**Christmas Greetings** Pat Simmons,2014-11-29 Saige Carter loves everything about Christmas: the shopping, the food, the lights, and of course, Christmas wouldn't be complete without family and friends to share in the traditions they've created together. Plus, Saige is extra excited about her line of Christmas greeting cards hitting store shelves, but when she gets devastating news around the holidays, she wonders if she'll ever look at Christmas the same again. Daniel Washington is no Scrooge, but he'd rather skip the holidays altogether than spend them with his estranged family. After one too many arguments around the dinner table one year, Daniel had enough and walked away from the drama. As one year has turned into many, no one seems willing to take the first step toward reconciliation. When Daniel reads one of Saige's greeting cards, he's unsure if the words inside are enough to erase the pain and bring about forgiveness. Once God reveals to them His purpose for their lives, they will have a reason to rejoice. Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. Matthew 11:28-29

**Christmas Greetings from the Presidents** Various  
Authors, 2016 Christmas Greetings from the Presidents takes a comforting, nostalgic look back in time to when Americans viewed the annual Christmas message to the nation as the embodiment of a national spirit of unity and goodwill through both the best of times and the darkest days of national trials. The book, the first of its kind by a national publisher, chronicles presidential Christmas messages from the inception of this tradition in 1927 with Calvin Coolidge to President Obama. It provides the historical context of the era, rarely-seen archival photographs that offer us a window into the history unfolding at the time, and a sidebar Did you Know feature with trivia that often shines a new light on the personality of the president as he responds to unplanned Christmas-time events.

**Merry Christmas, World** Aleksandra Szmidt, 2019-09-03 'Tis the season to wish the world a merry Christmas! Includes 14 translations of Merry Christmas from around the world!

**Greetings** Ann D. Lutz, 2006-05-11 These poems are the Christmas Greetings my husband and I shared with friends over the years. He died in 2001, but I have continued the tradition. These poems, in traditional metered and rhymed lines, usually end with a prayer for the New Year, similar to what might be included in a greeting card. Hence the title Greetings! Many

friends have expressed appreciation for the poems and my colleagues in Ministry have found them usable and quotable in sermons. Many of the poems can be sung to familiar meters or hymn tunes.

Merry Christmas, Even If You Don't Buy This Book Brook Lundy, Sterling Innovation, Duncan Mitchell, 2009-10 Unlike the endless droves of generic Christmas greetings with clichéd sayings, sugary sentiments, and sparkly angels, these cards stand apart from the rest by expressing what people really feel when the season rolls around.

**Christmas Reflections Thru the Years** Susan J. Ellis, 2016-11-21 A collection of Christmas poems to celebrate the Christmas season. Ordinary poems meant to share the spirit of Christmas.

Christmas Greetings Showell Rogers, 2016-11-22 Excerpt from Christmas Greetings: And Other Verses HE years eet by on such rapid wings that it is hard to realise that three have sped since Dr. Showell Rogers passed from our midst. Four Christmases have come and gone since his last message reached us. There were many who received that booklet of seasonable verse, and many who looked forward to such a gift for many Christmases to come and these it is who mourn not only the loss Of a gracious personality, but the uncompleted promise of too short a life. The memory remains of a man whom it was indeed a privilege to know as a friend; and the regret deepens that his leaf perished in the green. We can but conjecture what he might have ripened to, this

ardent student, this richly-dowered soul; the inexorable Fates who, as with Lycidas, with the abhorred shears slit the thin-spun life, have made it impossible for the real value of his gifts to be appraised.
