The Christmas Tree Wish Daphne Thompson,2020-12-15 Through the eyes of a child, we can rediscover the true meaning and hope that only Christmas can bring for the magic of the heart to open us, shake us, identify us, and transform us. An extraordinary tale told on a Christmas Tree Farm, in the vintage time of 1960, shares the touching story of Liam, a young balsam fir tree. He discovers he is lost when all hope turns to despair from losing his loved ones all around him. One night, he gets the urge of inspiration in him to hope again. After reaching out to one of the stars, he asks if he'll ever be with his family again. When he meets Abner, a friendship builds as Abner tells him the story of The Greatest Christmas Tree, in which Liam discovers who he is and the meaning of his life's purpose. In this richly illustrated tale for all ages, a tiny balsam fir discovers hope as a beautiful star opens his heart, helps him find his identity, and guides him to realize peace.

Windshields and Rearview Mirrors Gail Leefers Sanson,2021-11-03 After growing up in a small town with deep family roots, then spending much of her adult life in larger cities many miles away from that hometown and family; the author and her family relocated back “home” in 2007. Adjustments were made as they found themselves relearning small town life where everyone knows you and most of your business. They built their dream home while their only child was getting ready to leave the nest. The nest will be empty before it is built. As the author and her family navigated these life-changing and milestone events, she recorded this transition by blogging from 2007-2011. Sometimes difficult. Sometimes humorous. Always an adventure. This book includes those blogs along with present day commentary by the author as she looks back on those times. Come peek into her rearview mirror as she looks ahead through the windshield.
