Underneath the Christmas Tree Clare Revell,2023-11-01 When Violet Noble begins her new job as council events planner in Winkfield Green, she's horrified to learn she has twenty days to organize the, as yet unplanned, Christmas Fayre— and it won't be easy. All the files regarding previous events have disappeared, along with most of the decorations. She needs a miracle, but what she gets instead the council's maintenance man, carpenter and all-around fix-it guy— Derek Xenon. When Violet turns to Derek for help with the Christmas Fayre, his first instinct is to say no. His regular job is demanding enough without adding the resident damsel in distress to his workload. However, he's never one to turn down a challenge— even one from Christmas obsessed out-of-towner, and especially when someone seems to want Violet's plans to fail. Will Violet's vision of Christmas ever come to fruition, or will she throw in the stocking?

A Live Christmas Tree Bradley Gilman,2013-12 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A Live Christmas Tree Bradley Gilman,2017-11-15 A live Christmas tree : Christmas story . By: Bradley Gilman.

The Christmas Tree James Hewitt,2007-09 This book's creation was done by chance. A group of my co-workers were discussing Christmas and why decorations, trees, and other customs are practiced. Have you ever wondered the same? One question was regarding the Christmas tree.

Where did the idea originate? Whom might be responsible for the tradition? Was a person responsible for the tree or was it a cultural phenomena that grew. I am going to ask you to think back to your first memory of Christmas. It probably includes a memory of a decorated and brightly lit tree surrounded by colorfully wrapped presents. A smile always can be seen on even the most selfish and bitter person when viewing a well designed Christmas tree.

Santa's Christmas Tree Beverly Weiler,1980 Santa's elves are choosing the Christmas tree for Santa's house and the tall trees expect one of themselves to be chosen, not the tiny, but kind pine, Miss Merry. Five songs with piano accompaniment are included.

Returning Home Jerry M. Burger, 2011-03-16 The only expectation one can have when returning to visit a childhood home is to be deeply moved in the most unexpected ways. For millions of Americans each year, that journey conjures many emotions, offering a psychological exploration unlike any other. This book describes the experiences of adults who visit a childhood home and the psychology behind their visits. Seeing the buildings, schools, parks and playgrounds from their past helps to establish the psychological and emotional link between the child in the old photographs and the person they are today.

Tastes Like War Grace M. Cho, 2021-05-18 Finalist for the 2021 National Book Award for Nonfiction Winner of the 2022 Asian/Pacific American Award in Literature A TIME and NPR Best Book of the Year in 2021 This evocative memoir of food and family history is somehow both mouthwatering and heartbreaking... [and] a potent personal history (Shelf Awareness). Grace M. Cho grew up as the daughter of a white American merchant marine and the Korean bar hostess he met abroad. They were one of few immigrants in a xenophobic small town during the Cold War, where identity was politicized by everyday details—language, cultural references, memories, and

food. When Grace was fifteen, her dynamic mother experienced the onset of schizophrenia, a condition that would continue and evolve for the rest of her life. Part food memoir, part sociological investigation, *Tastes Like War* is a hybrid text about a daughter's search through intimate and global history for the roots of her mother's schizophrenia. In her mother's final years, Grace learned to cook dishes from her parent's childhood in order to invite the past into the present, and to hold space for her mother's multiple voices at the table. And through careful listening over these shared meals, Grace discovered not only the things that broke the brilliant, complicated woman who raised her—but also the things that kept her alive. “An exquisite commemoration and a potent reclamation.” —Booklist (starred review) “A wrenching, powerful account of the long-term effects of the immigrant experience.” —Kirkus Reviews

Lucky Richard C. Hawkins, 2011-12-01 The story of Lucky, a tree living in a forest, who is uprooted and taken home to become a boy's Christmas tree. He lives a short, glorious life bedecked in splendor, until the Christmas season ends and he slowly dies.

Battle of the Hexes Jane Hinchey, 2022-09-30 Holly Day, aka Twitch the Witch, has a target on her back. When Cody Pendant, a black market occult dealer, is murdered, no-one is surprised. Cody was a fraud and a conman who had ripped off almost everyone he'd ever done business with. When her address is found on his body, Holly is convinced the killer is closing in. On her. Deciding life is better if you're living, she makes plans. Big plans. Plans such as renovating her house. Baking bread. And exploring exactly why her heart skips more than a beat whenever the sexiest lawman she's ever seen is near. But first she needs to figure out if Cody's killer is the same supernatural assassin out to get her. AND SHE WAS Elizabeth Wells, 2014-09-27 A Southern girl embraces the 60's and 70's, only to become mentally ill when the era is over. In the end, she regains her sanity and achieves her dream of becoming a writer. Elizabeth Wells: "If I had to say what inspired this story I would say that I have lived an uncommon life, met unforgettable characters, and done things most people wouldn't do. The idea was to get it into a book that recorded much of my own personal history. Since the beginning of man, such inspiration is always necessary to the persons who create stories of their own. William Faulkner said, 'Listen to the voices.' I do."
