## **How To Use A Chromecast** Kieron "Chromecast Apps"

Phillips, Conrad "Chromecast Guide" Jackson, This book will teach you how to setup your Chromecast quickly and easily, which are the best compatible apps, which are the best devices to use, and also some extras like how to get your content to appear in HD. There is also a small troubleshooter section in Chapter 3 of this book, with things to check if anything ever goes wrong. We also provide links to external websites to troubleshoot your Chromecast in more depth. We have input a small key to make it easier to follow depending on your devices. A: = PC, Mac or Chromebook. B: = iphone, ipad or Android device. We hope you find this book extremely useful, and thanks again for purchasing How to use a Chromecast by Kieron "Chromecast Apps" Phillips and Conrad "Chromecast Guide" Jackson.

Advanced Chromecast Tips and Tricks (Chromecast User Guide): Lisa Thompson, 2015-01-06 The Google Chromecast is an amazing device. It can allow you to watch an unlimited number of on-on-demand videos from YouTube, Google Play TV & Movies, Netflix, Hulu, and many other online services; but on your television instead of your computer screen. If you have been spending money on expensive premium cable services in the past, the Chromecast can even help to reduce these costs by providing you with other options. However, there is one problem that you may run into if you own or are considering owning a Chromecast: Google provides very little documentation as to how this device works. If the only thing you want to do with your Chromecast is to watch a few videos from Hulu or Google Play, then you can probably get by on learning how to use the Chromecast solely from the information that Google provides on its website. But what if you want to use unofficial services such as the free versions of Hulu or Spotify? Or, what if you want to use your Google Chromecast to make business presentations? For another example, what if you want to turn your computer into a wireless

media server or share your Android or iOS screen to your television? If you want to use your Chromecast for more than just its basic functions, you will need a user's guide to do so. Unfortunately though, many Chromecast user's guides on the market are outdated and employ complicated workarounds in cases where they are not necessary. Because of this problem, I have created a Chromecast user's guide that provides the simplest answers to any Chromecast issue and that is completely up-to-date. Here are just some of the topics covered in *Chromecast Guide: Google Chromecast Tips & Tricks*. How to connect and set up your Chromecast. Factory resetting your Chromecast. How to use your Chromecast to give presentations. Using your Android or iOS device as a remote control. A complete description of the best services to use with your Chromecast, such as Hulu, Pandora Radio, Crackle, and many others. How to watch Hulu on your television without paying for the premium service. How to listen to Spotify music on your television or through your stereo system. How to display web-content on your television. How to use your television to mirror the screen of your smart phone. How to use your computer as a wireless media server. How to cast music and video from the Kindle Fire. How to configure Amazon Instant Video so that it will display on your television. How to use your smart phone to turn on your TV. And many other topics that explain how to get the most out of your Chromecast. Get a copy of this book now and unlock the power of your Chromecast device!

*Chromecast* James J. Burton, 2014-03-04 What This Book Has For You This book will highlight the importance of the device that was introduced by Google for as low as \$35 in detail. Chromecast by Google, which was introduced in July 2013, has proven to be big competition to Apple TV despite its small size. *Making the Best of Chromecast* Michael Edwards, 2015-02-01

With Chromecast being around for around two years now, and customers are enjoying the offers of Chromecast, there are a lot of things so many customers don't know about it. There are tons of tricks and tools customers can use to get their money's worth and much more. With knowing these different tools, customers can ditch cable companies forever, for just a one-time fee of \$35 to buy the Chromecast device. Once getting the Chromecast device, the setting up is in store. Also, certain things must be downloaded and in order, if it hasn't been already. Many already have the Google Chrome Browser; however, the Google Cast extension must be downloaded as well before setting up the Google Chromecast device. After having all the required items for downloading and installing for setting up Chromecast, users should make sure that other required items are present which include the Wi-Fi connection, a TV with an HDMI input, a tablet or smartphone, and a computer. After that is done, the next thing to do is to plug the Chromecast device. Then you are ready to proceed with the different tricks of the trade which include the following: streaming local media; playing any media type using Plex; sending websites to the TV; mirroring the mobile phone and TV; improving video playback by streaming quality adjustment; adding Emojis; hosting YouTube parties; always making full

screen videos play; personalizing the wallpaper with personal photos; turning on the TV with a smartphone; using Chromecast in a hotel room; using a headphone; watching 3D VR without the headset (the Oculus Rift and Alterglaze); mirroring the full desktop; using Chromecast with Kindle Fire; resetting Chromecast back to factory settings; playing Nintendo Wii games with Chromecast and a smartphone; using outside Androids with Chromecast without being on the same Wi-Fi account; accessing Chromecast's hidden settings; turning the TV into a lava lamp; launching Netflix; using guest mode for friends; getting free stuff; and using an audio adaptor.

### Chromecast Device User Guide Joseph Joyner,2015-06-01

Since the internet speeds went above the 500kbps mark, the number of things people can do with their interconnected devices skyrocketed. Automated homes, connected cars, and internet enabled TVs. The latter is what threatens to revolutionize the entertainment world as we know it, do away with cable TV and abolish the need for expensive blue-ray players. Even though smart TVs are so lucrative, most people find them either too costly, or limiting. The alternative would be going for a TV with an HDMI port, a USB port and purchasing a dongle to bring in the power of internet TV. Chromecast is one of the best and cheapest such tools in the market.

### **Google Chromecast Audio: A Guide for Beginners** Philip

Tranton,2015-11-19 Chromecast Audio is a miniature device which plugs into your speaker so that you can stream music through a Wi-Fi connection. With Chromecast Audio you can cast your favourite music to your home speaker. You can do this from

your tablet, laptop or phone. Chromecast Audio works with your devices that you have already, such as tablets and mobile Android devices, iPads and iPhones, Mac and Windows laptops, and Chromebook Pixel. To instantly start playing on the speakers just tap the Cast button from your mobile music applications. You can control the speakers from your phone. You can play, pause, search, queue songs, turn the volume up or down, from wherever you are in the house.

*Chromecast* Jack Brandson, 2016-01-16 As many may want to put it, the Google Chromecast is a tiny but magical device offering so much. Am sure it is in your interest to find out what it is it does exactly and I should assure you will get to know that and much more having gone through the details of this book. Each chapter of it covers vital information when it comes to using or applying the Google Chromecast. Am sure you already know what it is and how it looks like and this is the reason why the book will focus more on other important basics. Chapter One: this is where you will get to have a clear understanding of what the Chromecast is, and most importantly learn of its advantages which I believe is something you may want to know before getting one. Chapter Two: chapter two is an important part of the book as it takes you through the essential tips and tricks of using the Google Chromecast device and caution to take when using it. Chapter Three: this chapter enlightens you on much that you need to know about the chrome browser and why it is unique and also a chance to learn of the different Chromecast apps. Chapter Four: this chapter is a guideline on the effective usage of Chromecast right from the time you buy one and also what you get from owning one. There is however so much more to every single chapter and it is my hope that it will be an eye opener on the effectiveness of a Chromecast and how you can fully benefit from what it offers.

Tranton,2015-12-03 Chromecast is a selection of digital media players manufactured by Google. Created as small dongles, the devices play audio or video content on a smart TV or audio system by streaming the content through Wi-Fi or from networks operating in that area. Users choose the means through which they want to play with the help of apps found on cellular phones and apps from the internet that is compatible with Google Cast technology. Also, videos or music can be mirrored from the Chrome operating on a personal computer. The original Chromecast, which was a video streaming device, was launched on July 24, 2013, and was in stores at the same time and sold for US\$35. The Google Cast was launched on February 3, 2014, which gave access to third parties to adjust their software to be compatible with Chromecast. Google reported that over 20,000 Google Cast compatible apps are accessible after of May 2015.

\* If you are a Windows 7 user, then please click on the author's name above to get the Windows 7 version of this manual. Are you having a difficult time trying to get the Chromecast to work in hotels? If you have been in search for a Chromecast hotel workaround solution, then look no further. 'Chromecast Finally Works in Hotels' is a step-by-step guide that shows you how to setup Chromecast on hotel WiFi. The manual does not talk about how to hack or disassemble the Chromecast nor how to hack into the hotel's WiFi. This manual is the legitimate Chromecast hotel workaround. With these instructions, your Chromecast will continue to be under its original warranty and the hotel's WiFi -- other than your connection to it -- it will remain untouched and unharmed. This manual gives you a full set of instructions, including settings required to making the Chromecast device work with your tablet on a hotel's WiFi Internet access. These instructions could even help you get your Roku device working in a hotel room as well because this setup is getting you an access point for your Chromecast and/or Roku device. More than two hours was spent creating this manual for the sake of it being very easy-to-follow for you. And now it's available for you to download to your Kindle or any device you can read e-books. \*\*\* UPDATES \*\*\* September 10, 2014: Added link showing products used (e.g. description, specifications, price) and where to buy them for your convenience.
