Now, if only her new therapist would stop demanding she talk about what never happened, she could stop fantasizing about breaking probation... ..And his nose. At her lowest point, Jac risks everything and steps through a portal on the sliver of hope she might get to go back. The Unconquered Mage Melissa McShane,Ukens,2017-05-23 Once a thief and secret mage, then a leader of mage warriors, Sesskia is now Empress-Consort of the combined countries of Balaen and Castavir. But that title is far from secure. Sesskia and her husband Cederic have only two-thirds of the Balaenic Army to face off against the former God-Empress of Castavir. None of the Lords Governor of Balaen or the consuls of the Castaviran Empire support them. And the threat of assassination is all too real. Worse, however, is the realization that something is happening to magic. While the convergence brought the two worlds together, it failed to unite their different magics-and no one knows why. With the clash between the new Empire and the God-Empress looming ever closer, Sesskia and the mages must find a way to complete the convergence, even if it costs them their lives.

Outlaws Are Optional David Mosey,2004-08-11 Outlaws are Optional As CEO of the worlds most successful outlaw band, Don Orlando should be laughing all the way to the bank, but hes not laughing today. An exiled duke, complete with toadies, minstrels and huntsmen has set up camp in the forest, just a short ride from outlaw headquarters, and thats the sort of thing that plays hell with the asset-redistribution business. And the busy seasons just about to begin. In desperation, Orlando turns to Mission Implausible, Albions premier adventure team. Its true that their appetite for beer and gratuitous violence is notoriously insatiable and its also true that Andrew Cruickshank, their mage, combines the efficiency of the postal service, the predictability of the weather and the destructive potential of a strategic nuclear weapon, but hell, what have you got to lose? Quite a bit, actually. While Cruickshank studies the Shakespeare play As You Like It for clues on how to get rid of exiled dukes, his Designated Opposite, the black mage Montmorency arrives on the scene and begins to start stirring things up. As if that were not enough, Titus Handcarte, the First Speaker of East Castellian, wants to put Don Orlando out of business by establishing a Rural Roistering Experience in the outlaws forest and has persuaded usurping Duke Roger to spearhead this operation. Things do not look good for Don Orlando, caught between an exiled duke on one side, and a usurping duke backed by East Castellians army on the other. But Mission Implausible is up to the challenge. They can, and do, call upon gratuitous violence, improbable disguises, forgery, blackmail, dubious transvestite rituals, shameless piracy of Shakespearean plots and occult incompetence. Handcarte, usurping Duke Roger and exiled Duke Frederick dont stand a chance, especially when Montmorency is persuaded to lend his formidable occult and diplomatic skills.
