Mustards Grill Napa Valley Cookbook Cindy Pawlcyn, Brigid Callinan, 2012-05-15 This James Beard award-winning cookbook brings chef-owner Cindy Pawlcyn's Midwestern sensibility and flair for reinventing American food to Napa Valley with over 150 recipes. Mustards Grill is an institution in the wine country—the friendly restaurant where locals first started going for a full plate of inventive, delicious food and a glass of Napa's finest. Chef-owner Cindy Pawlcyn, founding chef of San Francisco's original Fog City Diner, put down her roots in Napa over 15 years ago, and ever since then, Mustards has been affectionately known as the fancy rib joint with way, way too many wines. This cookbook is full of the best, most enduring recipes from Mustards Grill—ones people consistently ask for and ones to enhance any home cook's experience in the kitchen. Mustards is universally loved by local residents and tourists alike for its smoky, tender, spicy baby back ribs; cornmeal-coated fried green tomatoes; tasty Asian-marinated flank steak; Chinese chicken noodle salad; and, of course, Mustards' always-crisp tangle of deep-fried onion threads. The enduring vitality of this place comes from the fact [that Cindy Pawlcyn] put all the dishes she loved on the menu: country dishes transformed by her sprightly offbeat style and sparkle. —FOOD LOVER'S

How (Not) to Kiss a Toad Elizabeth A Reeves, 2023-03-05 He's Sugar. She's spice. He's ice cream. She's cupcakes. He's human. She's a witch. They both have secrets. Is this a recipe for disaster or true love? Cindy Eller is a young baker with a brilliant gift for imaginative flavor profiles, and another gift for Magic. Though she comes from a big family of powerful witches (only don't use that term to Cindy's mother!), Cindy herself is a bit of a Magical dud. She can add a little something special to her baking, but that's it. And then there's Cindy's private life. She never can seem to get it off the ground, and if she ever does make a connection with a man all it takes is one kiss and POOF! He turns into a toad. Some are big toads, some are small, some are cute, and some are slimy, but they are all toads. Cindy has no idea why this keeps happening to her, but it's been the one constant in her life since high school. It's pretty much impossible to stay in a relationship with a toad, so she just has to wait until they change back into men and run screaming away from her and her mixed up Magic. Just as Cindy is set to get her bakery really moving, Timothy Borden walks into her life. She promptly, and literally, falls head over heels for him. Deep down, she's convinced that this might be someone special, the right guy, the man who wouldn't turn into a toad if she ever kissed him... She just has to give it a try.

Chickens in the Road Suzanne McMinn, 2014-10-07 Suzanne McMinn, a former romance

writer and founder of the popular blog chickensintheroad.com, shares the story of her search to lead a life of ordinary splendor in *Chickens in the Road*, her inspiring and funny memoir. Craving a life that would connect her to the earth and her family roots, McMinn packed up her three kids, left her husband and her sterile suburban existence behind, and moved to rural West Virginia. Amid the rough landscape and beauty of this rural mountain country, she pursues a natural lifestyle filled with chickens, goats, sheep—and no pizza delivery. With her new life comes an unexpected new love—52, a man as beguiling and enigmatic as his nickname—a turbulent romance that reminds her that peace and fulfillment can be found in the wake of heartbreak. Coping with formidable challenges, including raising a trio of teenagers, milking stubborn cows, being snowed in with no heat, and making her own butter, McMinn realizes that she's living a forty-something's coming-of-age story. As she dares to become self-reliant and embrace her independence, she reminds us that life is a bold adventure—if we're willing to live it. *Chickens in the Road* includes more than 20 recipes, craft projects, and McMinn's photography, and features a special two-color design.
