**Christian Radio** Bob Lochte, 2015-02-16 Religious programming has been on the airwaves since broadcasting began, but today it is one of the fastest growing categories in radio. This book examines the progression of Christian radio from its beginnings on tiny local stations (like WCAL from St. Olaf's College in Minnesota) to its presence on network and satellite radio of today. The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio. Also considered are the changing demographics that have contributed to the success of Christian broadcasting. Major Christian networks and their evangelical missions are discussed, along with such programs A Money Minute, Life on the Edge and Focus on the Family, which offer practical topical advice for today's Christian. The final chapter considers the future of Christian radio.

**Powerful Christian Radio** Josh Reid, 2014 Have you ever asked what the point of your local Christian Radio station is? Have you often wondered about their plans and purpose? Are you confused by some of the songs they play on air? Do you wonder in today's Internet savvy world, is there even a need for your local Christian Radio station? If you have ever wondered about why your local Christian Radio station exists, then this is the book for you. In *Powerful Christian Radio*, author Josh Reid explains in easy-to-read language, the Strategy, Impact and Ministry of your local Christian Radio station. In other words - how does God touch people's lives through the ministry of Christian Radio. Using practical real life examples, this book will show you things you don't know about Christian Radio, and challenge your thinking in the way you view it. In a world that's gone Internet crazy it's easy to convince churches and ministries about the importance of using web strategies or social media as evangelism tools. After all, with more than one billion users, Facebook is now the third largest country in the world, which means it's time to start sending missionaries and planting churches in that country. Online evangelism is an easy sell to a new generation of pastors and leaders who have been posting their lives online since childhood. But lost in the Internet frenzy is the power of traditional media - particularly radio. It's required reading if your goal is to impact this culture with a message of hope. The Internet may be getting all the publicity these days, but radio is alive and well. Do yourself a favor and read this book. - Phil Cooke.

**Clarence Jones** Janet Benge, Geoff Benge, 2005-12 A biography of Clarence Jones, who pioneered the use of radio broadcasts in missionary work when he helped to start station HCJB in Quito, Ecuador.

**Successful Christian Television** Phil Cooke, 2006-11 Starting at the beginning -- Determining your resources -- Producers and directors -- Choosing a format -- Television equipment -- Reaching an audience -- Financing your television outreach -- Radio -- The Internet -- Conclusion.

**Godly Pieces** Andre Hibler, 2012-05 The communication of God's word via church setting, a seminar, Christian radio, a song, or a cordial conversation can--through the saving knowledge of Jesus Christ--invigorate an unbeliever; edify the body of believers; and more importantly, bring glory to God. The discussion of God's word exercised in practical short stories can have the same impact as they continue to be a fruitful and viable form of literary expression.

**Unbelievable?** Justin Brierley, 2017-06-15 Conversations matter. Yet, recently, good conversations about faith have been increasingly squeezed out of the public sphere. Seeking to reopen the debate, Justin Brierley began to invite atheists and sceptics on to Premier Christian Radio to air arguments for and against the Christian faith. But how has ten years of discussion with atheists affected the presenter's faith? Reflecting on conversations with Richard Dawkins, Derren Brown and many more, Justin explains why he still finds Christianity the most compelling explanation for life, the universe and everything.

And why, regardless of belief or background, we should all welcome the conversation. 'Beautifully written, brilliantly argued, Justin's book will thrill Christians and challenge atheists.' R. T. Kendall, author and pastor 'Justin has that happy knack of being able to get people of diametrically opposed opinions debating the big issues.' John Lennox, Professor of Mathematics, University of Oxford

**CHURCH DISAPPOINTMENT? HIS APPOINTMENT!** David Spoon, 2015-09-23 God loved you when He called you, God loves you in the midst of your pain and frustration, and God will love you for all eternity. We need to understand...A Church Disappointment may be HIS APPOINTMENT! This is a book for anyone who has been through a painful experience or was involved in a church as a member, a leader, or an attender, and now finds themselves hurt, confused, wandering, or just wondering... Why did God allow that to happen? Using his own painful church experience, David Spoon shows that being wounded isn't the end of the world - In fact, it can actually be a good thing. Through a fascinating journey, David Spoon, in his book Church Disappointment? His Appointment! captures the heart of Jesus for the church's disappointed believers ...and encourages them to Try Again!" -Dr. Robert Jeffress, Senior Pastor, First Baptist Church, Dallas, Texas

**He Made a Way to Escape** Pamela K. Stewart, 2009-07 He Made a Way to Escape reveals how those who are living in an alternative lifestyle can find freedom from the lies of Satan, who has deceived scores of innocent men and women into rejecting the truth about their lives. The Word of God reveals that for every temptation of the enemy, God has made a way to escape. Only by knowing the truth can we be set free from deception, whether it is wrong thinking about ourselves or wrong thinking about others. He Made a Way to Escape liberates not only those who are being judged, but also those who are doing the judging. He Made a Way to Escape is an excellent witnessing tool to give to someone you might know who is engaged in an alternative lifestyle, because it reveals the truth of God's Word without being prideful or judgmental. The Author's ministry spans fourteen years of teaching the gospel of Jesus Christ in prisons, missions and jails in Arkansas and Tennessee. She graduated Bible College from Forward Ministries, Global Ministries and Relief, and is a long-standing member of Church of the Harvest. She has been a guest speaker on Christian radio and has spoken to men and women's groups on various Christian topics. She is also author of the book, The Immaculate Deception.

**The Empowered Christian Woman** Anita Lantz, 2016-10-31 p.p1 {margin: 0.0px 0.0px 0.0px; text-align: justify; font: 11.0px Times; color: #8b806c} We see her across the room. She looks happy, self-confident, unflappable, and she has an easy laugh. We say to ourselves, Now, that's how I wish I felt! She appears to be a woman without a care in the world. We are certain she wouldn't understand the challenges and severe trials we're going through. When we compare ourselves to her, we wish we had her life. However, what we don't know about this woman is that she deals with the same type challenges and trials of life that we do. So what's her secret, we wonder? There's a good chance that she is an empowered Christian woman, who has discovered how to live peacefully and stress-free, which enables her to look her best, do her best, and be her best. We all want to be like her! We know we can't escape the trials of life; but there's a difference in how we can live and handle them. We can be among those who are only surviving our trials or we can be thriving in the midst of them-and no matter how dire the situation, we can come through even stronger. So, what makes the difference? This book offers that answer in the Bible truth presented and its evidence revealed in stories of biblical characters and contemporary women. It will show you how you can live as an empowered Christian woman, reflecting an image like that 'woman across the room'. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; text-align: justify; font: 9.0px Times; color: #8b806c} Anita Lantz is a public speaker. She has shared her personal testimony and biblical teachings before scores of churches, women's seminars, retreats, organizations, and over Christian radio. Her 30-plus years in public

ministry have provided the nucleus for writing this book. She resides in Columbus, Ohio, where she enjoys a great family life with her children and grandchildren.

***In Search of Shalom*** Roy Hanschke, 2018-03-13 In an increasingly confusing and crass culture, how can modern males re-discover what makes them matter? With a new view of their own spirituality . . . Everywhere you look, the role of men in society is being attacked, belittled and dismissed as old-fashioned, unnecessary, and most disturbing of all, toxic. With this constant onslaught of negativity, many men are looking at their commonplace lives wondering “is this is all there is?” They dream of making a significant spiritual impact on their families, their neighborhoods, places of business and churches. And it doesn’t have to be just a dream. With *In Search of Shalom*, that dream can be reality. For Shalom is so much more than what many may think of as “peace”. It stands for the fullness of life that God planned for every person. The man who finds shalom not only experiences it for himself, but also brings it to his world. Using the Pilgrim Psalms as a guide, Christian radio personality Roy Hanschke skillfully uncovers the instructions that can lead a man on a journey of change for himself and his world. Come join the men who are finding their joy in life the way God planned it—men in search of shalom.

***Almost Heaven*** Chris Fabry, 2010-10-11 From the bestselling author of *War Room* comes a gripping novel that was awarded both an ECPA Christian Book Award for fiction and a 2011 Christy Award! Billy Allman is a hillbilly genius. People in Dogwood, West Virginia, say he was born with a second helping of brains and a gift for playing the mandolin but was cut short on social skills. Though he’d gladly give you the shirt off his back, they were right. Billy longs to use his life as an ode to God, a lyrical, beautiful bluegrass song played with a finely tuned heart. So with spare parts from a lifetime of collecting, he builds a radio station in his own home. People in town laugh. But Billy carries a brutal secret that keeps him from significance and purpose. Things always seem to go wrong for him. However small his life seems, from a different perspective Billy’s song reaches far beyond the hills and hollers he calls home. Malachi is an angel sent to observe Billy. Though it is not his dream assignment, Malachi follows the man and begins to see the bigger picture of how each painful step Billy takes is a note added to a beautiful symphony that will forever change the lives of those who hear it.

***Magnetic Christianity*** Gus Lloyd, 2013-02 ARE YOU READY, WILLING AND ABLE TO HELP CHANGE THE CULTURE? The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest. Luke 10:2 Those words spoken by Jesus nearly 2000 years ago ring even more true today. Christianity is becoming less and less relevant in people's lives. As our nation and our world fall away from the practice of the Christian faith, society continues its slide into a moral abyss. As a Christian, you can be a part of the problem by sitting on the sideline complaining, or you can be part of the solution by helping others to know Christ and building up the Kingdom of God. It's your choice! In *Magnetic Christianity*, you'll learn about the eleven attributes of a Magnetic Christian. These attributes, all clearly found in Scripture, are already part of who you are. God has built them into you. *Magnetic Christianity* will help you identify and enhance these attributes. As you grow in faith and holiness, people will naturally be attracted to you, and to Christ. You'll learn how to naturally and easily share your faith through the practice of these attributes of a Magnetic Christian: \* Positivity \* Enthusiasm \* Friendliness \* Confidence \* Humility \* Honesty \* Kindness \* Compassion \* Approachability \* Generosity \* Encouragement

***Frogs in the Loo*** Patti Olson, 2011-08-29 From a daily commute through Seattle rush-hour traffic to equatorial jungles, the Olsons experienced a radical change in lifestyle when they answered a call to serve God in Christian radio. Their travels over a nine-year period brought challenging and joyful experiences in cross-cultural living in the twenty-first century. Their stories range from compassionate to humorous as they relate their

extraordinary adventures. Travel along with the Olsons as they move from country to country across five continents. Author Patti Olson captured the sights, sounds, and emotions of new discoveries as they experienced them, allowing her to recount them in rich detail in *Frogs in the Loo and Other Short-Term Missions Tales*.

**Exceptional Life, The** Stephen Arterburn, 2011-09 The book presents eight issues that hold people back such as guilt, shame, fear, anger, and isolation and helps readers give them, replacing them with positives such as hope, love, trust, forgiveness, connection and community--Provided by publisher.

Wisdom for the Trenches Larry W. Poland Ph.D., 2021-07-01 World War I—when trench warfare was the awful way wars were fought. It was not just the drudgery of digging the trenches. It was the horror of living in them in mud, ice, snow, and bombardments. For the person of faith, everyday life has its own moral and spiritual trench warfare with constant bombardments by the enemies of our souls. When King Solomon and his wise friends wrote the divinely inspired Book of Proverbs, they knew life was warfare. They gave advice about the dangers of adultery, the stupidity of getting into debt, and the folly of not learning from the disastrous decisions of others . . . whom they called fools. They made Proverbs a guide to survival and victory. For nearly four decades, Larry Poland served Jesus Christ in what he calls the epicenter of folly—Hollywood and New York media. All the while, he studied the Bible's basic textbook on wisdom, Proverbs. He translated these wonderfully practical principles into the treacherous world in which you and I live—and fight the spiritual war—in the trenches of life. Larry brings his education in social science at Wheaton College, in theology at Grace Seminary, and two graduate degrees including a Ph.D. from Purdue University to bear on God's solutions. He integrates his experience as a college president, founder of a Christian radio station, TV talk show host, author of nine books, creator of the world's largest traveling mixed media presentation, travel in 82 countries, and consultant to executives in global media. Larry and his wife, Donna Lynn, have six children and fourteen precious members of the next generation. This book could change your life . . . and help you win your war!

*Friendship Radio* Alma Tygert Oline, 2019-01-09 Friendship Radio was written to tell the story of the beginning of this unique ministry and to show readers how real and involved the Lord is in our lives. He is a God of love and care, and has a concern for our every need. I also wanted to show that we are not all alone in our work for the Lord. He brings people into our lives who are just who is needed and with whom we can share the joys of serving the Lord together.

**Emotions** Chance McLin Ph.D., 2011-02-21 An illegally honest, sometimes humorous but always refreshing look at Christianity from one not afraid to embrace imperfection. It's Christianity 101.

*Lifelines for Tough Times* Mike Fabarez, 2014-07-01 When tough times hit, we often find ourselves vulnerable—to doubt, fear, worry, even depression. We ask, “Does God care? Has He forgotten me?” So why does God allow suffering? Author Mike Fabarez—who is well acquainted with deep pain himself as the father of a special-needs child and as a pastor who has counseled many through life's hurts—looks to the truths of Scripture for answers. Along the way, he shares... how complete trust in God alone can restore your confidence and hope the power of focusing on God's eternal goals for you in life's temporary setbacks God's promises to love and protect you no matter what happens This book will not only help you understand why God allows suffering—it will provide you with the resources to stand strong, rest in God's care, and endure!

**Stations of the Cross** Paul Apostolidis, 2000-06-02 Since the 1970s, American society has provided especially fertile ground for the growth of the Christian right and its influence on both political and cultural discourse. In *Stations of the Cross* political theorist Paul Apostolidis shows how a critical component of this movement's popular

culture—evangelical conservative radio—interacts with the current U.S. political economy. By examining in particular James Dobson’s enormously influential program, Focus on the Family—its messages, politics, and effects—Apostolidis reveals the complex nature of contemporary conservative religious culture. Public ideology and institutional tendencies clash, the author argues, in the restructuring of the welfare state, the financing of the electoral system, and the backlash against women and minorities. These frictions are nowhere more apparent than on Christian right radio. Reinvigorating the intellectual tradition of the Frankfurt School, Apostolidis shows how ideas derived from early critical theory—in particular that of Theodor W. Adorno—can illuminate the political and social dynamics of this aspect of contemporary American culture. He uses and reworks Adorno’s theories to interpret the nationally broadcast Focus on the Family, revealing how the cultural discourse of the Christian right resonates with recent structural transformations in the American political economy. Apostolidis shows that the antidote to the Christian right’s marriage of religious and market fundamentalism lies not in a reinvocation of liberal fundamentals, but rather depends on a patient cultivation of the affinities between religion’s utopian impulses and radical, democratic challenges to the present political-economic order. Mixing critical theory with detailed analysis, Stations of the Cross provides a needed contribution to sociopolitical studies of mass movements and will attract readers in sociology, political science, philosophy, and history.
