Christmas Lights Christine Pisera Naman,2017-10-03
Christmas is right around the corner . . . It's the most wonderful season of all, and for the women of Christmas Lights, it's a time of magic, good cheer, and, most of all, family. In this collection, we meet Katherine, Julianna, Adrianna, Cassandra, Victoria, Alexandra, and Isabella—seven women each wishing for their very own Christmas miracle. From Katherine, who is caring for an ailing loved one, to Cassandra, the busy mother of toddlers, and Adrianna, struggling with the difficulties of marriage, to Victoria, who is searching for a love to call her own, these stories perfectly capture the heart and soul of the holiday spirit. As Christmas Eve approaches, each woman strives to remember the reason for the season before coming together in a moving finale that celebrates the true meaning of Christmas. Full of festive cheer, Christmas Lights is the perfect stocking stuffer for fans of Debbie Macomber and Fannie Flagg—or anyone longing to rediscover the magic of Christmas.

Christmas Lights Brooke Kramb,2013-12-19 Recall Christmas traditions and family memories through this charming book centered around the beauty of Christmas lights.

Glow-Mometer Rising Jan Taylor Lippitt,Anna B Eddy,2023-05-05 It's magic! Every year, the Christmas Village comes to life...but only if all the people and pieces of the village are set up by sunset on the Sunday after Thanksgiving. The Real House children, Annie, Maggie, and Joanie don't have time to finish setting up the village before they leave for Gramma and Grampa's house the day after Thanksgiving. With just a little magic left, and a lot of cooperation, the people of the Christmas Village come alive and get to work, racing against time and overcoming obstacles to finish setting up the village. Grannie Noelle, her

faithful dog, Holly-Honey, the magic owls, Ora and Ona, and all the wonderful children and residents of the village share ideas and work together hoping to refuel the Glow-Mometer before sunset on Sunday. Will they be able to accomplish this magical task in time, or will they just be ordinary Christmas Village figures this season who cannot move or talk?
