The Holly Tones 2 Samantha Dala,2015-10-16 This book The Holly Tones 2 is the continuation of the first one The Holly Tones, as the main characters, Nick and Holly, had to take another whirlwind Christmas adventures and to take their singing team further to the top. I hope this book can bring inspirations to everyone's heart and make the Christmas season spirit be lived throughout the year. This is a Christmas movie that I have been working on and that I love very much.

A Strawberry Christmas Tree & the Perfect Christmas Candy Lewis Brech,2010-10-30 Two stories, the poem 'A Strawberry Christmas Tree' is based on a true story from Christmas 2007 and The Perfect Christmas Candy gives a whimsical look at the candy cane and how it symbolizes the very best of Jesus Christ. From the Storybook Advent Series

My Sunday Best Oliver Pritchett,2014-10-16 A witty compendium of musings on modern life from two of Britain's best-loved father and son humorists. Ever unafraid to tackle the great matters of the day—and even more at home in the company of the apparently trivial—Oliver Pritchett might lament the lost art of how to end a tedious phone conversation, report on his investigations into the world's "superfruits," or answer such a pressing question as, How does one spot a Bank Holiday? Why do we clap at things that don't need applause? or, What is the correct protocol should Prince William land a helicopter in one's garden? Anthologized for the first time, and illustrated by his son Matt's brilliantly witty cartoons, Oliver's writings reflect upon just how quaint, odd and beautifully absurd life is. So we invite you to sit back and enjoy this whimsical and comical collection of curious contemplations, which quite simply, well, "Just occurred to me . . ."

Murder at an Irish Christmas Carlene O'Connor,2021-09-13 Murder rearranges the Yuletide carols into unexpected eulogies... The O'Sullivans are spending Christmas in West Cork with brother James's fiancée Elise's family, including her grandfather, the famous orchestral conductor Enda Elliot. When they learn everyone will choose a name from a hat to buy a music-related Christmas gift for someone else at the gathering, it seems like their greatest concern—until the cantankerous conductor is discovered crushed under a ninety-pound harp in a local concert hall. With the extended family—including Enda's much-younger new wife Leah, a virtuoso violinist—suspected in his murder, it's up to Siobhán to ensure the guilty party faces the music. But as a snowstorm strands both families in a lavish farmhouse on a cliff, Siobhán had better pick up the tempo—before the killer orchestrates another untimely demise... A charming Christmas cosy mystery, perfect for fans of Margaret Mayhew and Dee Macdonald.

Storybook Advent Calendar Laura D. Lewis,Lewis Brech,2010-04-12 Advent is the four weeks leading up to Christmas. The Storybook Advent Calendar includes a number of classic Christmas Stories by many of the most beloved writers in addition to 7 original stories written specifically for this book.

Behind the Screen Ari Hakkarainen,2010-09-10 Behind the Screen unveils Nokia's phenomenal success story through people, business initiatives and products. The book explores key moments, key technologies and key managers who contributed to the company's growth to become the world's favorite mobile phone brand. In the 1990s, Nokia outrivaled the traditional telecommunications companies Motorola and Ericsson by introducing innovative products that allowed personalization and gaming, and by exploiting new technologies which created businesses that didn't exist before, such as ringtones. Once the dot-com bubble had burst and 3G licence bidding had driven the industry into a downturn, Nokia faced new competition. Microsoft challenged Nokia in software, and Samsung and LG in hardware. Yet, Nokia was thriving as the competition heated up. It wasn't enough, because the biggest disruption in mobile communications was yet to come - the Internet. After Apple introduced the iPhone, Google gave away an open-source operating system for smartphones, and Skype generated revenues from a free telephone service, it wasn't enough for Nokia just to crank out products for the vast Indian market or tailor phones for AT&T or Vodafone. The industry had changed irrevocably. Whereas people in established markets wanted to access their favorite social networking services like Facebook or Twitter using a mobile device, people in emerging markets needed their first e-mail accounts. That's where Nokia's strategic Internet service Ovi came in. Behind the Screen unfolds the stories of businesses and technologies that Nokia created and turned into global successes or into miserable failures. It might be impossible to replicate Nokia's success, but the stories offer valuable nuggets on how to thrive in global markets.

Sleigh Rides, Jingle Bells, and Silent Nights Ronald D. Lankford,2013-10-01 When Bing Crosby's White Christmas debuted in 1942, no one imagined that a holiday song would top the charts year after year. One of the best-selling singles ever released, it remains on rotation at tree lighting ceremonies across the country, in crowded shopping malls on Black Friday, and at warm diners on lonely Christmas Eve nights. Over the years, other favorites have been added to America's annual playlist, including Elvis Presley's Blue Christmas, the King Cole Trio's The Christmas Song, Gene Autry's Rudolph the Red-Nosed Reindeer, Willie Nelson's Pretty Paper, and, of course, Elmo & Patsy's Grandma Got Run Over by a Reindeer. Viewing American holiday values through the filter of familiar Christmas songs, Ronald Lankford examines popular culture, consumerism, and the dynamics of the traditional American family. He surveys more than seventy-five years of songs and reveals that the "modern American Christmas" has carried a complex and sometimes contradictory set of meanings. Interpreting tunes against the backdrop of the eras in which they were first released, he identifies the repeated themes of nostalgia, commerce, holiday blues, carnival, and travesty that underscore so much beloved music. This first full-length analysis of the lyrics, images, and commercial forces inextricably linked to Yuletide music hits the heart of what many Americans think Christmas is—or should be.

A Series of Unrelated Events Richard Bacon,2013-05-23 Have you ever been stitched up to the national press by your best mate? Or unintentionally upset a band with a slip of the tongue on a live TV show? Or ruined a dinner party by transforming everything alcoholic into water? Hello. I'm Richard Bacon and this is A Series of Unrelated Events. All of the stories are true. All of them happened to me. I've made the mistakes so you don't have to (you're welcome). So now, if you should ever find yourself sobbing on top of a box of gherkins in the stockroom of a Mansfield McDonald's... having a Twitter conversation with your mum while she's pretending to be an illiterate dog... performing stand-up to an audience who are funnier than you are... or just letting down all of the children of Great Britain... ...you'll know exactly what to do.

No Big Deal!: An MT Sales Story Rasal, Is there a man more lost than the one forced to walk the cobbled path of conformity? Ever been a virgin? A beginner? A trainee? Untrained, unproven, unsure ... Pushed off the cliff on a leap of faith with no visible harnesses, yet you are not fallen. Thrown into

the deep end with no life vests, yet you are not sunk. Are you someone who has made it across, now wondering how you managed to? Are you one lost in an abyss, wondering what next? Or one about to be pushed off? Are you at least someone who is not dead, yet? If yes, read on ... The domino that someone had set into motion in the past has been falling, pushing him from one chaotic chequered box into another. Is it only for me? Is it the same for others too? Is it all by design or by default? Or is it that even the defaults are by a grand design? Mehraz wondered. Mehraz. A dazed management trainee pushed into the frenzy of insurance sales when he was certain that sales was the one thing he never wanted to do. Oddly, he never knew what was that one thing he wanted to do either. At times, even as managers or VPs, we can still be that dazed management trainee. At times, even in real life, we can be a Mehraz, deep within. Unsure what it is that we should be doing while we live out choices of unknown others. This is Mehraz's story. Angelo's and Shibu's. Of their friends and their worlds. At times, yours too ...
