List of Applications for Pensions which Have Been Suspended Or Rejected United States. Pension Bureau,1852

Rejected Or Suspended Applications for Revolutionary War Pensions, with an Added Index to States United States. Department of the Interior,1969 This reprint of a rare United States Senate Document lists the names and residences of about 11,000 Revolutionary War soldiers and/or their widows who applied for pensions under the Acts of June 7, 1832, and July 7, 1838 and whose claims were rejected or suspended, along with the reasons. Most of the claims were for authentic service of actual Revolutionary soldiers but were rejected or suspended because the soldier did not serve for six months, his name did not appear on the rolls, or because a claim was suspended for further proof, such as proof of marriage. Still other claims were turned down on grounds of desertion, privateer service, or other service in a non-military category. The lists of suspended applications are arranged by states and thereunder by Act of Congress and category of rejection or suspension.

Rise Above Hate May God Save The King Michael Oglesby,2012-04-09 In America you are the king or the queen, we are blessed with these abilities because of our Constitution and our Bill of Rights the day has already came and went when these blessings were laid to the waste side, because of fear specific to the events of September 11th 2001, out of fear the laws that we hold dear and enables us “We the People” of the United States of America to be our kings and queens have been set aside, so the constitution and the Bill of Rights represent what we lost on that horrible day and the weeks that followed. The crown represents what “we the people lost that day.” Our Rights as American’s our Constitution our Charter, our right to be Kings and Queens.
