Home for Christmas Annika Devert, Jessika Devert, 2021-12-01 Mother-of-three Emelie is in a tough spot in life. Since the father of her children moved out, she has struggled to make ends meet. Budgets are tight, work is boring and she's reluctant to start dating again. She's just not ready. When things seem at their darkest, she receives an unexpected letter - and the content will change her life forever. Emelie has inherited a house on the island of Sardinön. And the house is chock-a-block full of Christmas decorations! Her children thrive in their new life on the island and want to stay so it's not long before the move to the Island is a done-deal. All that's left is to figure out the answers to two important questions: first and foremost, what's the deal with Andreas, the good-looking guy who inherited the guest house on the plot? And second, what on earth is she going to do with all the Christmas stuff? Annika and Jessika Devert are sisters from Gothenburg, Sweden. They've written several children's books together. The feel-good novel *Home for Christmas* is their first book for the adult audience.

Home for Easter Annika Devert, Jessika Devert, 2022-04-01 On the island of Sardinön, Easter is fast approaching but Emelie still has some difficult questions on her mind. Should she take the job at the community centre? If her new partner Andreas has a child with a lesbian couple, and he moves in with Emelie – then she'll have a baby in the house. Does she want that? And her finances are a constant worry, but it seems that the vase she's been left by Aunt Astrid is worth a bit of money and perhaps that will improve her situation. But when the vase disappears, Emelie is dismayed and doesn't know what to think. Could her neighbour Birgitta have stolen it? Or Kjell the restaurant owner? Instead of thinking about the future, Emelie plans an Easter party for the islanders, with a talent show and a festive buffet. On Easter Saturday they take a walk to the lighthouse on the cliff, where an unexpected surprise awaits her... *Home for Easter* is the cosy successor to the Devert sisters' popular Christmas romance *Home for Christmas*. Perfect for fans of Holly Martin, Poppy Dolan and Cathy Bramley. Annika and Jessika Devert are sisters from Gothenburg, Sweden. They've written several children's books together. The feel-good novel *Home for Christmas* is their first book for the adult audience.

*Life to the Max* L. Maxine McQueen, 2021-05-13 This book is documentation that you can live life and come out laughing through most of it. From clowns and chickens to the death of a child, this book will take you through the ups and downs of struggling with and accepting what time hands you as you survive this great world of ours. The book is a compilation of stories about events that life handed her, which she has published in newspapers. Her viewpoint is humor, and faith is the means allowing us to tolerate the worst and respond to the best. Max takes you through her experiences of twenty-five years of being in business with her husband. The ups and downs of being a mom-and-pop operation are not to be missed. While running the business, she entered the sandwich generation and helped her parents and in-laws go through the ordeal of aging. At the same time, her sons were growing up and leading her through their adventures of leaving the nest. She has gone into competitive shooting and is an assistant NRA teacher and a range safety officer. Her five grandchildren and two great-grandchildren add adequate column fodder when her husband, sons, and daughters-in-law fail to do so. Memories of being raised in the '50s and '60s add to Max's humorous accounts of being a farm girl in Central Illinois. Presently, she has fabulous friends to give her constant opportunity to keep writing about the laughter all around us. Never intending to hurt, but always ready to see the funny side of life, her tales will keep you laughing and have you looking for the humor in everyday living.
