**Duct Tape Bags** Richela Fabian Morgan,2016-07-12 What if a designer handbag were as easy to craft as a duct tape wallet? Now it is with this easy-to-follow guide to making 40 handbags so fashionable, you won't actually believe they're made of duct-tape. Part art-piece, part usable accessory, Richela Fabian Morgan shows how each of these gorgeous handbags can be recreated one manageable section at a time. Designs include: · Clutches and wristlets · Hobo and Shoulder Bags · Satchels · Messenger and Flap Bags · Tote Bags With detailed step-by-step instructions and primers on duct tape fabric, different types of closures from magnet snaps to jeans buttons, and bag accessories like bows and luggage tags, Morgan catapults this trend from the streets into the stratosphere. A mix of pop art and urban style photos of each project and a cool vibe throughout will make you want to immediately roll up your sleeves and begin making duct tape bags.

*Messenger Poet* Kurt Boone,2009 The Messenger World has influenced the founding of the graffiti arts movement, urban streetwear, the ubiquitous messenger bag accessory and the growing fixed gear bicycle craze. Messenger Poet describes life as New York City messengers through poetry by Kurt Boone and illustrations by Greg Ugalde. Both are veteran messengers of this authentic urban aesthetic.

Whiter Shades of Pale Christian Lander,2010-11-23 HOW WHITE YOU ARE! If you thought you had white people pegged as Oscar-party-throwing, Prius-driving, Sunday New York Times-reading, self-satisfied latte lovers—you were right. But if you thought diversity was just for other races, then hang on to your eco-friendly tote bags. Veteran white person Christian Lander is back with fascinating new information and advice on dealing with the Caucasian population. Sure, their indie-band T-shirts, trendy politics, vegan diets, and pop-culture references make them all seem the same. But a closer look reveals that from Austin to Australia, from L.A. to the U.K., indigenous white people are as different from one another as 1 percent rBGH-free milk is different from 2 percent. Where do skinny jeans and bulky sweaters rule? Where is down-market beer the nectar of the hip? If you want to know the places cute girls with bangs and cool guys with beards roam and emo musicians and unpaid interns call home, you'd better switch off the Adult Swim reruns, put down that copy of *The Onion*, pick up this book, and prepare to see the white.

*New York Magazine* ,1983-12-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
