Time Out Seoul Editors of Time Out,2011-11-08 Time Out Seoul helps travelers get the best out of the ever-changing South Korean metropolis. As well as covering visitor essentials, this new guide offers detailed coverage of cultural highlights, shopping, and dining. From hiking and public baths to trendy shopping, Time Out has got you covered — experience the city like a native and avoid the obvious tourist traps. Time Out Seoul assists visitors in navigating the cultural and financial center of East Asia, whether one is seeking the arts (over 700 museums and 400 galleries), shopping (choices from Prada to flea markets), temples and shrines (five major palaces), or the best in Korean BBQ.

Korea ,2016

Memory and Honor Simon C. Kim,2013-05-01 Memory and Honor is a theological reflection on the American experience of the people of Korean descent. It is a reflection on the heritage of rupture, displacement, and resettlement as the key to identity and hope for those continuing to live in between the cultures, languages, and belief systems of Korea and the United States. This book gives voice to the first generation of immigrants and their children. Since the majority of Korean immigrants are Protestants, the first- and second-generation Catholic community is a minority of minorities, an ethnic minority as well as a religious minority. Thus, as a minority group and as a minority of minorities, Korean American Catholics may have more to contribute to church and society since this country was founded, developed, and maintained by immigrants such as these. Readers will come away with a deeper appreciation of the Korean immigrant contribution and more readily see the Korean American Catholic community as an authentic expression of church. Simon Kim is assistant professor of theology at Our Lady of Holy Cross College in New Orleans, LA. He earned a Ph.D. in theology from The Catholic University of America in 2011, specializing in theology in cross-cultural contexts. He works extensively with Korean American communities and offers conferences, workshops, and retreats across the country on Korean American pastoral ministry.

Korea: The Impossible Country Daniel Tudor,2012-11-10 Daniel Tudor covers all the important issues, yet does not simply tell the more familiar stories, but looks deeper and wider to give the full story of Korea today. —Martin Uden, Former British Ambassador to South Korea In just fifty years, South Korea has transformed itself from a failed state, ruined and partitioned by war and decades of colonial rule, into an economic powerhouse and a democracy that serves as a model for other countries. How was it able to achieve this with no natural resources and a tradition of authoritarian rule? Who are the Koreans and how did they accomplish this second Asian miracle? Through a comprehensive exploration of Korean history, culture and society, and interviews with dozens of experts, celebrated journalist Daniel Tudor seeks answers to these and many other fascinating questions. In *Korea: The Impossible Country*, Tudor touches on topics as diverse as shamanism, clan-ism, the dilemma posed by North Korea, and the growing international appeal of South Korean pop culture. This new edition has been updated with additional materials on recent events, including the impeachment of Park Geun-hye and the sinking of the Sewol Ferry. Although South Korea has long been overshadowed by Japan and China, *Korea: The Impossible Country* illuminates how this small country is one of the great success stories of the postwar period.

Korea Now ,2004

The K-Wave On-Screen Jieun Kiaer,Emily Lord,Loli Kim,2023-09-12 The K-Wave On-Screen provides an engaging and accessible exploration of the meaning of 'K-' through the lens of words and objects in K-dramas and K-films. Once a small subculture known only to South Korea's East Asian neighbours, the Korean Wave has exploded in popularity around the globe in the last decade. Its success has been fuelled by social media and the advanced technological capabilities of South Korea. With #KpopTwitter having amassed 7.8 billion tweets and with K-films receiving acclaim from major award ceremonies, the K-wave is now a global cultural phenomenon. This book touches on globally popular productions, such as *Parasite* (2019), *Squid Game* (2021), *Pachinko* (2022), *SKY Castle* (2018), and *Kim Ji-young: Born 1982* (2019) to highlight that K- has departed from the traditional meaning of 'Korean-ness' to become a new, globally-informed, and hybrid entity. This book will be of interest to students in East Asian studies, and those engaged with Korean language learning. The book will also appeal to those interested in Korean culture and media.

KOREA Magazine September 2016 Korean Culture and Information Service ,2016-08-31 A monthly magazine to promote a better understanding of Korea around the world. Produced entirely in English, the magazine explores a broad range of topics including politics, the economy, and culture, offering the international community an accessible and informative introduction to Korea.

Conversational Korean The Calling,,Joenghee Kim,Yunsu Park,2023-06-27 Current and useful phrases for K-Pop and K-Drama Fans! This super-cute, full-color phrasebook covers all the situations you are likely to encounter in daily life, whether at school, work, hanging out with your friends, discussing your favorite K-Pop bands, having computer problems, meeting the love of your life or suffering from a broken heart. Frequent cultural notes give useful guidelines on a wide variety of topics including how to use formal and informal language and tips for visiting popular tourist destinations such as Seoul, Busan and Jeju. You'll also find nuggets of useful information on topics ranging from best Korean food and traditional alcohol to the symbolism of dreams in Korean culture! The unique features of this phrase book are that it includes a much wider range of situations than the usual phrasebook and the phrases reflect the kind of language you actually use! For example, as well as basic greetings, transport, and restaurants, there are sections on plastic surgery, beards and moustaches, smoking, and jealousy and betrayal. Useful and authentic phrases you'll find include: Stop bugging me! Math is a pain in the ass I have to pee. Where should I put the recyclables? He is butt ugly. You don't look like you had plastic surgery. Do you mind if I say a prayer before eating? I'm pissed off! BTS is my favorite Korean group. He has commitment issues. This break up is killing me. I just got paid yesterday; I'm loaded. Packed with cute illustrations, and all words and phrases are given in Hangul script, romanized Korean and English, making it easy to memorize useful language even if you are a complete beginner. Whether you're traveling to Korea or just an armchair fan of K-pop and K-drama, this book will provide you with a treasure trove of useful language and deeper insights into Korean culture.

INFOFISH Trade News ,2010

Beginning Korean Angela Lee-Smith,Jongoh Eun,Susan Strauss,2024-04-24 Beginning Korean is a Korean language textbook for

use at the high school and college levels, involving characters who speak and interact in Korean using beginner-to-intermediate-level expressions, vocabulary, and grammar. The book contains a rich variety of natural-sounding dialogues involving characters from a diverse range of backgrounds as they exchange ideas, make plans, and socialize in a variety of natural contexts in Korea. The book provides a wide variety of conversational expressions, grammar notes, and vocabulary items, in addition to ‘Cultural Insights’ to expand users’ understandings of and familiarity with Korean culture from more insider perspectives. Further supporting material, including audio, can be found at www.routledge.com/9781032687032. The book is designed around ACTFL’s 5 Cs (Communication, Cultures, Connections, Comparisons, and Communities) and includes specific proficiency-based Can-Do learning goals for each unit. As such, the content, topics, and areas of focus in this book can be useful for a wide range of programs, educators, and learners of Korean.

Korean as a Heritage Language from Transnational and Translanguaging Perspectives Hyesun Cho,Kwangok Song,2022-12-14 This collection critically reflects on the state-of-the-art research on Korean-as-a-heritage-language (KHL) teaching and learning, centering KHL as an object of empirical inquiry by offering multiple perspectives on its practices and directions for further research. The volume expands prevailing notions of transnationalism and translanguaging by providing insights into the ways contemporary Korean immigrant and transnational families and individuals maintain their heritage language to participate in literary practices across borders. Experts from across the globe explore heritage language and literacy practices in Korean immigrant communities in varied geographic and educational contexts. In showcasing a myriad of perspectives across KHL research, the collection addresses such key questions as how heritage language learners’ literacy practices impact their identities, how their families support KHL development at home, and what challenges and opportunities stakeholders need to consider in KHL education and in turn, heritage language education, more broadly. This book will be of interest to families, teachers, scholars, and language program administrators in Korean language education, heritage language education, applied linguistics, and bilingual education.

Ventures Level 4 Workbook Gretchen Bitterlin,Dennis Johnson,Donna Price,2008-08-28 Provides extra classroom practice, homework, or independent learning when in-class participation is not possible. Feature two pages of exercises for each lesson in the student book, grammar charts and an answer key, practice reading and interpreting real-life documents.

Chase's Calendar of Events 2022 Editors of Chase's,2021-11-15 Notable birthdays, historical anniversaries, national and international holidays, religious holidays, and thousands of additional days of note from all over the world.

East Asian Review ,2004

Social Trust and Economic Development O. Yul Kwon,2019 In just one generation, South Korea has transformed from a recipient of foreign aid to a member of the G20. In this informative book, South Korea is used as a case by which to explore and illustrate specific issues arising from the complex relationships between the nation’s economic development and society. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px Arial}

North Korea Henry Marr,2018-12-14 This new edition of Bradt's North Korea has been completely written from scratch and remains the only standalone guide to what is often regarded as the world's most secretive state, a place never far from media scrutiny but about which very little is actually known in the wider world. Detailed is everything you need to know for a successful visit, from the practicalities of how to get there and who to go with to cultural sensitivities and etiquette, safety, money and travelling around. Amongst the places covered are the supra-centrally planned showcase capital of Pyongyang; Panmunjom, where North meets South face-to-face inside the 4km-wide DMZ - the dividing line between two nations and one people; Kumgansan Tourist Resort, the chiefly South Korean-built resort offering fantastic hikes; and Paektusan, the highest peak in all of Korea and Manchuria. For the intrepid and open-minded traveller North Korea is a truly mesmerising destination with a rich past and fascinating contemporary history. Visitors today are immersing themselves in an unrivalled experience in what is seemingly the last country in the world not to have submitted to globalisation, the last country still clinging on to the 20th century experiment in communism that for all others crumbled away shortly after the collapse of the Berlin Wall. Outside of the showcase socialist paradise of Pyongyang, visitors will find stunning natural scenery, from beautiful coastline and beaches to spectacular mountains, such as legendary Paektusan. Whilst many hold the ill-conceived notion that a visit to North Korea may not be safe, the reality is that visitors are warmly welcomed and still considered more as 'guests of the state' than as mere tourists. Written by expert author Henry Marr, who first visited North Korea in 2005 and has since been back more than twenty times, Bradt's North Korea is an indispensable guide to understanding and getting to know one of the world's most curious destinations.

The Politics of Korean Language Textbooks in the Two Koreas Dong Bae Lee,2023-12-01 This book investigates the politics embedded in the Korean-language textbooks utilised between 1895 and 2019, within the context of one Korea (pre-colonial and colonial eras), the divided Koreas, and an ethnic Korean group residing in Japan (Chongryon). By analysing the inclusions and omissions from Korean-language the author successfully highlights the impact of Korean politics, making clear how rulers have attempted to control their citizens and legitimize their rule by using primary school Korean-language textbooks as a medium for political education and inculcation. It succinctly displays how different visions of ‘ideal citizenship’ have been presented in Korea and traces the resulting shift in views towards neighbouring nations as a result, identifying how different rival countries were demonized at different times. This chapter also shows some consistent omissions, such as the lower classes and marginalized individuals within their respective nations. Presenting recommendations for potential improvements of the content of future textbooks this study will be of interest to students of Asian Studies, Post-colonial Studies, Critical Curriculum Studies, Critical Discourse Studies, and Korean Studies.
