Sara Smith Wells, Kate Randle Jones

**The Snow Globe Family** Jane O'Connor,2006-09-07 Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

**Snow Globe Wishes** Erin Dealey,2019-09-15 As the worst snow storm of the year rolls in, one family hunkers down together in a cozy blanket fort for the night. A little girl makes a wish on a snow globe and, in the morning, the sun rises on a winter wonderland--beckoning all outside. And what if, on this snow-filled day, families shake their busy lives and everyone goes out to play? A lyrical holiday story about wishes and community and snow--lots and lots of snow.

**The Snow Globe** Sheila Roberts,2010-10-26 Discover an unforgettable holiday treasure in Sheila Roberts' heartwarming tale of love and laughter, magic and miracles, friendship and coming home... On a blustery afternoon, Kylie Gray wanders into an antique shop and buys an enchanting snow globe. There's a story behind that snow globe, the antique dealer tells her. The original owner, he explains, was a German toymaker who lost his wife and son right before Christmas. When the grieving widower received the handcrafted snow globe as a Christmas gift, he saw the image of a beautiful woman beneath the glass—a woman who would come into his life, mend his broken heart and bring him back to the world of the living. For years, the snow globe has passed from generation to generation, somehow always landing in the hands of a person in special need of a Christmas miracle. Kiley could use a miracle herself. This year, all she wants for Christmas is someone to love. A hopeful shake leads her on an adventure that makes a believer out of her. When Kylie shares the story of the snow globe with her best friends—two women with problems of their own—they don't believe it. But they're about to discover that at Christmastime, sometimes the impossible becomes possible and miracles really do come true.

**The Magic Snow Globe** Catie L Cordero,2017-10-26 Join the twins, Willow and Wendell Potter on an adventure that will reveal the secret to real Christmas magic--Title page verso.

**Wishing On A Dream** Michele Notaro, 2019-11-21 I can't really complain about my life; I have a job I love and a best friend that fills the void of my nonexistent family, but sometimes I'm lonelier than I like to admit. Especially with the holiday season approaching, I can't help but wish I had someone special to share it with. My friend gives me a snow globe with a man and a snowy owl inside, and for some bizarre reason, this man starts showing up every night when I close my eyes. It's... not real, but I can't seem to get the guy out of my head. It probably shouldn't surprise me that my brain conjures up the perfect man in my dreams... well, almost perfect if he'd stop claiming to be a warlock. But the crazy thing is that all of it—that he feels so real. When I start falling for the man, the warlock, I can't help but wish that what we have in my dreams could be a reality. I know it can't, but at least when I'm asleep, I can be with him—with Alaric. Although this book is part of A Snow Globe Christmas series, it is a complete stand alone and it isn't a requirement that you read the previous books to follow along. We wish everyone a happy holiday season.

**Bite Me, Santa** Brittany Cournoyer, 2019-12-04 The most wonderful time of year? Maybe for others—but definitely not for me. Peppermint is disgusting, and don't even get me started on how creepy I think nutcrackers are. While others have visions of sugar plums doing some weird dancing in their heads, Christmas only pulls up memories I'd rather soon forget. But how can I do that when Christmas is being thrown at me from every direction? Especially now that I'm giving my Christmas loving co-worker Troy rides to and from work when he has car trouble. When the gifts start to appear on my desk, the tiny burdens make it hard to forget about the date that is rapidly approaching on the calendar. And the more time I spend with Troy, the more I begin to realize that despite the bad memories, Christmas isn't really so terrible, especially when it's spent with someone I can't seem to walk away from. Will I finally be saying ho ho ho instead of telling Santa to bite me? Or will I forever remain the man who hates Christmas? Although this book is part of A Snow Globe Christmas series, it is a complete stand alone and it isn't a requirement that you read the previous book to follow along. We wish everyone a happy holiday season.

**Through the Snow Globe** Annie Rains, 2023-08-22 Perfect for readers of *One Day in December* by Josie Silver, this enchanting new novel with touches of *It's a Wonderful Life* and *Groundhog Day* follows a woman dangerously close to losing it all as she receives an unexpected Christmas gift that prompts a surprising journey of self-discovery...and another chance at happiness. Annie Rains is a gifted storyteller.—RaeAnne Thayne, New York Times bestselling author What if you could have one more day with someone you lost? Diana Merriman, a physical therapist, is probably the only person in the small town of Snow Haven, North Carolina, who isn't looking forward to Christmas. It's been three weeks since her fiancé Linus was critically injured when a car hit him as he biked home from the toy store he owns and manages. Watching him open his eyes is the only gift she wants, but she can't help losing a little more hope every day. But an unexpected visit from a friendly neighbor and finding a snow globe of Snow Haven—a gift Linus had hidden in the closet—the night before Christmas Eve changes things in ways Diana never would have imagined. Because on Christmas Eve Diana wakes up to find that it's not—Christmas Eve, that is. Instead, it's somehow December 4 all

over again, the day Linus got hurt, and as mystified as Diana is, she immediately starts a plan to save her partner from his fate. Nothing is that simple, of course. Instead of a single repeat of that day, Diana finds herself in an endless loop of December 4, experiencing every possible variation of events. Along the way, she uncovers startling truths about herself, her relationship, and even her career that illustrate the ways she's retreated from her life—and in the face of life's slights and outright blows, from her deepest feelings. Suddenly hope is second only to joy as Diana opens her heart to the people she loves in every way she can. Annie Rains puts her heart in every word!—Brenda Novak, New York Times bestselling author

Jon is amused to no end. Dealing with the ghost means going back to the place Brandon accidentally got it from, Eureka Springs, Arkansas. Snowfall and Romance Wendy Rathbone, 2019-12-14 A blizzard. A Christmas rescue. A man with the heart of an angel. Hayden Hayden knows it was stupid to think he could walk home from the office and beat the blizzard. So what if he worked out all the time until he was big and strong. So what if he hated to ever ask for help. Loners who think they can do everything themselves are just as vulnerable as anyone. His only consolation is if he dies there will be very few people who will miss him. Matthew The half-frozen man falling through the door to Matthew's coffee shop is more than alarming, but it's a good thing he'd forgotten to lock that front entrance or the beautiful guy covered in snow might have died in the cold. The man is gorgeous, soft-spoken, helpful, maybe even a bit old-fashioned in his manners. Just the type Matthew always wished for but never met. Sharing a fire and a snowed-in night with him will be no hardship. When the storm lasts more than a day, attraction blooms. But when it is over, will Hayden and Matthew's feelings fade? Or will holiday charm and a heart-warming miracle draw them together again? Rescue, forced proximity, overwhelming attraction, blizzards, and a heart-warming Christmas miracle. Although this book is part of A Snow Globe Christmas series, it is a complete stand alone and it isn't a requirement that you read the previous books to follow along. We wish everyone a happy holiday season.
