure of Namdev from the sixteenth century to the present, examining the practices that situate Namdev's memory in multiple historical publics. Focusing primarily on Maharashtra and drawing on ethnographies of devotional performance, archival materials, scholarly historiography, and popular media, especially film, Novetzke vividly illustrates how religious communities in India preserve their pasts and, in turn, create their own historical narratives.

Crucial Principles for the Christian Life and the Church Life Witness Lee,2007-02-01 This book covers two crucial matters: the believers' personal contact with the Lord as branches abiding in the vine, and the vision and practice of the proper church life.

No Posers, Please R.W. Lee,2015-08-05 No Posers, Please tackles the emerging presence of failure in Christian practice. It has embedded itself in leadership, mindset, and discipleship. To combat the first poser of failed leadership, RW Lee turns to the Old Testament book of Ezra as the source of four principles. He uncovers and describes Ezras insights that development precedes outcome, reverence precedes worship, separation precedes magnetism, and inspiration precedes adjustment. The second poser is failed mindset. What causes it and how to restore it are found in Pauls letter to the church at Ephesus. No Posers, Please offers a common sense approach that lines up the inner person with outward actions and directs the follower to spiritual freedom. Finally, in looking at the third poser of failed discipleship, readers are urged to examine their understanding of a Christians five functions and methods for interacting with others. Follow the example modeled by Christ of enticing, educating, and then examining those around him. Look at how he heightened his interactions by emphasizing his distinctiveness, challenging thinking, developing others, exercising authority, and being intentional with his timing. Following the main presentation of its message, No Posers, Please includes appendices, a glossary, references, an index, and a reading list to aid the reader in gaining a deeper and richer appreciation for the works topic. Whatever your role in a local congregation, No Posers, Please encourages scripturally grounded ways to face, engage, and critique failures infiltration into Christianity so that leadership, mindset, and discipleship may be restored to the intentions Christ has for his church.
