Christmas Piano Songs for Kids Monty Webb, 2021-11-27 The BEST Christmas Gift for Tiny Aspiring Pianists! Do you have a little one at home who just loves to mess around with the Piano? Maybe they are just dying to play along to their favorite Christmas songs but are put off by all the complicated sheet music and boring teaching methods? Well, you've certainly come to the right place. Our Christmas songbook is just perfect for kids of all ages, even if they have absolutely zero prior experience before playing the piano. You see, every song in this book has only the most basic notation (which is perfect for complete beginners) with all the letters clearly written above each note - so they won't get bogged down with memorizing all the notes first. PLUS all the songs have the lyrics clearly written beneath them, so your little ones can sing their hearts out to all their favorite songs. But maybe you can't remember exactly what all the symbols mean? Hmm, what was that squiggle again?? Don't worry! We've got you covered. You and your kids will love reading through our crash course to learn piano with our special bonus section at the beginning of the book. It's kid-friendly & fun. Watch their face light up as they effortlessly soak up everything they need to know to then go on and play EVERY song in the book. It's that easy. Take a look for yourself, it's perfect for everyone to have a tinkle with (but be careful - it gets addictive!) Inside you'll find: □ Simple Sheet Music for 30 Christmas Classics (Jingle Bells, Silent Night, Away in a Manger, Hark! The Herald Angels Sing, The First Noel, We Wish You a Merry Christmas, O Christmas Tree, the list goes on...) □ FREE MP3 Files for every song - listen before you play. It makes the learning process all the more easier. □ ALL songs have easy-to-read notation, with labeled notes & clear fonts (great for kids). □ A BONUS Crash Course for Beginners, teaching everything from basic rhythm to some very clever tricks for knowing what each note is on the piano (hint, it involves a cute dog.) □ Compose Your Own Music! This section at the end gives your child the unique opportunity to let their creativity run wild, and write their own Christmas carols. □ No more floppy books! Don't you just hate it when your book keeps falling off the piano stand? They constantly flop all over the place and drive us all crazy! For this reason, we've added

extra-large margins and dotted lines to allow your kids to have fun cutting out their favorite pieces to lay out on the piano stand whilst they play. This means no more frantic turning of pages, no more squinting to see what the notes are near the spine of the book. Just effortless reading - 100% enjoyment of the piano music, without any of the hassle. You see, reading sheet music is kinda like learning another language. It takes time and effort. That's why this book does it in the most fun and easy way possible - through learning Christmas songs! It's the ideal book for young kids and complete beginners to get started with. So what are you waiting for? This book'll make the perfect Christmas gift for your little ones - we know they'll absolutely love it! It's made with love and care (and a whole load of fun!).
