The Twelve Days of Dash & Lily Rachel Cohn,David

Levithan,2016-10-18 New York Times bestselling authors Rachel Cohn and David Levithan are back together with a life-affirming holiday romance starring Dash and Lily. Just in time for the series release of Dash & Lily on Netflix! Dash and Lily have had a tough year since readers watched the couple fall in love in Dash & Lily's Book of Dares. Lily's beloved grandfather suffered a heart attack, and his difficult road to recovery has taken a major toll on her typically sunny disposition. Lily's spark has dimmed so much that Langston, her brother, has put aside his grudge against Dash to team up and remind Lily what there is to love about life. With only twelve days left until Christmas-Lily's favorite time of the year-Dash, Langston, and their friends take Manhattan by storm to help Lily recapture the holiday spirit of New York City in December, a time and place unlike anywhere else in the world. Told in alternating chapters, *The Twelve Days of Dash & Lily* is bound to be a Christmas favorite for seasons to come. Cohn and Levithan write with verve and plenty of wry comedy. . . .

Intriguing characters and splendid writing.--Kirkus Reviews
Peppered with sharp banter and up-to-the-minute New York City references. . . . A full-fledged rom-com.--Publishers Weekly

Iced Carol Higgins Clark,2008-05-01 It's Christmas in Aspen and P.I. Regan Reilly is vacationing with her parents and hoping to meet an unmarried man. Soon, however, all thoughts of romance turn to sleuthing when million-dollar paintings start disappearing, along with an old friend of Regan's--who happens to be an ex-con. The snow is falling, the plot is thickening, and the danger is closing in on Regan. After assorted hijinks, adventures, false alarms, and--yes--plain old silliness, the plot finally gets all

tied up in a nice, neat, mostly happy ending that will no doubt charm even the most Scrooge-like reader. Solidly entertaining, mostly clever, occasionally funny, and always fun, this one is sure to please the author's growing audience. --Booklist A fun and funny read. --- USA Today The quintessential beachbook...Clark writes with a breezy style that will quickly refresh readers. --- Publishers Weekly

Weekend Getaways Around Washington, D.C. Shosteck, Robert, 2004

Bowker's Complete Video Directory, 1996

Angel on Ice Kiara S. McCoy, Caleb P. McCoy, 2014-03-08

Kiara Grandma Kia McCoy was born on March 8th, 1949, in Racine, Wisconsin. She was a figure skater at an early age and then re-discovered her passion at the young age of 61.5 years old. At the age of 63, she competed internationally and won the World Championships in her age division in May of 2012. Her love for God was undeniable, and she was a blessing to everyone she met. She strove to follow Jesus with her whole heart, glimpses of which she left behind in twenty-three journals and on thousands of cards packed with verses, quotes and thoughts - all in her beautiful handwriting. She was diagnosed with sarcoma, a rare form of cancer, on July 7th, 2012 and passed away on March 28th, 2013. She has left behind her stories - words of wisdom and, hopefully, an inspiration to those who read them.

Naptime with Joey Laura Izumikawa, 2022-02-22 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes *Naptime with Joey*, a ridiculously delightful photo book of her now internet-famous daughter

dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from Stranger Things. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

Servants: A Downstairs History of Britain from the Nineteenth Century to Modern Times Lucy Lethbridge, 2013-11-18 A New York Times Book Review Editor's Choice Beautifully written, sparkling with insight, and a pleasure to read, *Servants* is social history at its most humane and perceptive. —Paul Addison, Times Literary Supplement From the immense staff running a lavish Edwardian estate to the lonely maid-of-all-work cooking in a cramped middle-class house, domestics were an essential yet unobtrusive part of the British hierarchy for much of the past century, required to tread softly and blend into the background. Lucy Lethbridge's *Servants* gives them a voice in this discerning portrait of the complex relationship between the server, the served, and the world they lived in, opening a window on British society from the Edwardian period to the present.

Girl With No Job Claudia Oshry, 2022-01-25 A tongue-in-cheek advice book from one of the most famous funemployed millennials in Manhattan and founder of the Instagram account Girl With No Job--

We Are Legion (We Are Bob) Dennis E. Taylor, 2017-04-14 Bobiverse fans: a signed limited edition of all three books in a boxed set, signed by the author, is now available on Amazon. Look for The Bobiverse [Signed Limited Edition] on Amazon Bob Johansson has just sold his software company and is looking forward to a life of leisure. There are places to go, books to read, and movies to watch. So it's a little unfair when he gets himself killed crossing the street. Bob wakes up a century later to find that corpsicles have been declared to be without rights, and he is now the property of the state. He has been uploaded into computer hardware and is slated to be the controlling AI in an interstellar probe looking for habitable planets. The stakes are high: no less than the first claim to entire worlds. If he declines the honor, he'll be switched off, and they'll try again with someone else. If he accepts, he becomes a prime target. There are at least three other countries trying to get their own probes launched first, and they play dirty. The safest place for Bob is in space, heading away from Earth at top speed. Or so he thinks. Because the universe is full of nasties, and trespassers make them mad - very mad.

Treasures of Royal Museums Greenwich Robert Blyth, 2021-08 Beautifully illustrated and accompanied by extraordinary histories, this book is a celebration of 100 of the most important and exquisite objects in the Royal Museums Greenwich collections, including some of the most significant new acquisitions of the last ten years. From Elizabeth I, the Armada Portrait to the uniform Nelson wore during the Battle of

Trafalgar; Harrison's remarkable timepieces to Yinka Shonibare's Ship in a Bottle; the last message of Sir John Franklin's ill-fated expedition to find the North-West Passage to George Stubbs's Kangaroo and Dingo paintings, the Museum's iconic objects are presented in a chronological format, each selected for their unique significance.

The Boy Next Door Katie Van Ark, 2015-01-06 In this intensely romantic debut novel, a teen figure skater falls in love with her skating partner—who is also the boy next door.

Modern Canadian Plays Jerry Wasserman, 2000 In Volume II, Wasserman shows us Canadian drama from 1985 up to 1997, during which we see women playwrights rise to greater prominence, along with Native, gay and lesbian, and Quebecois playwrights. But, continuing on from Volume I, this selection of plays not only takes us farther into the annals of the lives of the marginalized; it also provides a revealing cultural and philosophical cross-section of late-20th-century life in Canada. In one way or another, we are shown ourselves as we are, and not in the critically-neutral, determinedly naive terms of the contemporary mainstream in which we are all represented as gloriously enmeshed in a world of cybernetic stringency--the uncomplicated aesthetic of a never-ending stream of zeroes and ones. If the plays presented in these two volumes are the contours of an indigenous Canadian drama, they outline anything but a norm. The plays in this fourth edition of *Modern Canadian Plays: Volume II* date from 1985 to 1997: *Bordertown Cafe* by Kelly Rebar *Polygraph* by Robert Lepage and Marie Brassard *Mooby* by Sally Clark *The Orphan Muses* by Michel Marc Bouchard *7 Stories* by Morris Panych *Dry Lips Oughta Move to Kapuskasing* by Tomson Highway *Amigo's Blue Guitar* by Joan MacLeod *Lion in the Streets* by Judith Thomson *Never Swim Alone* by Daniel MacIvor *Fronteras Americanas* by Guillermo Verdecchia *Harlem Duet* by Djanet Sears *Problem Child* by George F. Walker
